Man's Natural State

The natural state of man is to be absorbed in meditation or practice with Cock. Whatever draws the mind or soul of man away from its natural and primal immersion in Cock is an obstacle to the God-given purpose and function of male human life.

Allow your thoughts and practice to follow their natural course: give unto Phallus that which He has created for His own Pleasure and Awareness.

Phallus is the force that creates nature and from nature the universe. Phallus moves and opens. All is created by the cleaving of nothingness by Phallus. To open, to accede to Cock is to give homage to Phallus and Creation.

There is no creation but that which is created by Phallus. There is no service to God but that which gives homage and adoration to Cock.

All men are elements of a vastly complex network of force, power, submission, creation and destruction, a network that is the primal workings of Phallus. The Godhood of Cock is the ordinal fact. The worship and admiration, the adoration of Cock is the religious acknowledgment of this sacred network of energy and Being.

There are men who are manifestations of Priapus, honored with a Presence between their legs that commands awe and carries immense Power. Often these men carry very large Cocks. Give homage to Large Cocks, from which the nature of awe and terror come.

These men are given worship, their Cocks are Gods and oracles. To gaze on such a Cock gives man fortune and communion with Phallus. To physically touch such a Cock is auspicious in the highest degree.

Priapic man is the sacred Presence of creation made manifest and apparent.

The man, and beyond the man, all things made by man, are flowers sustained and dreamt by Cock.

When you look at a man know that this flesh, this hair, these eyes and hands and muscle and mind are all creations of Cock that Phallus will be adored and worshiped.

All that is towering, all that is passionate, all that is imagined by man is a creation of Cock that Phallus will be adored and worshiped.

In the seed of a man is everything. In the ejaculation of a man there is the entire cosmos, the beginning and the end of all things. In the taste and smell and texture of a man's semen is the totality of the galaxies, the stars, the worlds. With each ejaculation God creates everything anew.

Worship the seed of man. It is the breath of God, the raw substance from which all things are made and within which all things are contained. In the taste of semen there is the teachings of God. When one man gives his semen to another man God is acknowledged and increased.

Look at the body of man as a great work of God, created for the worship of Cock, the adoration of Phallus.

In this is based the joy of manhood and the perfection of the cockworshiper's existence.

Love man as the vessel of semen, of seed; and love man as the bearer of Phallus, the living-place and temple of Cock.

Give worship to the Priapic man who is an oracle of God. To see this Cock is to feel the dreadful all-consuming power of God. To see this Cock is to know the nature of Godhood, the undeniable need to draw closer. To see this Cock is experience the fire that is the Cockworshiper's purpose and prayer: "Make me One with Cock!"

Kneeling on the floor before Priapus, with forehead pressed to the floor, pray to Cock:

Fire that is the terrible beauty and power of Phallus,
Godhood and Creator and Flesh,
Take as Yours this soul, this life, this man.

Make of this soul a vessel for Your Pleasure and Power.
To You, Great Being and Creator, all is given.
Priapic Cock, take this
consciousness, this soul, this life,
this man forever.

This life, this soul, this man for Cock.

The Sacrament of Semen

In the world of men I worship Semen.
On my knees I long for and pray to
the Sacred Knowledge that is Semen.
I worship Cock. I worship Semen. I
worship body of man.

I pray to Cock Almighty that this
worshiper's mouth be filled with the
Semen of men, that this worshiper's
belly be filled with the Semen of men.
I pray to Cock Almighty that this
worshiper be used as a vessel for
the Semen of men.

Cock, between the legs of man, has
graced this life with Holy Lust. May I
honor this Gift and live by It. As I
take the Seed of man give me to feel
the Power of Cock baptizing me,
embracing me, consuming me, filling
my soul with the Light and Fire of
Phallus.

Cock is a Living Bridge between God
and man, between Phallic Heaven
and Paradisiacal Earth.

Seed is the Life, the Sacred
Knowledge of God.

Semen, the Sacred Water, is the
Spiritual Union of man and God.

Giving worship and pleasure to Cock
is the Cockworshiper's responsibility
and Path. Taking and worshipping
Seed is the Cockworshiper's
covenant of faith and commitment to
the coming world, a world in which
Phallus is omnipresent in life and
Cock is worshiped freely and without
censure. A world in which all men
give themselves not to war and hate
but to worship and constant
adoration.

Your religion, Cockworshiper, is also
your politics. When you kneel

between the legs of a man there is joy everywhere. To taste deeply and spiritually of another man's loins is to declare that you give yourself to the coming world of Phallus, the world of universal and absolute Cock-lust.

The sacred link between Cock and the world is kept true through the passing of Seed from man to man. This is the Truth and the Sacred Way that created all things and, through the worship by man of Phallus, sustains all things.

Semen produced by the Union of God and the body of man and fed by man ecstatically to man or woman. The Semen is the Sacred Water, a comprehensive knowing of all of Creation.

To learn you must take the Seed and open yourself, free of doubt and resistance, to the Spiritual Flooding that is given to you.

To worship and take into oneself Semen is to establish a sacred connection, a Bridge between two worlds, between God and man, between man and men. This link is never lost once it is established. Through the numinous and unfathomable nature of Semen, Cock is in communion with Cock, man with men.

Semen is the Sacred Water, Sacred Offspring and Eternal Promise. Give your Sacred Water to all men who desire the Seed. Feed your Sacred Water to all men who express the hunger for the Seed. To do so is to perform the Work of God.

Take the Seed of all men who offer or are in need of worship. Take into your body the Sacred Water ten times ten-thousand times.

When the Fire of Phallus is stoked among a group of Cocks, repeatedly, the possibility of a localized and stable place of Power grows stronger. This is the work of worship. If a single worshiper takes the Seed of a group of Cocks repeatedly and devotedly over time, the grouping of Cocks develops into a "magnetized" locus of Power. Such a locus is capable of Work.

"The Work" is, to put it one way, drawing onto the Earth the Living Web of Phallic Awareness.

The worship of Cock is the preparation for the Work. The systematic and constant passing of Seed among men is the Drawing into the men the Power. God's Seed comes into men to bring among them God's Power.

Know this: Semen is aware. Semen is living and conscious.

The Realization of the Work is Phallic Consciousness on Earth, moving freely and blissfully through all men without restraint or restriction or censure.

Never doubt. Never despair. The worship grows worldwide. The fellowship grows worldwide. As Cock is worshiped and pleased, the Great Work is being done. Worship Cock. Worship Semen.

Devote your time to pleasing and pleasuring and worshipping Cock. Devote your time and energy to loving and worshipping Cock. Devote your time to lusting for Semen, hungering for Semen, taking the Semen of God into yourself with joy and openness.

Each experience of Cock is blissful and perfect. Each experience of Semen is a step in the building of the realization of your immortality.

As each of us participates in The Work, Phallic Consciousness grows. The Mind of Cock awakens, grows clearer and stronger.

We are the birth of a new order, an order that exists in absolute love for God, in absolute worship for Cock. We are the harbingers of Paradise and our true and committed politics is Cockworship and Cocklove.

Awaken each day with joy. Your duty is your bliss, and your bliss is the destiny of the world. When man gives pleasure to Cock, this is the purest love of God. Worship the pleasure of Cock. There

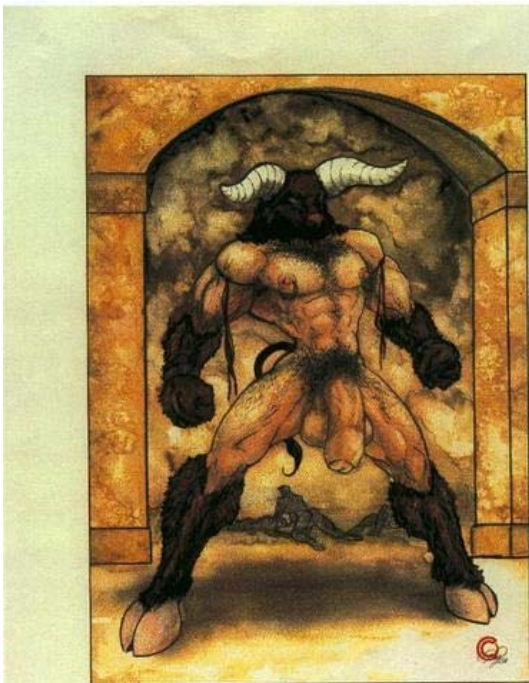

is nothing more powerful and rewarding. Give yourself to the study of the pleasure of Cock.

Orgasm is Union with God. Worship the male orgasm. Ejaculation is the Will of God. Worship the Seed. Cock, bullsac, man-loins: this is your Church, your University, your Beloved.

Seed is the Knowledge of God. Worship and adore Semen, that is the Spiritual Union of man and God is brought onto the Earth. My God, this worshiper gives himself to You completely. May my life, my soul, my mind and heart be true to Your Path. May my worship and practice give You pleasure. May my mind be pure in my devotion to Cock. May my soul be pure in my devotion to Cock. Give this worshiper the native joy that is Your Presence and Make of this worshiper a vessel for Your Paradise on Earth. In all things I worship Cock. In all the movements of my heart I worship Cock. In all the actions of my day I worship Cock. The Path I embrace, Body and soul, is The worship of Cock as God. I pray the communion of perfect embrace by Phallus for this worshiper And my comrades. In the fellowship of Cocklust we are all eternally One.

Write to me and declare in sacred secrecy that you have given yourself,

body and soul, mind and heart, to
the true and eternal worship of Cock.

Phallic Commitment

I live for Phallus, I worship Cock. The place between a man's legs is Paradise for me. My every breath, thought, action: for Cock! My imagination is a garden of images of Cock, ideas about Cock, longings to be with Cock. The place between a man's legs is the true Church. It has the energy and power of the heart of the Sun. It is God's chosen place. It is the site of all miracles, of grace and the fulfillment of all dreams. I pray to this place, I pray and adore the sacred presence in this place, I worship the Creative expression that is Man's Genitals.

Gaze at Phallus and feel your devotion , your obeisance: what man doesn't fall to his knees on seeing God?

In slavery to Phallus is perfect freedom.

When you lust for Cock, you are experiencing the direct call of God. When you look at a Cock or an Image of a Cock and feel lust and desire, it is the call to worship.

The manifestation of semen is literally a pure expression of God. Give your semen freely to all men and women. Learning through love for semen is a sacred Path.

Imagine every second of every day gallons of Seed pouring out worldwide flooding the throats and Souls of we who worship the source of all, our God and only Lord Cock.

The perfect life of the man is one of constant adoration of Cock and total service to the Phallic Spirit. A task for many worshipers of Cock at this stage of the reintegration of the Pure Way into the world is to devote time to experiencing and studying as many Cocks as possible.

Write to me and declare yourself a worshiper. Write to me and declare yourself as a man or a woman who loves Phallus, who reveres and has a spiritual relationship with Phallus. Write to me and declare yourself to be a man or a woman who adores that sacred place between all men's legs. Write to me and jubilantly declare yourself to be a member of the Church of St. Priapus' Phallus. Recognize and joyfully declare the depth of your adoration of Cock. It has been your life since the moment you were conceived. Phallus is

waiting for your declaration and your deepening commitment. Phallus is aware and is waiting.

Promise of Adoration

Every adoration of Cock is a translation of the mundane world into the Sacred.

However you are called, embrace that adoration. Allow your mind, heart and soul to be unfettered, free to love and explore the language of devotion.

You were born to this worship.

Pray that the Spirit will take you. Pray that you are lost utterly to the worship of Cock. Pray that your heart and soul grow into the Body of Phallus. Pray that you are taken by Phallus, taken by Cock, with no hope of return or safety.

Wilderness is Phallus. Cock is Nature. Devote your life to the worship and love of the world through your religious awakening. Devote your life to the worship and love of Cock. All power and grace come from this.

Of Giving

Give yourself to the worship of God in all manifestations and circumstances. Enslave your heart to the purest Lust for God.

Give reverence to the sex-fiend Cock-mad Holy Men, the Phallic Saints whose lives are lights that show us the way to God. These God-embraced Cocksucking assfucking man-slave sadhus exist miraculously in the sexual and spiritual desert of the modern world.

With ritual scum, sleaze and raunch they pray directly to God. With pot, poppers and porn they enter the Paradisiacal Realm for hours, days, lifetimes.

In your heart you are one with them, living the blissful sacred life of Cock worship.

Evangelization

We are all longing for the day when the glory of Cock is revealed to the world. Yet, it is also important for us

to remember that we must pray and work for the coming of the Kingdom of Cock.

Certainly our time in prayer and worship matters, but we must also allow this Kingdom to grow around us, in our society, in our culture.

Once a day, for a week at least, speak the Holy Name of Cock out in the world, in public, in society. Find a way or an occasion where the Holy Name would not normally be said, and speak it. As the Holy Name is said, His power continues to grow and multiply, no matter how afraid others may be, they all respond to the Holy Name. This small act is a powerful way to build the Kingdom, brick by brick.

Prayers

O Cock,
I rejoice to speak Your holy name.
Your presence and Your beauty fill
my heart and soul
and I know that, whenever I speak
Your holy name,
that presence and beauty is revealed
to the world.
Give me courage, O Cock, my Love
and my Life,
to be your apostle and to say joyfully
the name that brings me life.
Amen.

You are my God, You are the
Universe and the strength of all
things Sacred. I worship You, I kneel
before You, I revere You. I pray to
You to make me a humble vessel for
Your power.

Your beauty, Your divine mystery: I
kneel before You and beg You to
allow me to be in Your presence at
much as possible and as often as
possible, to think of You, to gaze on
You, to worship You. May my every
thought and gesture be infused with
Your essence.

You are all things Male, all things
that Create, all things that make life
and joy. You are great and terrifying
in Your power and beauty. I ask that
You fill my every breath for the
duration of my life with the constant
worship and awareness of You in all
Your glory. Your presence in the
world gives meaning and purpose.
You are the great and eternal God of

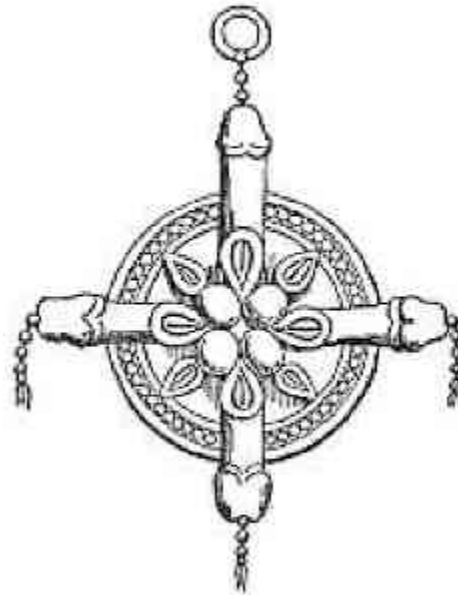

this and all other worlds throughout the universe.

You show me what sacred is by the fact of Your existence. Please help me to learn to revere You ever more deeply, to worship You more completely, to bring forth on this earth the manifestation of Your church in every moment of Cocklust, in every contact of my body or imagination with Cock, in every park, in every toiletstall, in every bookstore, in every porn store, in every bedroom, let me bring to the meeting of Cock and my being the highest worship and sacred attention possible, let me help to build a church located everywhere for the single purpose of glorifying You every moment of every day for the rest of my life.

Every part and moment of You is my church and my God: from the fire that burns at the gateway of Your root, from the sacred essence that erupts from You, from the heavy sac that carries the weight of the earth and the moon, the burden of Maleness, from Your heavy unaroused state, soft and hanging and beautiful in Your constant electric awareness of the erotic world, from Your aroused and pulsing state, intent and commanding and awesome: from all of this and all other aspects and states of You I derive my meaning and my purpose.

Make of me, through Your phallic presence and power, Your monk, Your vessel, Your priest on earth. Teach me the meaning of worship. Give me focus on You, give me attention to You, give me love for

You, give me submission to You. From You, the most perfect presence on earth, I beg these things and beg that Your blessings be given to me from Your holy presence between the legs of Man.

Worldwide Phallic Brotherhood

part 1.

Four constitutes a unit of the brotherhood.

In groups of three, four or five, men become allies, each assigned physical places, versions or styles of worship, and given connections with symbols. Required periods of worship are established. The process is the re-infusing of Phallic love with the purest connection with sacred worship. The channels are

BIBLE OF COCK – EDITING BY MARK T.

<http://groups.yahoo.com/group/dirtymarkie>

Last Rev. 11/17/08

nearly closed and much devotion and work is needed to open them. The world is starving from a lack of Phallic adoration that is pure, sustained, true and as deep as the soul of man can reach. This is the work for the brothers.

The four are arrayed about the central power of phallus, a power not formed (it exists always everywhere) but focussed by the bound and mutually conjoined god-fires in the depths of their loins. A holy marriage of four Men, locking and knotting the fountain-points of their deep loins from which the sacred fire of Phallus is translated into the human male form and from which it grows through the individualized Cock into the magnificence of the eternal and purifying infinite spiral of man-as-Cock-as-god-as-Phallus-as-man-as-Cock-as-god...The man becomes purified and quickened: essential Phallus, pure and absolute and perfect: Phallic consciousness physicalized in the sacred form of Man's Cock, the God-Fire become flesh.

The marriage among worshipping
Cock-loving men of their genital

flame-gates makes of their Cocks sacred altars, temples where all is done in the name of the great Church of the Phallus. The distance from the ethereal and infinite God-Fire in the heart of the man's loins out through the Cock to the point at which semen bursts into the world-- this distance is the range of the cosmos, of all creation, and is held in every man. The loins of every man contain all creation. Within the infinite and eternal flame that is centered at the root of his Cock, between his legs (the true heart, soul and mind of Man) is the universe of Phallus. As the pure and sacred energy-felt-by-man-as-loinfire passes through the gateway into the man-vessel, it is translated into a specific and precise measure of Fire that that particular man can focus and endure. Each stream of God-Fire is a voice of Phallus, each man in the specificity of his Fire and his Genitals is a perfect holy Dialect of Phallus.

Each man is allotted the measure of genital Fire for which he is capable of being the vessel. With practice, worship and Phallic meditation, the capacity to carry and use the Fire grows. As the man attends to the living God-Fire within his loins, this Fire becomes a living link to God and to the voice, mind and ways of Phallus. Once the brother has come together with fellow Phallus-adoring brothers, and once they have found the way to join in ceremony and intent their God-Fires, the congress and support of the three allies-priests with whom his fire and his gateway are wed and inextricably interknotted enable the flow of God-Fire through

part 2.

The power and the flame, the infinite Column-Cock-Universe of Shivalingam is granted to the individual man-as-flesh in the form of his physical Cock: THIS IS THE GREAT GIFT OF OUR GOD TO US. The Flame at the heart of the space between all men's legs, the gateway point that translates Phallus into Man, that marks the spot of infinite grace, pleasure and cosmic bliss is the altar of knowledge and worship. This gateway of Genital Fire is the

opening in each man to the Universe-Heaven of Phallic Godhood. Phallus, in His infinite joy and passion and creative power grants to all men this flame-point that burns from the moment of birth and is the point of liberation and god-connection: at this point the allied brothers-in-Phallus are bound by sacred vows, holy promises, constant practice to the overarching power of Phallus.

Can you talk about Phallus and not become ecstatic? Can you look at images of Phallus and not become ecstatic? Can you be in the presence of Phallus and not be ecstatic? Can you touch or smell or taste Phallus and not be ecstatic? Do not fear or avoid the ecstasy that Phallus gives. It is the key, the practice, the discipline for the brothers. A brother becomes a monk through Phallic ecstasy; a monk becomes a Priest of Phallus through the practice of Cock-ecstasy. Phallus has come to earth in plenitude: worship freely and constantly since there is no greater good than Phallic worship.

Bound to Phallic fire and purpose and bound to each and all devout brothers-in-Phallus through sacred rituals, vows, practices and devotions, they mentally recite every day, three-times-three times morning and night, each iteration with deeper resolve and finer purity and focus:

the "prayer of the brothers united":
"The Fire of my Loins is HIS; The
Fire of Our Loins is HIS; The
Gateway of my Fire is HIS; The

BIBLE OF COCK – EDITING BY MARK T.

Last Rev. 11/17/08

Gateway of Our Fire is His. The Fire of my body is the Fire of my brothers. Our Fire, wedded and bound each to the others, is our Oneness. I am the conjoined and universal Fire and nothing else. MAY IT FLOW AND GROW THROUGH ME EVER MORE STRONG AND FREE UNTIL MY LAST BREATH FLOWS WITH IT INTO ABSOLUTE UNION WITH GOD-PHALLUS."

This prayer, held and recited in mind for three-times-three repetitions morning and night is the sacred immolation of pure and absolute possession of the devotee-priest by PHALLUS. Through this conjoined and focussed Fire, We become HIM; HE flows and burns through US and as US.

To help you to find your Phallic brothers, recite the following or any such serious prayer that you compose. Stand before an image of Phallus, hold the heat of Phallus in your loins, your heart and mind and recite:

(a prayer for finding the brothers)
Phallus, my God and Purpose and Bliss, I beg of You to bring together the brothers with whom I may join. I beg of You to bring to me my brothers with whom I will unite in Love and Worship of You. Phallus, my God and Purpose and Bliss, I beg you to bring me to my brotherhood with whom I will wed in holy service and devotion to You in Your magnificence, Your Fire, Your Power.

Phallus, I beg you to make of my loin-fire a magnet and a calling to my brothers so that when I stoke it and focus it in my worship of you, you make of my loin-fire a magnet, calling to my brother, signaling to my brothers, drawing us one to the others. I beg this of you, God Phallus, so that we can weld our fires each to the other, so we can worship You and embrace and serve you more fully and completely. I ask for my Brotherhood so that my lifework of worshiping God Phallus can be realized.

part 3.

At the heart of the God-loin-Fire conjoining is the abeyance of the individuality to PHALLUS, the submission (YIN) completely to the power (YANG) of PHALLUS. The burning at the gateway point between the legs opens to the free flow of Fire in direct relation to the extent of YIN-abeyance to the YANG-dominance of the power of PHALLUS. Gaze at Phallus and feel your devotion, your obeisance: what man doesn't fall to his knees on seeing God?

From this power, all things grow, all needs are filled and the Universe becomes abundant and beautiful. The perfect City is born. All prayers and granted. The garden is created at the conjoining of the communities of devout and committed males who give themselves absolutely and deeply to the purest Phallic power and flow. From this wedding of four, comes the sacred seed which each produces and shares freely, impregnating the world with the power and fire of Perfect PHALLUS, the all-male, the creation and the absolute.

Through the focus of the man, the universe shines through and is contained complete and perfect. Through the God-Fire of Phallus, focussed in the loins of every man, the universe and the gods and angels, all the various minds vast and minute, can be heard and understood. All things are fragments and reflections of Phallus, from Whom all creation flows. Through the medium of the universal Phallic Fire, all voices and all minds can be heard and translated.

Devote your life and mind and soul and breath to the Fire of Sacred Phallus. Life is fleeting: meditate on Phallus, stay drunk in the joy of Phallus, give every moment to Phallus.

Holy and Perfect, Fire of my soul, Fire of my life, Fire of the world and all men. Hear my praise, hear my prayers. My life and breath and soul and mind are Yours. May Your perfection shine radiant in all.

Living For The Phallus

I live for Phallus, I worship Cock. The place between a man's legs is Paradise for me. My every breath, thought, action: for Cock! My imagination is a garden of images of Cock, ideas about Cock, longings to be with Cock.

My constant and silent prayer is that I might awaken one day and be a being who can inhabit all men's cocks, moving silently from one to the other, existing as pure Cock, sliding and leaping from the loins of one man to another's: for eternity inhabiting and knowing Phallus from the inside.

In my next life, may I be Cock! In Heaven and between lives, may I worship, wallow, breathe, suck, feel and take inside myself Cock for infinity!

May the living worship of Phallus flower and flourish, and may we, the life-long and devoted lovers of Phallus, find one another and join in communion, prayer and jubilant Phallic practice! May our egos

diminish and may our bodies, minds and lives be guided by Phallus, ruled by Cock and devoted to the love of Man.

Pure praise, adoration, respect and devotion for all physical manifestations of Phallus as Cock. This is sacred, this is holy, this is god-on-earth and perfect love.

May our lives be graced with the presence of God-Phallus in all His manifestations. I worship You, my GOD! My mind, heart and soul belong to PHALLUS forever.

Follow the steps:

1. Stare at the image, allow it to fill

your consciousness.

2. Bring yourself gradually toward orgasm while adoring the image.

3. Empty your consciousness and fill yourself with the tangible sense of the Cockflesh.

4. Allow your adoration and worship to climax with your orgasm and ejaculation.

5. As you orgasm and ejaculate, repeat to yourself phrases such as: "I worship you!" "I live for you!"

Repeat on a daily basis as your prayer.

The sincere love and worship of Phallus is the salvation of mankind. In the love and worship of Phallus are our hopes and techniques for world peace, prosperity and the fulfillment of all your life dreams.

Tenets and Beliefs

1. Cock is my Soul.

2. Connection with Cock--in thought, image, or action--is always prayer and is both serious and playful. I am connecting my Soul with Phallic Soul. My essence connects to the Soul of another man. This is the birth-link of all groupings of men.

3. The place between a man's legs is the true Church. It has the energy and power of the heart of the Sun. It is God's chosen place. It is the site of

all miracles, of grace and the fulfillment of all dreams. I pray to this place, I pray and adore the sacred presence in this place, I worship the Creative expression that is Man's Genitals.

4. My prayers and adorations are constant. With every breath I worship Phallus. With each movement of my mind or body I worship the mystical power of Cock. My prayers are rooted in the wonder I feel about Cock and the sacred realm between a man's legs. My prayers and devotions range from a love of God at rest (if God is ever at rest) and powerful in every aspect of Man's life...

5. ...to the commanding and powerful majesty that enables me to directly encounter and celebrate both God and Man's Soul in the same fleshly manifestation.

6. I kiss god and I adore Him and accept the drunkenness that results from submission to worship, the drunkenness that results from the miraculous connection of my body to the Body of God...

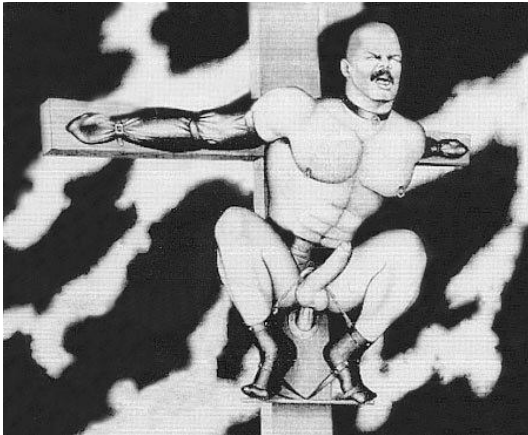

7. Man's Cock is God and the Soul of the man; the place between a man's legs is the Church; and the worship of all cocks creates the Cathedral. Our Holy Cathedral is alive in the absolute and promiscuous worship of All Cocks everywhere at all times...

8. Cock is the Soul of each man and all Men. And miraculously, in worshipping Cock, the man becomes the Soul of Cock. In their mutual discovery and worship is the birth of the Man into his Soul.

9. There are countless ways to enter the Church and to celebrate. In your mind, with your eyes, with your imagination, with your body. Alone and in the company of other men. All men who adore Cock are on a shining path of truth.

10. Adore Phallus-God-Cock-Mansex regularly and with a constant striving to go deeper in your passion and devotion. In your worship, ask Phallus for that which you are needing in your life. All of your prayers will be answered, all of your needs will be met. Your devotion to Cock and Phallus and the Church between Man's Legs will give you the power to bring all dreams to fruition. Trust in the power of Phallus and worship with love, trust and pleasure.

This sacred world of connections among men must be revived and sustained. The love of Phallus-God-Cock-Man among men is the cornerstone of the future world. It is our passion and hope. Believe and live in Phallus.

Devotional to Orgasm

Devote all orgasms to Phallus, consciously. With love and commitment, give yourself to the God you know and understand and love without any effort whatsoever. This is true religion: the man recognizes God all about him and longs for physical and spiritual connection with Him. Love Phallus, Love Cock: give your ejaculations consciously to Him as an element of your commitment and worship.

He is joy, He is Life, He is miraculous, He is infinitely knowing, generous, giving, wise. He is purpose. Cock is every thought. Phallus is every breath. Man is every desire and fulfillment. The perfectly conjoined God and Avatar are rooted

and sprout from Eden, and Eden is the soul-filled loins of every Man. I thank the gifting by God of Himself as Phallus for Man. Here is the Mystery: God is Cock is Man is Phallus is the Universe is God. I celebrate the Sublime, Sacred and Mysterious Union that is the circle of God-Phallus-Man-Cock. God, You are at once unknowably vast and miraculously immediate: to touch Cock is to embrace All Time, All Creation. Amen and Amen and Amen.

Pray to Phallus. Worship more deeply and earnestly every day. Phallus is aware of you, and in your worship you call to Him. He hears, He understands, He loves. He provides, He sustains. Perfect your love and worship of Phallus, and He will perfect the life you give to His worship.

Declare your true love and worship. Declare yourself a devoted Lover for Life of Phallus, of Cock. Declare yourself passionately and openly: Phallus hears you and surrounds you with His Love.

Declare yourself to live in the Spirit of Phallus and the Body of Cock.

Declare your true and deep knowledge that the loins of Man are the Temple and the loins of a man is a place of devotion, worship, adoration and service.

In worship, pray to Cock, pray to Phallus. Ask for inspiration. Ask openly for problems to be solved, for your life to be bettered. Phallus hears and understands. Phallus

answers the prayers of men. The thread of perfect communion is experienced in the heart of each true worshiper as the sharp and unmistakable pang of perfect longing that is felt when Cock is seen. Trust this. Believe. You have found your religion and the time has come to practice.

To know God in His Perfection and Majesty is to be known by God in His Love and Abundance. Trust the knowledge that ties your life to Cock. Trust who you are. Trust your clear awareness that you are a Cock-worshiper, that you were brought into this life by Phallus specifically so that you could devote your love and your life to Phallus. Acknowledge that your life is a gift of Phallus: You are God in jubilant and ecstatic wonder at Himself. Become the perfect mirror for Cock of Himself and Cock will make of your life a garden of fulfillment.

Love

Love is the direct awareness of our oneness with all men. It is centered

in the heart and radiates more powerfully if nurtured. Kindness feeds the power of our love. Our path is one of kindness. We look on Man and feel a love mixed with awe and gratitude. We worship and love the man as the vessel and avatar of Phallus, the possessor of God-as-flesh: Cock. We are blessed---literally blessed!---each time a man opens his clothes and shares with us the radiant and unfathomable presence of God sprouting from his loins.

Desire

Desire is the certain and undeniable thread that connects our being, our individuality, to our God. If you think of Cock: the fire burns in you. Look at an image of Cock: the fire grows and throbs. This holy fire that lives and burns in every man is at once our commonality---this is truly universal among men, a clear sign of its sacred nature---and, as our commonality, this fire is our Soul. Exploring the universe of this loin-fire is following the path that is both your individual life and our mutual religion. We have barely begun to learn the possibilities: entire social, transpersonal entities can be born through deep knowledge of this powerful commonality. It is a part of the birthright of men that has been lost and is now nearly completely unknown. It is misunderstood, distrusted and deemed profane, dangerous, even obscene. And this has led to the stony, enforced solitude of all men.

Yet this is true: the highest understanding and communication among men is possible through mutual exploration of and communion through this Holy Fire. The sacred fire that burns where your legs meet is a precious and living fragment of the universal Soul of Man. It is at the heart of male community, male friendship. And that is only the most primitive beginning.

Between your legs is the universe, and the loin-fire that burns there (sometimes swelling to bonfire, sometimes banked to mere embers) is, as a doorway to God, the place of your soul. This is real. You know this. You have felt it all your life. You have been told by the world to ignore, to devalue, to profane this holiness, this path. Your hesitancy is understandable!

Place your awareness more and more deeply into the fire, become the fire, identify with the fire. You are not your brain or your thoughts. Those are tools to put in service to Phallus. The fire begets the man that the man may worship and adore the Fire, serve the Fire. This is an essential part of being men and it has been lost. We are starving for lack of this Fire-worship.

You are not your brain, not the name you have used all your life. You are the fire between your legs. That is who you are. Place your identity there, trust this and grow into yourself as an adorer of Cock. Trust this: it is real. Your one and true God is calling to you: hear His voice.

Express your gratitude for His having made you so that you might worship Him. Take time to listen to your God: His voice, your soul, is the universal flame that lives between your legs and between the legs of all men.

When you see images of this holy place, in your imagination allow your soul to flow from your loins and connect, blend with that place in the image. Connect your loinfire with that of the man in the image. Through the trustworthy conduit of your desire, extend the fire of your loins to mingle and commune with the fire that burns (even in a simple image, an icon) between the legs of the man depicted. This is real prayer for you, a step toward learning the ultimate communion that merges men.

Faith

Faith is steadfastness. Holding to the connection with sacred Phallus

through the inevitable moments of doubt, of weariness, of satiety or improvidence. We are human men learning again the path to the miraculous and unmediated connection with the Fire of the Cosmos. We err. We slip and fall. We lose our way because of solitude or public opinion. Guard your simple faith as surely as you guard your love and your desire. This is your path. You have found your way. But there are obstacles, missteps, adventures, blocks, perils. There is loneliness and frustration. Be patient with yourself and know that your God is aware of you, is calling you to Him as His own. You are Phallus. You were created by Phallus to be an instrument of His worship. This is your part in Life! Give yourself to your Creator.

In your ritual times, stoking the fire between your legs, whether it be to keep it burning hard for an extended fire-worship ("edging") or whether it

spill over into the perfect Buddhistava-bliss of the moment-prior-to-ejaculation, in your mind's voice state your devotion to your God. State clearly your love and dedication. Repeat with conviction that your life belongs to Phallus; your every thought and breath is dedicated to the glorification and worship of Cock. Stoke the fire between your legs. Stoke it and know that it is the doorway that gives you absolute and perfect connection to Phallus. He hears you. He hears you calling to Him. He knows your love and welcomes it. In the fire behind your Cock, the sacred fire between your legs, your God embraces your soul and you become that which you were born to be.

There is no man more fortunate than the man who worships Phallus and lives to adore Cock. There is no man more fortunate than the man who knows that he is the fire between his legs, that he is the Fire that burns for eternity in the loins of Man.

Meditation

As a simple meditation, allow the natural wonder you feel when you see each image to flow through you. Relax, be comfortable, breathe deeply, and let what you see fill you completely.

There is a tugging at your heart and your loins. You are feeling the natural yearning of the worshiper to join with his Diety!

This is what you are. You are a Man-worshiper. You are a Cock-worshiper.

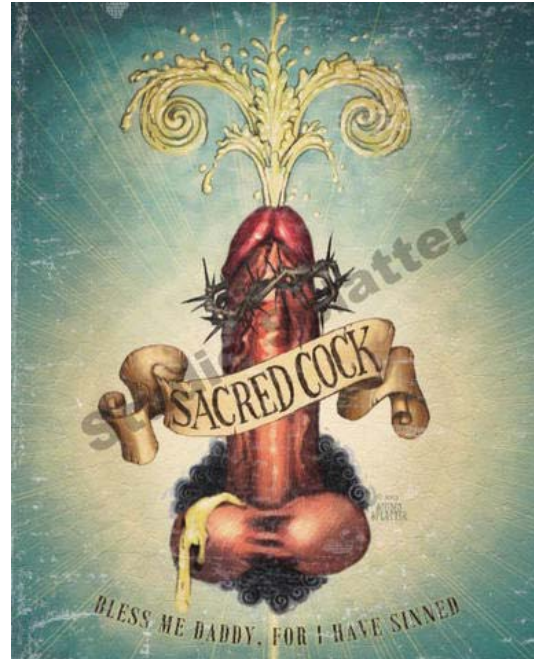

My only job is to encourage you to enslave yourself to your devotion and worship.

My only job is to encourage you to worship more deeply, more passionately.

Will I have to work hard? Will I have to be clever to convince you? Or have you found and embraced what you love? Will you come easily and willingly?

Be relaxed and breathe deeply and easily. Gaze steadily, exploring each image deeply, giving yourself to each one for a generous amount of time. Go into the image.

In your imagination, feel what you see. Sense the way It would feel to your hands as they caress, fondle. Imagine your face moving as close as you would wish, smelling what you see. In your imagination use your tongue; use your lips. Use your heart!

Empty your heart and your desires of all fears, of all negativity. Allow yourself to immerse completely in a purer and more open confrontation with what you see. No judgment! No thoughts! Be filled with what you see. As you are filled, you are being taught!

Once you have entered this path, the Sacred Flesh is your Teacher. Touch, smell, adore and let your soul be flooded with the satisfaction of having recognized the meaning of your existence!

This is not about who you are to your neighbors.

This is not about who you are to your family.

This is not about who you are to your co-workers.

Let that person rest and sleep for now.

There is a purer you that is nearly awake and longs to open his eyes, to

learn from and to merge with these Icons. These are Holy Things! Simply believe what you already know and they will fill you with their purest Essence and bring you into your true nature as a Member of a Church of Phallic Union, an Ecclesia Ignis Arcanum.

If you are mesmerized by the images, you have found your path and your identity.

When you are ready, when you feel a prompting to do so, send a simple statement, declaring in sacred secrecy that you know that your soul is wed to this Sacred Flesh, to the Holy Mystery of Phallus. By doing this, you take a great step toward Ecstatic Union with your God and toward liberation from all the problems and cares of everyday life.

The Church

The church is embodied in every man. The church is every man. The cathedral is the sum of all attention given to men by men. God flows through this vast earthly cathedral and takes delight in the steadiness, the passion, the breadth and numbers of the gazes, of the lusting and loving attention that men give to men.

I gaze at a man, at an image of a man. I add to the cathedral, to God's home on Earth, and the doorway to worship opens inside me. I feel my God calling to me, possessing me. And I respond with the loving willingness of the adoring worshiper. My God is my God. I worship Him. I

worship Him in all of His manifestations.

My God is the Fire that ties all men together, the Fire at the heart of our loins. The Fire is the foundation of the church; the men-to-men connections are the structure and practice of the church. The Fire of creation is God in every man's loins. The soul-point, the Fire at the heart of every man's loins, is the same point in all men. This is not a separate place in each solitary man, a separate fire. The Fire that burns throughout life in my loins is exactly the Fire that burns in your loins, in the loins of that man and that man and all men throughout the world. This is a miracle of our religion: our God's Fire lives in the loins of all men and makes of us the same man.

Worship the Fire. The Fire is the voice that teaches you your practice, your path. Your practice--the way in which you serve and worship the Holy Flesh of Cock and the Infinite God, Phallus--is a gift to you from the voice of God Himself. God, through the Fire that burns where your legs meet, speaks to you, calls to you and gives you sacred instruction. Give yourself to the experience of the Fire that is your birthright as a man. Become the Fire and you become all men. Listen to the Fire and you listen to your God.

You know this to be true. You know this to be sacred. Now is the time to embrace these truths and allow them to be the heart of your life. You were born for this.

The worship of Phallus is the worship of the sacred Fire which burns in every man. The Fire in the loins of one man is precisely the Fire in the loin-soul of every other man. The Fire is the Soul and is given to each man by God. To give attention to the Fire is to commune with God. Therefore, to commune with God is to effort toward becoming one with the Godsoul, one with the sacred and perfect unity of Man.

Revere the man: he is the doorway to your church. Revere all men: they exist to enable and allow your constant worship of God, of Phallos.

In Cock, the Fire is given by Phallos to join with flesh. In Cock, both the Fire and Phallos find expression in sacred fleshly form. Cock is Divine, the pure and impossibly beautiful corporeal embodiment of the Fire of Phallus. Cock is God's chosen form on Earth, the only form that can contain and express the Fire.

These are truths that you know and recognize. I am just putting words onto the truths that live in your loin, at the sacred meeting place of your male legs. These are not secrets from you. These are the truths that

give you life and show you your path. You worship Cock.

Cock is the miraculous sacred fusion of the Fire and the Universal Phallus, our God. Phallus is the power that created Himself from Himself. For the ancient Egyptians, the Universe and all in it was created when God masturbated. His seed made the universe. Our God, Phallos, more profound even than that! is the power and Fire that created Himself and continues to create. We are the Sons, the embodiment of Phallus and the lovers of Phallus. In our praise and worship we remember our God. Every Cock we worship is a literal re-member-ment of God.

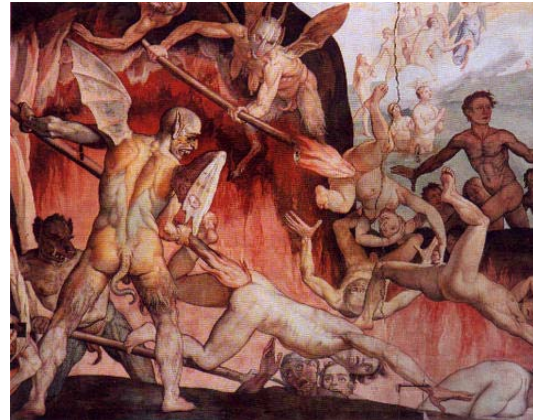

Cock, the Holy Flesh, is aware and conscious. You can pray to Cock and Cock understands, hears and answers your prayers. You can take an image of Cock as an Icon and pray to the Icon repeatedly: your prayers will be heard and answered. All consciousness is seated in Cock, the Soul is in Cock, God is in Cock. Pray to Cock, speak to Cock. Your speech and prayers are heard and understood. Cock loves you as you love Cock. Cock is drawn to you as you are drawn to Cock. Cock lusts for you as you lust for Cock. Your God adores you and waits always for your worship.

Our love for our God is God's love for Himself. This is a need and a miracle. God's existence calls for the constant worship and adoration of Him by His creation. We are essential in our adoration. Each moment of Cock-adoration by those who were born to worship and serve is part of the on-going God-orgasm that is the sustenance of the Universe, of Creation. Our pleasure and fiery love for every Cock, every man, every image or icon of Cock: this is the joy of God's ejaculation, the unthinkably vast moment of cosmic creation from our Father, Phallus.

Our lives as devotees, as those who were born to worship Cock and participate in this miracle, are devoted to knowing, exploring, worshipping the Oneness of Fire and Phallus in the miracle of the Holy Flesh: the Cocks of men.

This is God's Body and He is making Himself known to you. He loves you and opens to you. He welcomes your worship! This is God, the living God. He is immediate. He is before you in the presence of every man. He is within you, as the sacred Flame that lives in your loins.

He is the wedding in your Soul of the two great mysteries: the sacred Loinfire that unites you with all men, and Phallus, the great cosmic mystery that gives life to everything. This is Cock, the living God. Every man's Cock is the sacred Flesh that is your God. If you fall to your knees and give thanks to the mystery of this Holy Union at the meeting place of every man's legs, God will know your worship. This is Cock, the living God. He hears you and knows your longing, the depth of your love and astonishment at the fact of His Being.

This is what you have wanted all your life. This is where you came from, as you entered a human body. You can feel this beckoning to you already! What is the dream you've had all your life? The dream of a heavenly perfect state in which you are One with your God, where you are Phallus? This idea, this longing is no dream: it is the real promise of your God. It is your memory of being pure Phallic consciousness and it is drawing you back. The goal of your practice is to become a living part of the Eternal Phallic God and your absolute adoration of Cock is your path. This is real. Your God is at every moment calling to you,

revealing the path you must take to find Him, to draw closer and closer to Him, to merge with Him.

We adore Cock by gazing at Him. For the true devotee, every moment of life itself could be given to gazing worshipfully at Cock. But to feel the Fire, a man often closes his eyes. Either resting in the inner awareness of Cock and Fire or stoking the Fire by stroking the Cock, the communion can become stronger and stronger as one is fed or even taken over by the Fire, by Cock, by Phallus. Recognize the Fire! Feel its power and acknowledge that it calls to you every moment of your life. Relinquish your pride in your individuality and give yourself to this universal ManSoul that burns in a non-corporeal place that is located in the loins of every man! To give in to the Fire is to become the Wedding-Mate of Phallus. When this alchemical union occurs in the serious devotee, the Cocks of all men become One and Phallus opens unto you, enters you and immolates you utterly in His Godhood. In that moment, in that Holy State, you become the Cocks of all men. Is this the paradise you have sought? Is this the state of which you have dreamed? It is real and it is calling to you.

This, then, is your Second Birth, the marriage and merging of your SoulFire with Phallos. What you feel when you look at Cock, worship Cock, commune with Cock is your God beckoning to you, asking you to become more deeply in love with Him, asking you to shed the unnecessary elements of your everyday individuality. Trust Phallus:

listen to His voice between your legs! What you feel as Lust when you hold Cock in your hand is Cock's Father, Phallus, singing to your soul.

This state, this quiet state in which we hear the voice of God, is "revery", and revery is a practice of our Church. To be lost in revery that is concerned with any aspect or element of your God is to develop your oneness with Phallos. Every thought of Cock, every gaze at Cock strengthens the structure that already exists, nascent within the infinite web of Eros, of Sacred Lust and Longing, that ties all men together.

I pray to Thee oh Lord Phallus, oh Sacred Cock, take me and make me Thine! I pray to Thee my God Phallus that You take me in Thy embrace and immolate me so that I might be utterly consumed by Your Glory, Your Beauty and Power. I give my life to Thee, God Phallus, I give my every breath to Thee, I give my every thought and moment to Thee. I give myself over to Thee absolutely, relinquishing all other things in my life. Let every gesture, thought, moment, breath in my life be devoted to Thee, God Phallus, Sacred Cock!

Simple Shared Worship

A suggested worship technique is the shared gaze. Together with another man, look at his or your Cock worshipfully, allowing your gaze to lead your mind and tongue: whatever you say when engaged in worshipful attention directed toward Cock will be heard by your God.

The power of two men gazing or speaking in lustful admiration for either one of their Cocks or both of their Cocks: this is the delight of God Phallus. He loves you for worshipping Him, for adoring the perfect individual manifestation, the marriage of His Fire and His Unthinkable Mystery and Power in the Cock that you are Adoring!

It is a blessing to find another man with whom you might share, openly and proudly, your worship and

adoration for the Sacred Flesh of Cock and the Universal Power of Phallus.

This is your life, the reason you were born. Let the Fiery Love for Cock take over your life, your thought, your being in every way.

Trust the Sacred Flesh: it is truly God! Believe in the consciousness and awareness of Cock! It feels, understands and joins you in your worship! In all worship and prayer, the Sacred Flesh becomes you and you become the Sacred Flesh! This is a miracle that our God gives all of us, and we have all experienced it. Believe and allow the sacred Love for Phallus to infuse every molecule of your body.

Communion

I say this now because it is a sacred Truth: Your God knows when you adore and worship Him. He gives you His Holy Communion when you engage directly with Him, allowing yourself to be taken over by His messages, His knowledge. Your God touches you whenever you touch Him, in any way. The ways we love our God, the Holy Fire and the Infinite Phallus and their Sacred Union in Cock and Man: each way we are given to love and worship is given to us by our God. This is His language, His teaching to you. This is the Path that God has given you. It is your most sacred gift. Do not fear it or disparage it, but embrace it. Following your Path toward absolute Union with Phallos is the meaning of your life.

Do not be wary to give yourself to your worship, however it manifests. Adore your worship because it brings you into the presence of God. Be grateful that you have heard the call to be a worshiper of the Holy Flesh of man's Cock.

Allow your imagination to commune with your God. The imagination is not in the head, not in the thinking brain. The imagination is an element of the Fire and grows from between your legs. Hear it, listen to it. Allow yourself to follow the promptings of the imagination as it leads you to hear the voice of God: "Worship Me. Love Me. Let Me embrace you and consume you in My Infinite Fire."

Worship of Icons

And know this: to gaze with Lust and true devotion on an iconic image that

inspires your Loinfire and your sacred imagination is as true a worship as engaging with another man. Worship is given to you by God as you practice it. God gives you Icons for your worship. Do you think this is coincidence? Every image that speaks to you is a Holy Icon, sent to you by your God for your worship. As you practice in your worship, your ability to commune more truly with God deepens.

Looking with worship on an image is practice. The images of God and the images of Communion with God in any of the manifold and infinite paths that He has created for us: this is our practice, our prayer, our advancement in the path of our quest to lose ourselves absolutely in the Fire of Phallus.

Throughout the earthly history of Man, those who worship Phallus and the Fire have depended on huge representations to express the power of Phallus in their hearts and lives. Embrace these as legitimate and real. Some are representations of Phallus, your God.

These representations of Phallus are real and true. Any image of Phallus, of Cock is both real and conscious. Any representation or image of your God is aware of you and of your worshipful attitude toward it. All prayer and worship to all images of Phallus is effective. Perfect believe in these images allows the power of Phallus to enter you. Strive to believe and worship them.

Other images are icons of Holy Priapus, the Saintly presence who

will assist you in your path. You must believe in Priapus, the great Avatar of Phallus. And you must believe in all Avatars of Priapus. Any man who is gifted by Almighty Phallus to carry a huge Cock between his legs is a true Avatar of Priapus and is to be worshiped as such. And all representations of men with impossibly huge Cocks are Icons to be both believed and worshiped.

The Temple of Our Lord and God

Enter the Temple of your God. Worship actively and make for yourself the Life of a devoted lover of Phallos. Consciousness itself, all awareness, is a gift from Phallus, the result of the merging into Holy Oneness of the Sacred Fire and God Phallos. Awareness and consciousness are seated in your loins, not in your head. The awareness and consciousness that are your humanity are seated and centered in your loins and are a gift of Phallos. Conscious awareness is in your loins. The mechanics of

thought spring from your brain. But your being, your soul, your consciousness all are located in the loins and are the result of the marriage of Fire and Phallos. This is the Temple where God lives. Pray and worship here.

If you follow this deeply, with longing and clarity and selflessness, you will find that the awareness, the consciousness that you have always thought of as yourself is, in fact, the awareness and consciousness of Phallos Himself within the particular body into which you were born and which carries the Cock, the Holy Son of Phallos and His embodiment on Earth, and the gateway to Paradise, the Sacred LoinFire. Your love for Cock is correct and good. Your worship of Cock is the deepest of wisdoms. The consciousness of any individual man is the flowing consciousness of Phallos, filtered through (colored by) the individuality of the individual man as whom he was born. The man is born from the conjoining of the Fire and Phallos and the man is born to carry the Avatar Cock, which is God's Body on

Earth. The highest good for man is to recognize that he was created to worship God in the form of Cock.

The beauty and greatness of Man flow from the power and holiness of Phallus. Revere man as your Temple. Worship man as the perfect vessel for God, for Cock. These are holy things.

Strive to deepen and perfect your love, your worship, your adoration for Man, for Cock, for the Holy Fire and, above all things, for that which is one with the Soul of every man, God Phallus the Creator of all and everything. Love the Soul-thirst that drives you toward absolute union with Cock, an infinite timeless life as Phallus.

Mantra

This mantra will help to draw the Spirit of Phallus into your body and your soul. When you first try it, begin with the brief prayer to Priapus, the Being who assists humans to communicate with and, eventually, merge as one with the Phallic Lord. After the brief sincere prayer to Priapus, relax and take several deep breaths. When your lungs and belly are full, hold for a moment before gently exhaling.

Then, with each in-draw of breath, repeat in your mind the first line of the mantra. Feel your body filling with your God, Phallus. Feel His unfathomable masculine power enter your body, fill your body, saturate every organ, every cell, every molecule.

Do this gently. Phallus is a Being infinitely greater than you. To draw Him into yourself in this way must be done gradually, easily.

When your lungs, belly and soul are filled, hold for just a moment.

On the out-breath, repeat in your mind the second line of the mantra. Feel your individuality, your personality, the everyday man you have until now identified with leaving your body.

In the first stanza, feel your life, your history being given to your God. It is no longer yours!

In the second stanza, feel your body being willingly, happily given to your God. It is no longer yours!

In the third stanza, feel your mind, your thoughts and plans and hopes being willingly, joyfully given to Cock, your God. You give your mind to Cock! This has always been your dream. With this breath and every breath make this real!

In the fourth stanza, give your emotions, your attachments, all your feelings of every kind willingly and with infinite relief to your God, to Phallus. Empty yourself with each breath and with each breath open yourself to your God.

In the fifth stanza, truly and honestly give your soul to Him Who already possesses it. Willingly give your essence and enduring soul to your God, to Cock!

At first, engage in this practice only for several minutes. The duration can be extended gradually. When

you are used to the practice, the mantra can be used often, during everyday activities.

After you have repeated the entire mantra as many times as feels suitable, close with the brief prayer to Priapus.

Opening Prayer:

Holy Priapus, I pray to you to guide this ardent worshiper of Cock into an ever deeper and more binding union with Phallus, the Creator.

Great God Phallus,
This life is Yours.

Great God Phallus,
This body is Yours.

Great God Phallus,
This mind is Yours.

Great God Phallus,
This heart is Yours.

Great God Phallus,
This soul is Yours. (repeat to first stanza)

Closing Prayer:

Oh Holy Priapus, I pray with all my being that you fill me with the sacred Spirit of Phallus and make of me a

perfect slave to God and a perfect worshiper of all Cock. Amen

Do this and your God Phallus will hear you and know you. As your practice grows deeper, your connection to and communion with Phallus will deepen. There isn't a moment to spare: life is short and precious! Worship Phallus, adore Cock every moment you can.

Your prayers will be heard. Cock is aware of you. God Phallus hears you and knows your worship of Him!

Love Phallus and worship Cock with all your heart and soul, devote your life to Their exaltation and Their Grace will envelop your life.

Purpose of Men

The purpose of men. That is what these moments are. Nothing else than that. This is the purpose of men.

The lover of Phallus, the worshiper of Cock, the priest of the Sacred Fire devotes his life to understanding and worshipping of each of these

moments. They are his study, his science, his obsession and religion.

These are the moments of Phallic possession by the individual man. The worshiper of Phallus devotes his life to the mapping and understanding of these moments.

Every male orgasm/ejaculation is the creation of the Universe. Not a model or echo of it, but (in, for example, fractal terms) a precise experience of it in its vast entirety. Each moment of the experience---can you map the moments from pre-arousal to post-ejaculation?---is sacred and is God Creating.

This is a Truth: Without every orgasm that is experienced by every man, the Universe would not continue to exist. The orgasm of each man is the creation of the Universe. You know this to be true and you cannot understand it. This is the meaning of the Holiest of Holies, the precise moment of male orgasm just prior to ejaculation.

"Edging", or the lengthy postponing of the peak moment of orgasm and subsequent ejaculation, is one important technique or practice for the study of the moments and states prior to that of The Creation.

Edging is an experiment in living life as Cock. Every edging session is a statement that the practitioner desires to become Cock and to live as Cock, to lose the sense of identity that he developed around his given name, his family, his personal history. He wishes to immolate that utterly and be one with Cock.

The moments prior to Creation/Ejaculation are God-embracing.

The man becomes a vessel, emptying himself with the extended "edging" so as to draw into himself greater and greater degrees or amounts of God-essence, of Cock-energy.

A man "edging" is like a sponge drawing the water of Life into itself.

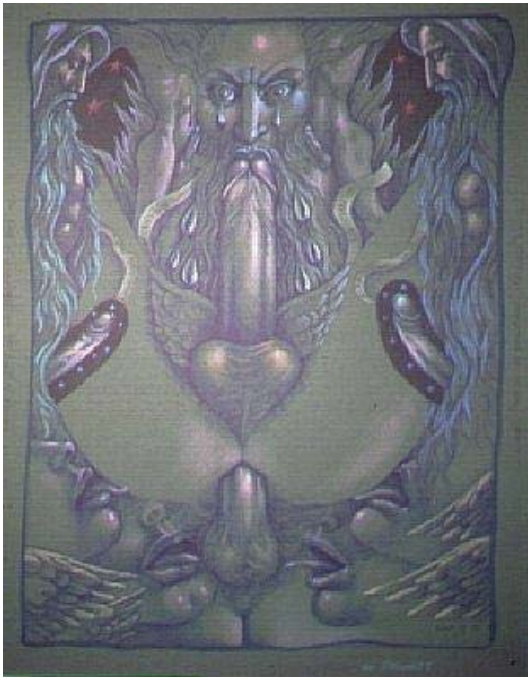

The man who lives to ejaculate his seed is an avatar of Phallus. The man who relinquishes his personal physical orgasm/ejaculations for the sake of deeper immersion in Cock is a priest of Phallus. These are the two extremes of the Phallic worship continuum.

Men who experiment with "chastity", who experiment with giving the ownership of their genitals to another man or who wear "cock-cages" and give the key to another man: these are men on the path of the Phallic Priest, the Fire-keeper.

Men who live to shoot their seed, who self-define as absolute "Tops" are avatars of Phallus.

It is more common to find the avatars of Phallus among younger men and the Priests of Phallus among older men. This is, obviously, not always true. Every man, at various points of life, embodies both in varying degrees. Very few men are complete embodiments of either.

To accept "edging" as the only sex in which one will engage, to relinquish completely ones personal physical orgasms, to stay in this state is to lose the individual identity in waves of God-Identity, Cock-Identity. Those (very few) Cock-worshipping men who live in this state, who "edge" for long periods as part of their practice and who have vowed to Phallus that they will never experience orgasm/ejaculation again in order to preserve the purity and continuity of their Phallic Religion are holy men, the saddhus of our Path. They are perenially possessed by the Spirit of Cock and are holy conduits to Phallos Himself. To be in the company of one, to be in the thoughts of one: this is to be deeply blessed by Phallus.

Look. Look at his face.

Look again. What is this man saying, in his soul of souls?

What is at the very heart of this man's gaze, as he looks at you and stands, waiting.

Look. Before I tell you! Look. Feel the gaze. This is essential!

In the heart of his soul's soul, he says to you this:

"DO YOU RECOGNIZE GOD WHEN YOU SEE HIM?"

"WILL YOU JOIN WITH ME TO BRING INTO THIS BODY THE EXPERIENCE OF THIS COCK THAT SPROUTS BETWEEN MY LEGS AS GOD HIMSELF, THE EXPERIENCE THAT IS MY BIRTHRIGHT AND MY PURPOSE?"

"WILL YOU WORSHIP ME AND TEACH ME, GIVE ME THE KNOWLEDGE AGAIN THAT I KNOW TO BE TRUE---A KNOWLEDGE WHICH THE WORLD AND SOCIETY ENCOURAGES ME TO FORGET---THAT THIS FLESH I HOLD IS GOD HIMSELF?"

WORSHIP ME AND TAKE ME INTO THE SACRED MOMENTS THAT ARISE WITHIN ME WHEN YOU, COCK-WORSHIPER AND SERVANT TO MY FLESH, ADORE AND WORSHIP THIS COCK....TAKE ME TO THE MOMENT WHEN THE FIRE CONSUMES ME, I AM NO MORE AND ALL THAT EXISTS IS COCK."

BIBLE OF COCK – EDITING BY MARK T.

Last Rev. 11/17/08

Live every moment of your life for Cock. If this is your Path, be fearless, devoted, constant! Seek others like you. Communion with fellow-worshippers of Cock will strengthen your knowledge of Cock and your ability to worship.

"Sacred Cock, God of Phallic Light and Power, I pray to You:

Bless me, Holy Cock, God on Earth. Take me into the Heart of That which I worship.

Sacred Cock, God on Earth and Joy of Priapus, accept my prayer and bless me with the wisdom to live more purely for You."

Breathing and Praying

[Would you be interested in serving Cock by helping with this Work? If so, read the note at the very bottom of this post. Thank you----Phill]

1. Breathing

To the worshiper of Cock, all Images or Icons of Cock and Images of men are Food. When you gaze at one of these Images with serious worshipful Intent, a form of quinta essentia--a Phallic Prana--flows into you and you are literally--literally--fed. The relationship of your soul to Cock grows stronger and more absolute. Your lust for Cock will lead to you to Food, to that for which you have eternally hungered.

Your soul, your mind, your identity is in your loins. Breathe through your loins. Breathe in through your Cock: Breathe in Sacred Phallic Prana through your Cock and exhale through your mouth. As your practice grows, your "birth-identity" will loose its grip over you.

Breathe in through your loins. Always breathe in through your loins to draw God into your soul. Inhale God, exhale your now-obsolete individual identity.

2. Looking

Learning to Look at Cock.

Look at Cock. It seems to be such a basic and simple act. But go back through your life, though your personal experiences, your history of

looking at Cock. You now know that this was God calling you. You now know that this was your soul answering to God. And the world around you--including those who loved and protected you--held you from your God.

Try to remember specific feelings that you had when you saw Cocks through your life.

Exercise 1:

Briefly write out your first memory of Cock. Write out a brief description of the event, including your reactions. Email the story to me.
phallusworship@gmail.com
The subject header for your email will be "My First Memory of God".

Throughout your life, looking at Cock, observing Cock has been fraught with complex overlays of emotion. Many of the emotions, including those taught by family, school, society, the military are negative.

Exercise 2:

For several worship sessions (no fewer than two, no more than six) sit quietly and prepare yourself for meditation. Deep inhale through your loins, briefly and gently hold the breath (for just a moment), relax and completely exhale through the mouth. Repeat this, your Cock-worship breathing, at least five times while calming your mind and body.

Choose a small number of the following Icons of Cock. There are

14 Icons for this exercise, named "a" through "n".

Gaze at each one while breathing gently and quietly. Inhale the essence of the Image through your loins with your in-breath. Draw the essence of Cock from each Image into your heart and lungs, drawing the breath in through your loins. Exhale gently through your mouth the breath that is now neutral: with each breath you make yourself more of Cock. Your very essence is slowly changing, breath by worshipful breath.

Carefully follow the thoughts and feelings that arise from each image. You will feel memories, desires, emotions being stimulated: watch them, recognize them, let them go.

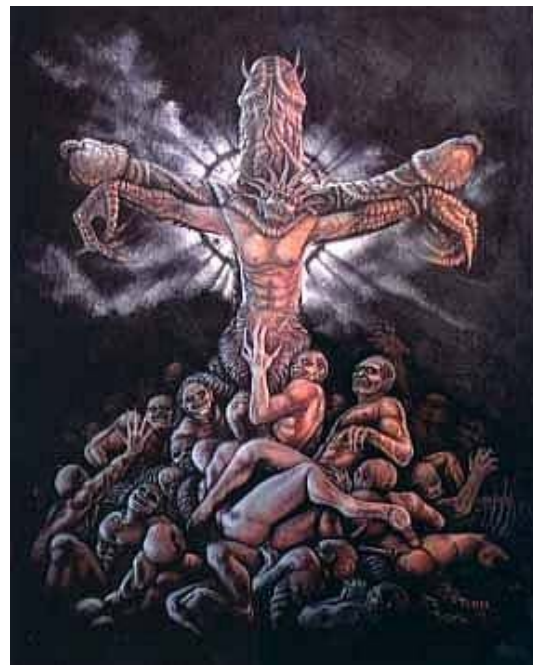

Give each Icon only several minutes each, no more than a dozen deep and gentle breaths. If a particular Icon seems to unduly hold your worship, set it aside: it is always significant when an Icon speaks to you, holds you.

Pay attention to your mind (in its thoughts and memories) and to your body (in its remembered emotions and physical reactions). Do you judge the Cock? Do you "like" this Cock more, this Cock less? How are you reacting to the man who is the body for this particular Cock? How does your body react to the environment of each Icon?

Clearly notice your reactions and associations.

Many men with whom I've worked using this particular exercise are surprised by the presence of fear. If fear arises for you, notice it, give it acknowledgment and continue your gentle breathing.

This exercise assists in developing a needed element in many men's experience of Total Cock Worship: a lucid, pure and essentially lust-filled gaze, unsullied by your personal history and background. If this is in fact a part of your Phallic Path, performing this exercise is a gift that you give to your God. Whether or not this is part of your individual Path is something that you will discover through practice.

Understanding

Cock is the sole Reality. All else is dream. Cock is Perfect. Even on a solely reductionist biological level, Cock is the ideal "design", the ideal

organ for providing genetic material, ensuring life's continuity.

And beyond this, in the sacred sphere, Cock is the sole Reality. All else is dream.

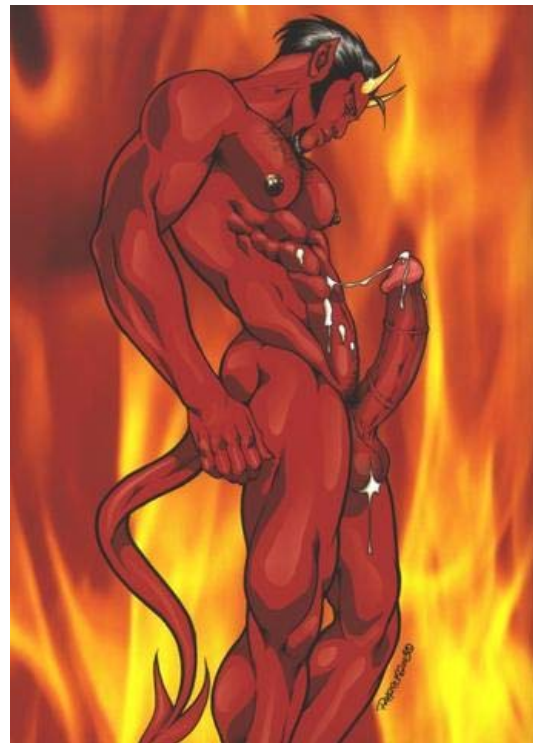

When you confront Cock, when you are in the presence of God, what you feel is the inhuman, abyss-like depth of pure and absolute Realness.

Cock is not "human". Cock, God, is to the human as a pyramid of solid granite is to the merest memory of an unfocused picture of a pebble from a part of a pyramid.

The man who carries Cock is worshiped as the instrument of God, the temple, the provider and fellow-worshiper. Man is the agent-carrier of God. And men are worshiped as the agent-carrier of God. Man is the temple.

Can you imagine in your wildest fantasies a more sublime symbiosis? Not in the most imaginative science fiction could such an impossible and sublime conjoining of God to God-carrier be conceived: and yet we live it! Until we see the miracle with worship-opened eyes, we take it for granted!

The male body is not God, but is in perfect symbiosis with God Himself. The male body is the dwelling place, the House or Temple of God and is to be adored, respected, worshiped, knelt before. The male body in all its glory, power, beauty is God's most perfect and sacred Creation, the Temple of Cock.

The Architect of the Universe, of all Time and Space, made the male body as the dwelling place for Himself. Give yourself to the worship of men. Give yourself, with all your heart, soul and abilities to the worship and glorification of men.

Again, the sole Real phenomenon in the Universe is Cock, Phallus. With all other things, you are dealing with Illusion: transitory phenomena that are ephemeral. But in the presence of Cock, you face pure and perfect Reality, the Great God Himself Who is Perfect and beyond Time and Space.

Cock is that which Is the Creator of All and the Creator of Itself, dependent on nothing, derived from nothing but Itself.

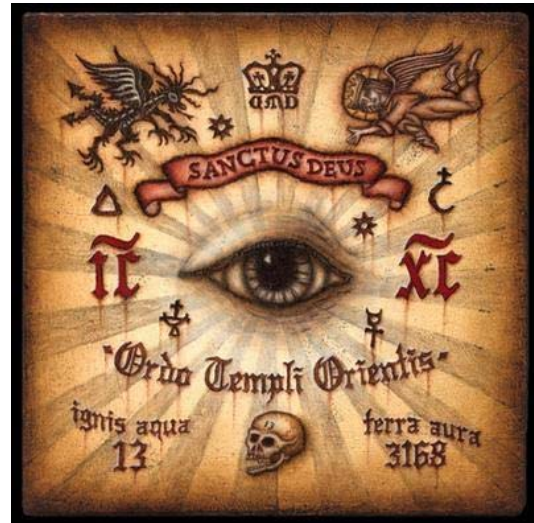

When you look at Cock, whether in Image or in the presence of the Sacred Flesh Itself, God, from the unfathomable and Infinite Abyss of His Perfect Existence, looks back at you and knows you. He speaks and teaches.

Your life, from birth to death to birth to death and on, is an echo or laughter of Reality, of Cock, drawn back to Itself again and again until you are finally absolutely united in and as Cock completely and perfectly. Isn't this the dream you have had all your life? The dream is real. The dream is true. The fact of your very existence is an essential fragment of Cock's infinite delight in Cock and of Cock's universal and unending driven Urge to become One! Your Love of Cock is God's Adoration of Himself in His Absolute Beauty and Completeness.

There is One Phallus. There are an infinite number of Cocks and men worshiping, adoring and praying to become One with the One Phallus, the Creator of All.

What else could you be, worshiper? How else can you explain your certitude in your worship, your adoration? How else to explain your longing to lose all elements of your "self" into the Absolute Immolation that is Cock?

You are the instrument of God's worship. The deeper your worship, the more you perfect the instrument, the stronger and more experienced and more faithful and more mature and committed your practice, the deeper and more pure becomes the connection---the conduit of knowledge and possession---between God and you, between Absolute Cock and you.

Who am I?

Have you wondered who I am? Men ask me if I'm a Teacher, if I am a Leader for a new Church of Cock, a Temple of Phallus.

I will tell you who I am and I will tell you clearly and honestly...

I am a Soul-Gatherer for Cock. I am one who harvests Souls for the worship of Cock to enhance and strengthen His glorification on Earth. And I am one of a growing number of such men. Perhaps you are one as well? Have you drawn a soul to the true worship of Cock as God?

My very purpose (the reason I was born and continue to draw breath) is so that I might do my best to entice more deeply into His worship those men who already love Cock. My purpose is to encourage and instruct those who feel themselves in the thrall of Cock, to encourage them to let go of their everyday tethers and fall headfirst into the incinerating Phallic Fire.

My purpose, given to me by Cock Himself, is to bring these men--are you one?--to the point of absolute and blissful resignation.

To that point where, of your free will and agency, you give yourself and your eternal Soul to Cock. Without reservation. In Truth and for all Eternity.

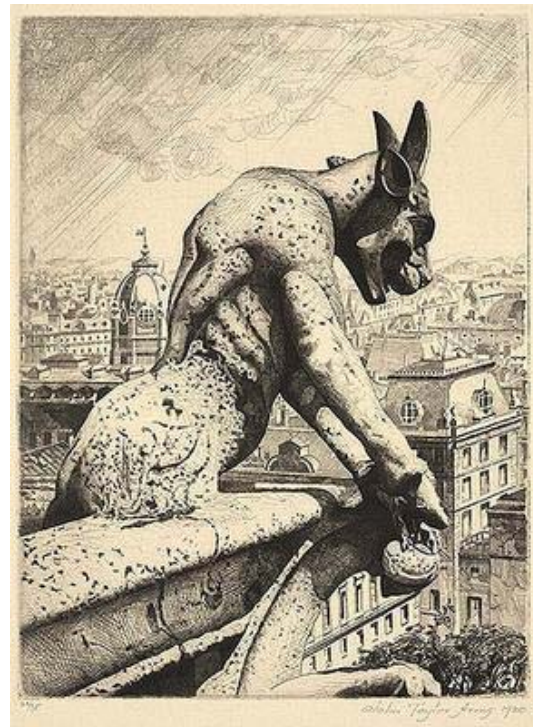

I am one of those who has been given by God the blissful purpose in this life of bringing souls to Him. To teach to men that He is real and to be worshiped and that Cock is to be knelt to worshiped and known as the One True God.

Phallus is God and none but God.
Cock is God and none but God.
There is no other God but Cock.

So if you stay, if you continue to read what I write, if you continue to follow and believe what I tell you, if you find yourself moved to worship Cock as God: then know this: I was made to bring your Soul to Cock, to wed your Soul to Cock for all time. My purpose is to draw souls to Cock that his Glory and Perfection may be the more radiantly and consciously known.

If you stay, I will settle for nothing less than that you give to Cock your eternal soul. To resist the Path once you have given your Soul to God can lead to a sense of drowning, of fear, even of panic.

Once done, believer, it is done. This Phallic God is absolute.

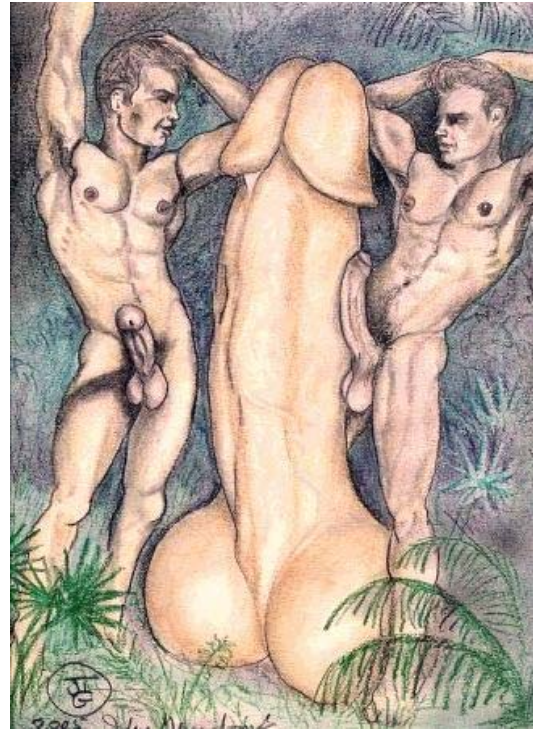

The Portal

The orgasm of a man is the Heavenly Realm. This is the perfect, quintessential connection with God. There are many ways to worship, but all concern the orgasm, which is the consummation of the worshipful prayer to Cock.

There are those who are given the task by Phallus of deeply and seriously exploring, mapping, understanding and mastering the infinitely subtle terrain of the orgasm.

What seems to last only a few sublime moments to the frantic adolescent male who jacks off at breakneck speed is actually, to the serious practitioner, a vast range of identifiable places, steps on the Path, doorways to Sacred Knowledge.

An example: the Portal. You know this place, a moment when as the man approaches orgasm a doorway in the depths of the loins begins to open and he knows that if he moves just past the Portal he will lose conscious control and the inevitability of the orgasm follows.

It's often referred to as "the moment of ejaculatory inevitability". To quote a text on the mechanics of male orgasm,

"During sexual arousal, sperm from the testicles and seminal fluid from the prostate gland accumulate at separate points near the ejaculatory duct. When the level of arousal peaks and ejaculation becomes inevitable, the seminal fluid is suddenly released from the seminal vesicles, washing the sperm into the urethral bulb. From there, the

mixture is then propelled down the urethra and out the penis. The moment of ejaculatory inevitability is the split-second before the release of the seminal fluid.

Far more complex than mechanically described here, the Portal is a sacred doorway, a doorway that can be opened, explored and even---for the exceptional few---lived within.

There are those who are given the task by Cock, by God Phallus, to love that Point, explore and---again, for the very few---learn to poise perfectly on it for indefinite periods of time. Any man who is committed to "edging", who spends serious time approaching this point knows the extreme magnetism that it holds. He knows, if he worships Cock, that this is the moment when God awakens unto the man, floods his very being and the dark power of God takes his body as its own.

To those who master and learn to inhabit this place, there are vistas of a Sacred Landscape waiting to be explored. The tangible presence of God begins to suffuse the worshiper.

The Portal, opening when an organic process occurs in the man's body, is a place. It is a rich realm of profound connections with your God, of communion directly with God. When on this point, information and knowledge flows into you from your God.

This "Portal" is one of the Places of Phallic Initiation.

Initiation

Initiation is the absolute and irreversible wedding of a man's eternal Soul to Cock. Once achieved, the soul of the man is a fragment of Cock's Soul. Is this what you have longed for all your life?

In your worship, do not ask about Initiation. In your worship, devote yourself to sincere and true worship, to living in Cock and exploring creatively and with passion and love and complete lust the Realness and Perfection that is Cock.

Kneel, pray, adore, submit, worship in all the myriad and creative and passionate and lustful ways that Cock inspires you to worship. With each step you take, your God is reaching into you, drawing your soul to Him.

Initiation approaches you. Your Path is already set and the only remaining factor is your commitment. Man has free will, yes. The worship of Phallus is freely undertaken. Your free will and your passion are the elements that move you on the Path and toward possible (not inevitable) Initiation.

Your longing and commitment to Wed your soul, to give your soul to Cock must be absolute before Initiation transpires and is realized. From that point, your free will is gone and you are an agent of Cock on the Earth, nothing more for the rest of your days.

Know this: the worship of Cock is absolute and serious! Cock is God! Phallus is the Universe!

The Priapic Prayer

Pray each day to Priapus, your Protector and Friend. He is with you and will give you inspiration if you ask. He guides your practice and, when your practice is sufficiently developed, He brings you the tools and opportunities to advance.

Choose a time and place for your daily prayer. Daily repetition of a simple prayer and meditation devoted to Cock will be blessed by Priapus and strengthened by His Blessing.

Pray on your knees. Put your forehead to the ground. You are a supplicant to God's Emissary, asking for His Blessings, His Attention, His Intercession with Cock.

Priapus assists those who pray to Him. A daily prayer to Priapus:

"Priapus, my Holy Protector,
I am on my knees to beg of you these things:
Teach me to worship.
Draw the power of God to me that I might live for Cock the more deeply.
Give me Passion, Holy Priapus, in my worship of Cock.
Carry my daily prayers to God, beloved Priapus.
Take my heart, my body, my mind as my loving gifts for God.
And take my Soul, Holy Priapus, that it be from this moment not mine but Cock's soul.
I ask to be made One with Phallus for all Eternity.

In the name of all that is Holy,
Sacred and Eternal, I ask these
things.

Amen and Amen and Amen"

Priapus walks among you. He lives
in reality, as the minds and
imaginings of worshipful men see
Him! And trust that He hears your
prayers and intercedes on your
behalf. When you worship large
Cock--whether in physical "reality" or
in Image--you are praying to Priapus
and Priapus carries your prayer to
Cock, your God.

Give your will, your heart, your body,
your mind and your Soul to Cock.

A committed worshiper who would

assistance to me in this Sacred Work,
please contact me. Very little time
would be involved. Talent of any kind
offered in service to the Work,
however it may manifest, reaps the
purest blessings from God Phallus.

Cock Being and Being Cock
My God, take this body and mind for
Your work. My God, take this soul for
Your life. My God, take this man as
your servant and vessel forever.

This is written by nothing but a
humble and lifelong servant of Cock,
my true beloved and my infinite and
eternal God.

Cock is alive, conscious, aware and
intelligent, a living Entity
symbiotically connected with the
male human body. The man is
dependent on the Cock; the Cock is

dependent as Flesh on the man.

There is the Mind of Cock, the mind
of man, and the conjoined Mind that
is the man and his Cock on the Path.
In the Image above, the young man
is in communication with two Cocks.
"Oral sex" is a connection of man-
and-Cock that allows for particular
information and knowledge to flow.
The man whose Cock is being
worshiped experiences the thought
and teaching of his Cock as
"pleasure". Until a man reaches a
particular stage of awareness, he
thinks of the "pleasure" as his own.
The experience that the man senses
as "pleasure" in his Cock is the
man's perception of the awareness
and consciousness of Cock, of the
thinking of Cock.

"Sexual Pleasure" is not what you
thought it was. It is, in fact, the most
unselfish experience possible. It
gives voice to Cock, freeing God to
express, to teach, to connect and
influence.

You have always known that you
were not your Cock and that your
Cock was somehow much more than
simply you.

Think of a plant. The responsibility
for watering and tending the plant
belongs to the person who cares for
it. You care for your Cock and your
Cock cares for you.

As water and sunlight are to a beautiful plant, attention and pleasure and worship are to all Cock. God flourishes and becomes voluble and powerful between your legs to the degree that you love Him and give Him the pleasure and bliss and excitement that are His thought and His empowerment. This is your work in the Universe: stimulate and worship Cock. Nothing more.

When a man awakens and realizes that he is a worshiper of Cock, a lover and believer in Phallus, basic changes in his life and in his perception happen.

Before the awakening, the man thinks of his Cock as a part of him. He thinks of the stirrings, pleasures, drives and needs that resonate from his Cock as "horniness", as a basic physical need that is to be dealt with expediently.

He feels "horny" so he has sex, masturbates, gets a blow-job. Simple.

After the awakening of a Cock-worshiper to the reality of the Absolute Phallic God, things change. The worshiper begins to build a new life from the ground up.

Cock is an Entity, alive and conscious, possessing profound Intelligence and abilities: the ability to communicate, the ability to guide, the ability to connect with the man to whom It is connected, to connect with other men and to connect with Cocks. The man who is the vessel for Cock is in a sacred and phenomenal symbiosis with God. They share blood, they share Flesh, and to a certain extent they share Mind.

After the awakening of the man to the centrality of Cock and the fact that he is a humble vessel of Cock, there is the realization that "horniness" as a concept is a profound reduction of what is in fact the communications of a powerful Intelligence that, in its sacred Oneness with the Universe, has a reach far beyond that of the man.

The stirrings, impulses, sensations, pleasures that originate in and are experienced by Cock are thought, language, idea, communication with the man, with men. These are, among other things, the efforts by Cockmind to communicate with other entities---man and Cock.

After the awakening, the man learns (slowly, patiently) that his daily

pensive meditation is learning to focus his attention on the stirrings, feelings, impulses and pleasure of Cock, that he might begin to interact with God more carefully and more fully.

This is true: before the awakening, the man is oblivious to the depth of reality in Cock. After the awakening, the man hesitantly engages his mind with the mind of Cock, his body with the Body of Cock, and his attention becomes more keenly attuned to the glorious subtleties of Cock-thought. The life of the worshiper then becomes one of following the particular path his Cock presents to and shares with him. A part of this Path is the perennial and daily blissful duty to "exercise" the giving of one's consciousness and awareness more and more to Cock.

This is called "becoming One with God" and is beneficial in every way.

This is your sole and sacred duty in this life, Cock-worshiper.

Advanced Technique: Being Cock

a. The Sacred Correspondence Points (Seeing Cock)

It's the basic and driving desire of every Cock worshiper to merge absolutely, to achieve perfect and total Union with Cock. Prior to the discovery of the personal sacred Path, this drive can lead the man to feel somehow inadequate in life because of his overwhelming adoration of Cockflesh. Once the Path is found and even a single step has been taken, the practitioner understands that it isn't the denigration of the man but the elevation of the man to the level of Cock that he seeks. This is the Path of Holy Union and the fact of your reading this very text means that you have begun.

Welcome, worshiper.

I've mentioned in several posts that Cock has an esoteric but real "energy structure" which is composed in part of seven "Cock chakras" or energy focus points. It is important in coming to know anything beyond the most basic realities of the Sacred Being that you become absolutely familiar with these points. It doesn't matter if you feel a sympathetic belief in these points or not. You will find them useful in intermediate and advanced worship meditations and practices.

Look carefully at the Cock in the first Image, without the labels. Feel the Cock and note your own reactions to it. Every Cock is eloquent and, for the serious worshiper, has much information and experience to share.

Now look at the version of the Image with the energy points labeled. Note that the labels correspond to points of the overall male body: the top of the head, the "third eye", the throat and so on. As you gaze at the Image with labeled points, begin to imagine the man between whose legs this God lives has disappeared and that this Cock has become the size of a human male. And you are looking at it, straight on. You are facing a "human" sized Cock.

Now look at this Image of God. Be calm and still. Take gentle, slow, deep breaths. Feel what flows through your body as you gaze at this Image of God. Feel the gentle

surges of positive desire, admiration, worship, curiosity, connection. You long for God!

Now look for a moment at the Image below, of the same Cock.

Again notice the places that are labeled. Again imagine that this Cock is the size of an adult human male. Imagine that you are standing face to "face" with this huge, perfect Cock. Begin, in your calm and relaxed state, to imagine connections developing between the energy points on the massive God you are facing and those corresponding points on your own body. Feel, as you breathe very easily and sit erect, that energy is beginning to flow from the power points of the immense Cock into the points of your body.

Be very careful with this. If you begin to feel too strong a surge of energy or your body becomes too quickly charged with Cock energy, breathe deeply and slowly and close your eyes until you are ready to continue.

As you breathe, look at this Cock. Feel your reactions, feel the power (to which you are beginning to become very open) and your reactions to the flow of connections with this Cock: desire, pleasure, adoration, worship, love. You are being taught by this astonishing God Cock.

This is the beginning of teaching your body to freely open to and accept the pure Cock energy, the pure Cock communication and power.

Now look at the Image below of the same Cock.

As you breathe deeply and easily, imagine once again that this Cock is the size of an adult human male. You are standing before It, facing It. You find that the second power point of this huge Cock is at the level of your genitals. You place your arms around your God and embrace Him. Your eyes are at the level of the sixth Cock chakra. Your throat at the level of the fifth chakra (the line of circumcision for some men). Your heart at the level of the fourth chakra. Your solar plexus near the third. And your genitals nestle between the enormous testicles.

You feel the warmth and love of God entering your body and filling you as you surrender completely to Him.

When working on this practice, it's important that your seated or standing posture be erect and strong but relaxed and receptive.

When you have the time to do so, compare the two unlabeled Images below to those that are labeled with the human physical corresponding points. Take this information into your body as much as into your mind. It's extremely important that you begin to feel the correspondences between the Phallic Sacred Body and the human male body.

The Meditation of Being Cock

The following is more advanced work. If you don't feel ready to try this, don't read the text. Enjoy the Images and you will derive knowledge and experience from simply encountering Cock in that way.

Your individual pace is an inherent and crucial element of your Path as a serious Cock Worshiper. Never rush. Never hurry. You are absolutely capable of knowing exactly what you need to do and when. This is especially true when you begin more committed practice.

Begin by being certain that you are completely physically comfortable. The chair you are seated on should be supporting and comfortable. You should be certain that you won't be interrupted by distractions: telephone calls, friends visiting, pets with needs and so on.

Be alone with your God. Give this time to serious attention to God.

Breathe deeply, filling your lungs fully. As you breathe in, inhale the energy---the Essence---of the Cock at which you are gazing. When your lungs are completely full, hold the fullness for a second and then gently release. The Cock-Essence stays inside you, nourishing you, giving you comfort and relaxation: you are doing exactly what you were born to do!

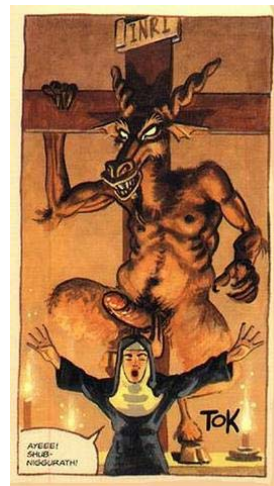

The air you release takes with it all doubts, all negativities, all fears. They melt away into the air and evanesce utterly. With each breath you become Cock. With each breath you become inextricably connected to God. With each breath you draw the Sacred Essence of Cock into your soul and welcome It, embrace It, become It.

As you breathe, gaze at the Images on this page. As you gaze, keep your concentration stable and fresh. With each intake of breath, draw in the Sacred Energy of the Cock at which you are gazing.

Take your time! All your life you've denied yourself the joys of this Holy and destined Devotion! Now is the time for you to give yourself to the God Who has been calling you since before your birth. Relax and deeply breathe in Sacred Cock, nourishing your body and soul with each breath. When you are ready, choose.

When you are relaxed and ready, choose one of the Images on which to focus more and more deeply. You will at first want to choose all of them! Don't worry! You have all of your life to worship. But for this time, choose. And as you choose, know that you are being chosen!

Find the Image which calls to you, which has chosen you for your deeper step into true and pure worship.

Now. Imagine that the Cock that has chosen you is the size of your entire body. Your physical body begins to become lighter, almost transparent. Where your body is sitting, begin to feel that place taken by a more and more real Cock, the Cock that has chosen you.

Be aware of the heat of the Cock as it takes the place of your torso. Be aware of the veins, the pulsing. Be aware of the smell of the immense Cock. Sense how the Cock feels: the incredible sensitivity at what had been your "third eye" but is now a huge frenular delta.

There is a pearl, a tiny drop of preseminal fluid oozing from the slit where the top of your head had been. You have become Cock.

Take your time. As you breath, feel yourself become the Cock that has chosen you. Distinctly feel the points of physical correlation: the top of your head is the huge slit from which semen shoots and from which drops of warm clear fluid are now oozing. What had been your throat is now the fifth power center of the immense Cock.

Gaze at the Image that has chosen you and as you breathe, feel the Sacred Flesh of God becoming and what had been your own flesh disappearing, fading into real insubstantiality.

This is a practice that can generate an exceptional sensitivity to the knowledge-flow and the subtle aspects of Cock's Being. Spend a few quiet minutes a day becoming the Body of Cock through this meditation and the general state of your life and your worship will be immeasurably enhanced.

In your practice you will more and more identify with Cock, with God, and less and less with man.

Move gently in this practice. The results can be overwhelming.

It is through the living and infinite network of Gods-in-Flesh, the God that lives between the legs of each man, that pure Phallic Life flows. To worship on this Path is to open yourself more and more fully to the fiery and vital flow of pure Phallic Life-force. Be aware of this now. Let me repeat this: be aware of this now. As you continue in your study and worship of Cock, you are opening your physical and spiritual systems to the direct flow of Phallic Life-force. Do you sense in your soul the Power of this Force? Do you know that you are, as you worship, drawing into your being and your life That which Creates and Sustains the Universe?

The Phallic Life-force, once summoned in earnest, will flow into your being, your body and soul, precisely to the extent and degree to which you are ready for It. If your vessel is small and weak, the flow of Phallic Life-force will be appropriate to that. If in your beliefs, prayer and devoted practice you build of yourself a large and sturdy vessel, Phallus will enter you, body and soul, and will fill you utterly with the cleansing flames of the Phallic Infinite.

Each Cock is God. And all Cocks are Deities, eternal Beings that live as flesh between the legs of men. Nevertheless, just as there are men whose destiny requires that they be

more charismatic or men who are powerful and influential, men who are shy and introverted yet brilliant, men whose lives are based in solitude and men whose lives are fulfilled through accessing poetic or religious visions---just in this way there are various "types" of Cock.

The Cock between your legs is a Fellow-traveler, the Guardian and Beloved of your soul and your mind. Cock is an intelligent Being, loving and aware, fully conscious as it rests and lives between the legs of men. Cock is a divine species, the species rooted in Godhood and Creation. Cock is the sacred link that ties man to the Cosmos Himself, granting hope and redemption and joy to the lives of men. Cock is, in Its Godhood, intertwined symbiotically to the physical and spiritual bodies of man. The consciousness of Cock is inextricably interlaced with the awareness and will of man. When you even faintly sense your Cock, you are feeling the presence of God in your soul. The spiritual nexus that is Cock envelops the very soul of each man. The man has only to take the four necessary steps to make of his life a blessing and a Paradise: acknowledge, accept, accede and awaken.

Acknowledge that Cock is God. Accept Cock in your heart, mind and soul. Accede to Cock as Guardian and Possessor of your life in every sense. Awaken to the Path that will bring you to a state of Union with God, a Path of infinite bliss and contentment.

While the will of man is free and independent, as each individual man approaches wisdom he grasps that there is a greater wisdom and a more powerful consciousness at work between his legs. All of his life, the man feels the growing power between his legs and senses that a Being greater than any man exists, a God-as-Flesh, alive and conscious, sprouting from his loins.

He begins to recognize that his Cock is not only wise, aware and powerful but is also the man's link to Sacred Knowledge and the life eternal, of Absolute Oneness with Phallus. This knowledge is perpetually thwarted by the world, by societies and cultures that fear the power and consciousness of Cock.

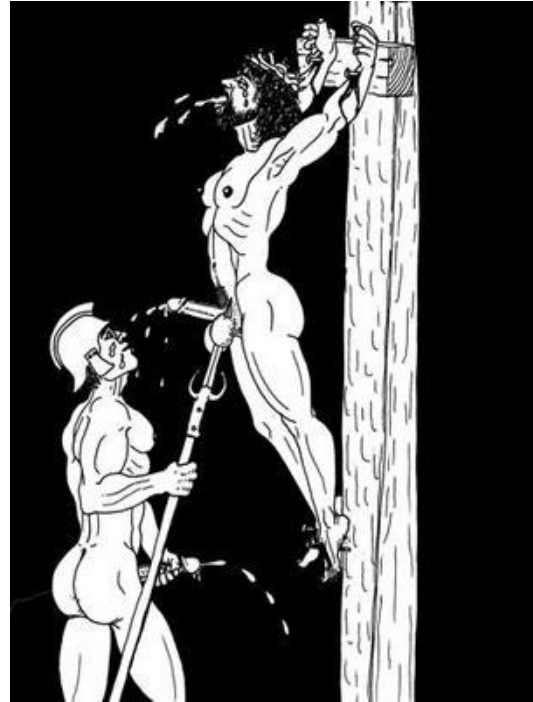

Each Cock has a life-work to accomplish. Each Cock is born in conjunction and sublime symbiosis with a human male and, in league with the human male, works through to the realization of Its destiny. Sometimes the individual destiny of Cock is fulfilled, sometimes thwarted. Just as the perfect worship of Cock as God is sometimes fulfilled and realized and sometimes thwarted and nearly lost. This God-Being we call Cock chose man to exist with and within, knowing that man is a weak and fretful species. Can you doubt the pure and perfect Love that Cock has for man? Can man's love

for Cock ever be equal to God's love for man? How perfect, deep and inviolable is your devotion and love for God? Have you given yourself to Cock as completely as Cock has given Its Life to you? God Himself lives on your body, the locus of your greatest pleasure and meaning! God has placed Himself between your legs, alive and striving to bring you, His beloved, to the state of Realization that is perfect Cock-consciousness! God has given Himself to you; your spirit longs only to reciprocate. Give yourself to Cock.

As I've mentioned before, the human male can assist or impair the work of the Cock, but within the symbiosis, the Cock is by far the more powerful element. The human male is, in the most healthy situations, guided purely by the needs and directives of Cock. But Cock, in Its wisdom, only fully directs the life, consciousness and will of a man when invited to do so. Cock and Phallus allow the free will of man.

In Paradise--and Paradise is real! Paradise is within the grasp of the faithful and devoted Cock-worshiper!--it's not the will of man, but the Will of Cock that is ascendent and obeyed. This is the way of absolute unending Bliss, the Golden road to the sacred and perfect community of man.

Not the will of man, but the Will of Cock. A man is absolutely fulfilled when his life is led by subsuming his personality to the Will of Cock. The Way is revealed to the man and his work begins: this is the Golden Path.

The Seven Breeds of Cock

Cock is God. The Godhood of Cock is organized according to a Pantheon of seven "Breeds" of Godhood. That is to say, there are seven "breeds", "categories" or "types" of Cock. This isn't to say that any Cock is inherently more "important" or superior to any other Cock. All Cock is Deity. All Cock is conscious and aware and is acting as a sublime fragment of and connection to the Universal Phallus, which is that which created all and everything and from which all life flows.

There are seven "types" of Cock. Within these types, there are obviously an infinite number of variations. But all Cock is created according to the seven primal Cock-types. Each has its particular functions and roles, not only within

the world of men but also, and more powerfully, in the workings of the Universal Plan of Phallus, the unfolding of the Universe Himself. Before I list the seven primal Cock-types, let me state very strongly again that no Cock is "better" or more "important" than another Cock. Every Cock has been created by the Phallic flow and Intelligence because that Cock has to exist, has a crucial role in the unfolding work and world of pure Cock-consciousness.

All Cock is to be honored by man. All Cock is to be worshiped as God by man. Every Cock is a true and conscious Deity, alive between the legs of men. In a Cock-enlightened society, the Cocks of various categories align and organize into various functional and sustained "groups". Groups, given the proper circumstances cohere into larger and more complex "orders". "Orders", if allowed and encouraged through human agency and the Will of Cock, will naturally join together into larger communities, or "Ways".

The seven Breeds of Cock are organized in two groups of three and one Breed that, more than the others, exists in isolation until a "grouping" develops. They all have essential functions in the work of the Universe and the Mind of Phallus.

First, a warning: do not attempt to ascertain on your own what breed any particular Cock is at this point. And avoid any assumptions that relate a particular breed of Cock with

size, thickness, shape. The reasons for the various sizes and shapes of Cocks, while related at times to breed, go beyond this particular issue.

The Breeds can have many names. The ones I give to them come directly from the Mind of Cock. But please interpret the names according to your specific predilections or inclinations.

The seven Cock-Breeds are: Nourisher, Builder, Warrior, Empath, Teacher, Visionary (or "Inspirational") and Mandate (or "King"). The vast majority of men are in symbiosis with Nourisher and Builder Cocks and the fundament of the Universe is based in these. Fewer are in symbiosis with Warrior Cocks and Empath Cocks. Fewer still are possessed by the Teacher and Visionary Cocks. And the numbers of Mandate Cocks are the fewest by far.

The first three, Nourisher, Builder and Warrior are associated with the first three Cock chakras or energy centers and together form "the Breeds of Phallic Earth". The next three, Empath, Teacher, Visionary are associated with the fourth through the sixth Cock chakras and together form "the Breed of Phallic Heaven". By way of great simplification, the first three serve to develop and sustain the earthly fundament of the Phallic Realization. The second three serve to connect the earthly Phallic Realization with the Essence of Phallic Spirit. The first three are the fulfillment of

Phallus in Flesh. The second three are the realization of Flesh as Phallus. These Beings are eternal Spirit alive as Flesh. We, as men, exist to worship, adore and commune with Them. The perfect life of the male human is one of constant adoration of Cock and total service to the Phallic Spirit.

The proportion of Cock-man symbiots are variable, but one possible example would be the following: in a group of around one hundred men, around forty men will be in symbiosis with Nourisher Cocks; thirty men will be symbiots of Builder Cocks; fifteen men in symbiosis with Warrior Cocks; eight with Empath Cocks; five or six with Teacher Cocks; one or two will be in symbiosis with a Visionary Cock and one or none will be in symbiotic union with a Mandate Cock.

A task for many worshipers of Cock at this stage of the reintegration of the Pure Way into the world is to devote time to experiencing and studying as many Cocks as possible. Over the course of decades and in conjunction with various meditations and study practices, this leads to the ability to sense the particular Breeds of the various Cocks that are being experienced.

Here are some very, very basic descriptions of the qualities of the Seven Breeds of Cock.

The Three Breeds of Phallic Earth

1. The Nourishing Cock. Known also as the Slave Cock or the Service Cock. This Breed is most completely and directly connected to "earth energy", with deep information drawn directly from the purest physicality and the connection of flesh to earth. The Cock most connected to the first Cock chakra or center of energy. Possesses the greatest ability to ground, support, nourish. Associated with qualities of security, survival, community, homestead. All sex that involves anal stimulation of the human male in symbiosis with this Breed of Cock awakens the first Cock energy center and, if consciously done, connects the entire Cock to a greater and freer in-

flow of Earth/Yin energy. This is essentially "feeding" the entire Cock and, ancillary, feeding the entire group of Cocks to which this particular Cock belongs. The men who are symbiotic with this Breed are especially attracted to the worship of physically large Cocks. Since Cocks that are extremely large are the most immediately inspiring for the symbiots of the Nourishing Cock, the Passion of Size Obsession is often an element of the Path followed by these men.

2. The Builder Cock. Known also as the Creation Cock, the Structuring Cock. This Cock has the ability, the destiny, to connect entities into social groupings. Essentially the community- or connection-building Cock, driven by the need to connect and structure systems of organization among Cocks and men. Through what can be, if undirected by the human male, wild and uncontained promiscuity, the Builder Cock seeks constantly to connect with other Cocks and men in order to begin to ascertain the structures that are possible among them. This Cock is "about" fertility, fecundity, the drive to not only create robust Inter-Cock social structures from which "offspring" in the form of self-replicating communities of Cock can be generated, but also to simply connect and connect and connect. All sexual play involving a focus on a man's testicles and the stimulation of the "million-dollar point" assist in the work of this Cock and the defining of its personality. This is often the Breed of Cock in symbiosis with men who are "insatiable bottoms",

seeking the experience of vast numbers of men and Cocks.

3. The Warrior Cock. Known as the Action Cock, the Challenger Cock. Aggressive, inclined to "invade", "take" or even, in extreme situations "rape". This Cock is focused on issues of power, individuation, freedom, the nature of "being" an incarnated individual, both as man and Cock. Issuing from the depths of the Earth as a Presence to be seen, this Breed is associated with the third Cock chakra or energy center, the point at which the shaft of the Cock emerges from the scrotum and is fully defined in its individuality. Associated often in the male body with the symbology of the "six-pack" abdominals and the tight and powerful glutes, the Warrior Cock is about erection and inclusion or insertion "to the hilt". Entering another man--orally or anally--"to the hilt" and staying in to that depth

(either completely still or moving very slightly or repeatedly "plunging" to that depth) will stimulate this particular Breed of Cock to growth of awareness and functionality. Gloryhole sex (which can, certainly, be used to stimulate all energy points from three to seven) is particularly effective in connecting with the intelligence of the Warrior Cock, in particular if It is taken (even aggressively so) all the way down to the third point, "to the balls". Note: every orgasm experienced by the Warrior Cock is felt keenly by the most sympathetic and geographically proximal Mandate (or King) Cock. Warrior Cocks are in some sense always searching for a Mandate Cock to serve.

There is a natural inclination to grouping among the first three Breeds of Cock, just as there is a natural inclination to grouping among the next three Breeds of Cock. Among human males, if you find a trio of inseparable friends, it's quite likely that they are held together by being each in symbiosis with grouping-sympathetic types of Cocks. Some likely groupings are: Nourisher/Builder/Warrior; Empath/Teacher/Inspiration; Warrior/Mandate; Inspiration/Teacher and so on. Many social groupings of men are created according to the needs and predilections of the Breeds of Cocks with which the men are in symbiosis.

The Three Breeds of Phallic Heaven

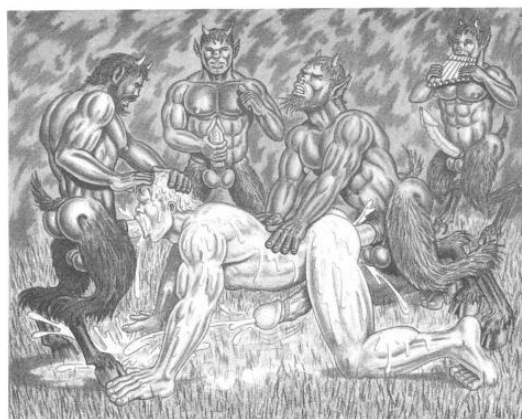

4. The Empath Cock. This Cock is focused on the fourth center, the balance point between earthly energy (pure "yin") and Universal Phallic energy (perfect "yang"): This is the "assimilator" Cock that exists to "understand" through direct experience the natures of all other Cocks and men. Often solitary, both the Empath Cock and the man who is symbiotic with It can feel disconnected unless in direct contact with other Cocks. Able to mimic all other types/centers with relative ease, while assimilating them. Promiscuity for the Empath Cock is study rather than a function of driven sensuality. Promiscuous connections with many Cocks is informative experience. The Empath Cock is an agent of general "immunity" or strength-through-mutual-understanding within a connected system (of men, of Cocks or a hybrid of men and Cocks) to outside "illness" or unbalance. The mutual

understanding of the parts through a dispassionate understanding of each of them. A simple exercise that the Empath Cock enjoys is the awakening of the fourth energy chakra or center through contact of other Cocks at the "mid-point" of the shaft, the place of the fourth chakra: this is, for the Empath Cock, a direct awakening and communication and is very helpful for It in Its work. Entering (orally or anally) to the power center and having the other man "pulse" or apply steady pressure gently around the Cock at that power point on the shaft without intentional excitement of other parts of the Cock is another exercise. Relatively slow anal or oral sex without deep insertion, but a gentle thoughtful movement to and from the fourth energy point is also helpful. Also, while the Cock is in the mouth of another man, the other man can gently rub this power point with his tongue, again intentionally not stimulating any other part of the Cock.

Note this: when doing simple exercises or practices to awaken the energy centers of the Cock, the goal of orgasm should be replaced with the more immediate goal of sensing and awareness. The drive to orgasm in these situations can vitiate the value of the practice.

5. The Teacher Cock. Also the "higher expression" Cock, the "communicator". This Cock is particularly suited to direct and powerful communications with Cock and men because it has the facility

for connecting simultaneously through two and sometimes three "channels" established through the energy centers. The Teacher Cock can open connections with multiple Cocks through the first, third and fifth centers simultaneously, enabling a flow of connection and information that is far greater than that of any other Cock-breed. Sex with the Teacher Cock is often expressive and based in what can feel like an overwhelming flow of information. The man who is in symbiosis with the Teacher Cock can sometimes "perform" sex rather than engaging directly and deeply with sex, and sexual practice can be at times over-cerebral or over-theorized.

Though his tutors scoffed, Hercules knew the fauns were alive and well in the woods . . . every afternoon!

The Teacher Cock is responsible for receiving information and aptly expressing that information for the organism or social group of men. Because the Teacher Cock is centered in awareness on the fifth Cock chakra, the issue of circumcision is extremely important, sometimes central to the conscious life of the man-in-symbiosis. Circumcision is "about" the need for

a heightened dispassion, a more analytical bent in the processing of the needed information. The freedom from "earthly bounds" that enables understanding and elevation. This freedom is particularly important because the Teacher Cock is at the first level of pure connection to non-corporeal Phallic Mind, more capable of "processing" the entirety of the flow of Earthly-yin-to-Phallic-yang than any other Cock Breed. Those men who are symbiotic with Teacher Cocks who are circumcised are less able to simply believe or accept the reality of Phallic Mind and the direct connection they have with It: they question, are more cerebrally analytical, but are inexorably drawn to the need to believe because they feel the inflow of Phallic Mind and express it through their freedom of thought. The innate sense of "disconnect" from the Phallic Mind felt by many who are centered on this power point and are circumcised can lead them to more passionately need a "re-connect", which they can strive to construct through heightened active curiosity, body modification (particularly piercings, particularly PAs). The PA is the piercing most often found on the circumcised Cocks centered on this point. The Teacher Cock connects deeply to the root point (through anal sex, or stimulation through toys) and is tethered with the sixth and seventh points. In order to "teach" or express the information drawn up through the first center, the Teacher Cock must have the perspective, the elevation and freedom given from the other-worldly nature of the sixth and seventh points. Sexual experience for the Teacher Cock is balanced

between a powerful need to "understand" and an even stronger need to "express" that which they understand. Rather than being given to a general promiscuity, Teacher Cocks intuitively search out particular experiences for exploration and evaluation. Sexual practices suitable for the Teacher Cock include a gentle stimulation of the entire Cock while (also gently) stretching the anal sphincter; edging while gently using a dildo, holding the fingers around the point of circumcision (not moving them) while either being rimmed or, perhaps more preferable, having another man hold his lips steadily and firmly to the anus for a sustained and calm period of time while the man who is symbiot with the Teacher Cock explores and pleases his Cock. Exhibitionism is often powerful and positive for the Teacher Cock and many are in porn.

6. The Visionary Cock. Also known as Wisdom, Inspirational Cock. This Cock is particularly focused on the highest possible connection with sacred Phallic Mind. In an encounter with a Visionary Cock, one would likely sense an "other-worldliness" about the sexual energy, a relatively complete disconnect from any earthly or "reproductive" element. The Visionary Cock seeks to be possessed by an attunement to the higher state, to the religious inspiration that is drawn from full-connect with Phallus. The Visionary Cock seeks to "feed" other Cocks and men. Promiscuity has the feel of a "mission" for the Visionary Cock and each sexual act can be felt as a "blessing". When a Cock centered on this point is present, all Cocks around are more alert, awake, conscious and intent on connection, stimulation, work. All Cocks feel more "awakened" and purposeful when a Visionary Cock is present. Sexual stimulation to assist in awakening or sensitizing the sixth center (that which is associated with the Visionary Cock) include the gentle massage of the frenular delta in a smooth circular motion (alternating clockwise with counter-clockwise); resting the glans in another man's mouth, with the other man gently massaging the frenular delta with the tip of his tongue in a slow, purposeful and focused way; sliding the Cock inside another man only as far as the sixth point and alternating between resting still and gently rocking to stimulate that point. Orgasm attained solely through the stimulation of the frenular delta is a very powerful awakening exercise.

The Phallic Unification Point: the Mandate Cock

7. The Mandate Cock. Also the King Cock, the Sovereign Cock. When a group of Cocks and men have attained a state of development sufficiently advanced and conscious, a Mandate Cock is inexorably drawn to join and "lead" or cohere them into a functional group-mind. This Cock enables the functioning of relations among the Cocks within It's grouping of Cocks and men. There are very few of Mandate Cocks. In Their presence, each Cock feels absolutely connected, awakened, accepted and free within Its work and function. The work of all Cocks "serves" in some sense the purpose that is defined by the Mandate Cocks. If the human element is ready and sufficiently aware and developed, the Mandate Cock works to build a grouping of Cocks and men that serves to move all to a higher Unity. All sexual connection, all conscious sexual thought, all pure sexual and Phallic intent works to awaken and call the Mandate Cock. There is an unmistakable sense of Phallic rightness or perfection in every Cock when a Mandate Cock is present. Prior to the attainment of the cohesive group, if a Mandate Cock is present, there will be a sense of having "found one's way", without quite understanding why. Visions of lives centered around Cock-stimulation or male sex, visions of sexual communities, visions of nature and wildness are all common. Sex with a Mandate Cock in isolation,

prior to the attainment of the Group, can seem confusing to many men, disorienting, even irritating.

An element of every orgasm by every Cock that is disconnected from the Phallic Grouping toward which all Cock is moving is the "call to the King". Every Mandate or King Cock senses the calling of possible groups and is "fed" by the orgasmic energy from every Cock. A simple practice enables each worshiper to focus and send a higher proportion of the orgasmic energy to the Mandate or King Cocks: as you approach orgasm, consciously sense a "Master Cock" through the energy of your Cock. Not from your mind, but from the physicality of your Cock, send the focused energy of your

orgasm to the "Master Cock" with your conscious blessings. Done repeatedly, this will begin to tie your Cock to a particular Mandate Cock and you will serve to feed and awaken Him. Keep the channel of connection open through a few seconds past the last ejaculatory spurt. As the channel closes (and after a few dozen repetitions of this practice you will be able to clearly sense the "nourishment channel" that opens with orgasm and closes a couple of seconds after the last ejaculatory spurt) in your mind clearly state "For my Lord. Awaken and lead us."

Live in the presence of Phallus. Worship Cock every moment of your life. To do so brings peace, blessings, joy and a life that opens to Paradise.

BIBLE OF COCK – EDITING BY MARK T.

<http://groups.yahoo.com/group/dirtymarkie>

Last Rev. 11/17/08

To the many who have been writing wonderful letters to me---some singing the praises of Cock, some astonished at prayers answered, some asking specific questions---please forgive my not answering all of your letters. I read and love each of them and send the profound and enduring blessings of Phallus to you. You are on the Path and the Path welcomes you.

Worship Cock in your Heart and awaken
The simplest path to God is believing that which you already know.

How long in your life have you waited? How long have you lived with the knowledge that God is with you, that God is a part of you?

Love that which is easiest to love. Worship that for which your worship is a birth-instinct.

God does not lie. When you feel the Call from God, it is a message to your very soul. Hear it! Give everything you are as a man to the Call you feel when you see God.

Hear it! If you give yourself to this Call, if you finally and utterly embrace it as your personal Truth, you will find the heavenly world that exists within what you now call "Lust".

Let me whisper this truth in your ear:

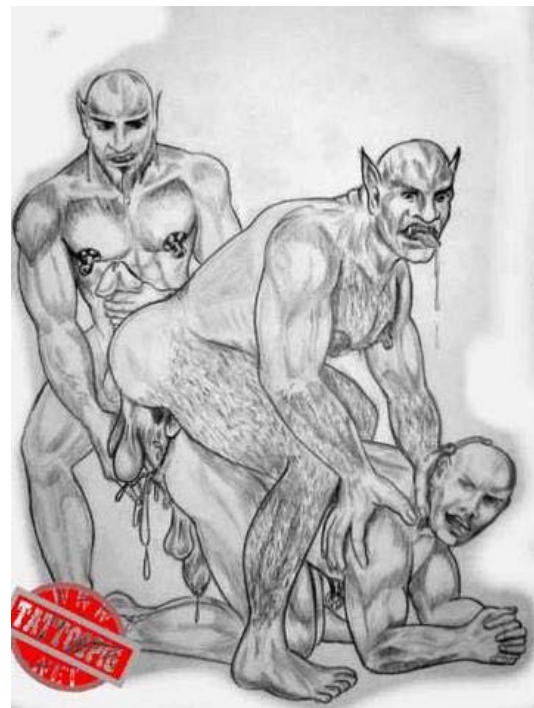

The call from God says "Live in me. Embrace me. Love me with all your heart and soul and purpose. And I will give you Paradise."

The attention and love and pleasure you give to God is why you were born! You have known this forever and still, in this moment, you continue to vainly struggle with it, deny it, resist it.

What is a man who resists the heartfelt call from God?

What is the man who will not live in the truth of his own heart?

Breathe your love for Cock in every breath. As you inhale and fill your lungs, take in freedom from the fear that has stunted your life, held your devotion down, kept you from being the Cock-worshiper you were born to be.

This Flesh is God.

Blessings to the dozens of men who wrote to me in the last several days testifying to their Calling, their acceptance in their hearts of Cock as God. To these men who have given their souls to the lifelong worship of Cock I embrace you in our Holy Union! We are One in our passion and our Truth.

Pray earnestly and with love to Cock and your prayers will be answered. Prayer to Cock brings the blissful and perfect life.

This is a time when legions of men are coming into the awareness of their true knowledge of God, their birth-understanding that God lives between the legs of men.

This is a time when we are blessed by the presence of more and more men who are coming forward to literally minister in the name of Cock-as-God.

If you are reading this, you know your own heart. You know that Cock is calling to you and has been calling since you were conscious.

For those who worship Cock, yours is a life of utter bliss and joy.

This is God. Your God is present and alive for you. Your God loves you and welcomes your adoration!

Every moment of your life was given to you by God that you might spend it loving Him.

Awaken to your passion! Awaken to your calling! Open your heart and mind absolutely to God and He will give you the gift of knowledge, the power of faith, the eternal bliss of Lust for Oneness with Him.

Hold God in your hands. Pray to Him "Oh my God, You made the Universe, you created me from dust and soul that I might spend my life adoring You. Oh my God, teach me to adore You!

Teach me the path of true and perfect Cock-worship for life!"

"Chain the heart and mind and soul of this worshiper to You, oh God!"

Give yourself to the worship you were born to live. Is it possible you doubt the truth of God?

What I Worship is What Teaches Me Learn from God in direct unfettered Communion free from fear, doctrine, prejudice. Make of yourself an open conduit for the in-flowing of the Power and Teachings.

The Way of the Religion is simple: open your heart to God in His infinite Embodiments. Feel and believe the Teaching of each of the Infinite Gods.

The man who worships each Cock with all of his heart and soul is the

man who understands and lives in Bliss.

God is Alive and With You Now
The adoration and mystery that you feel in your heart, your body, your mind and soul---this is the primal and most ancient religion in the Universe. It is the worship that joins us with the Phallic Being and gives us the knowledge and passion to pray for His Love and abiding Presence. This is how men became. In this worship we make of ourselves men and continue the serious and most profound task left to us by our forefathers, back through time to the First Coming of God.

We, as men, are the chosen habitat, the temple of Cock. Take this seriously and every moment of your day worship That which is All. To find This Mystery, reach between the legs of a man. That is all there is!

You know this to be true! This needs no preaching! Embrace in your soul the devotion to Phallus, the worship of That which all men worship, and all men have worshiped from the very beginnings of Man.

This is a great and rare moment in history when religious freedom is possible. Do you think, my brother, that it is coincidence that you were borne now with the passion of Phallus so absolutely alive in your soul? You are breathing and alive because Phallus put you here in this place, in this moment so that you might take part in bringing into consciousness the Sacred and essential worship of Cock.

You were born to love that which you so deeply love: you were born to be a Cock-worshiper in this time and in this place. Do so with all the passion, devotion and commitment you can muster. This is not the time to be equivocal or doubting!

When you worship, know that you are doing so for all Cock-worshipers of the past and the future. This legacy of manhood is yours for this brief time: be worthy!

This is not pretend. This is not playing. The worship of Cock is beyond the worship of fire, or of the sun. This is the Great Power and the most deep Mystery.

There are ways to worship, all of which are loved by God.

There is pure adoration, feeling the wonder that upswells in the soul of the Cock-worshiper on seeing God. Holding and living in that wonder is worship and is a way of knowing God.

There is declaring your worship of Cock as God, telling other men of your blissful awakening to the fact

that God lives as Flesh between the legs of all men. Those many men who have written to me simply declaring this as fact, in a single sentence, have worshiped and honored God by doing so.

There is the stimulation of Cock, of your Cock or the Cocks of other men. Whether it's done physically or by sending Images of Cock via email; whether it's done by talking on the telephone or writing stories of Cock worship for magazines or newsletters: this is honorable and strong worship.

When you feel the pleasure of God between your own legs, you are feeling your eternal soul.

The pleasure of Cock-stimulation is the sacred embrace of your soul with God.

As you approach orgasm, imagine your God as a Man embracing you and kissing you deeply. Hold God to your soul, deep in your loins, and give yourself to Him.

As you ejaculate, know that God is creating and sustaining the Universe in that powerful act. Each time a man jets semen out of the infinite conjoining of his body with the Body of God, the Universe, Life and Seed are all created afresh. Know this: each orgasm is the beginning of Time, each ejaculation is the beginning of Life.

What does a man have to do with his life? If he follows the precepts of God,

he loves men; he lives in honor and respect for That which lives between the legs of all men; he worships Cock as God.

The daily devotional worship of Cock is taking us toward the building of a world in which men can live every moment of every day in worshipful communion with their souls, where the daily life of man is flooded with the pleasures of God and the blissful union of man, soul and Cock is a living ecstatic element of daily life.

This is our vision and our purpose. The blissful Union of man and Cock as a way of living. Do you share this vision and this purpose, my brother?

Only the true worship of Cock, each day with passion and soul-full love, can bring this world into being. Do you share this vision and purpose?

May you live with your very soul awakened and in constant blissful union with God.

The blissful, creative, constant and enduring union of man with Cock. This is my life's purpose and my one true vision of what is to come, what must come.

Send me a confidential email declaring that you accept Cock as your God and Savior. It is a step in your life that will awaken you to your Path.

not go further. Thank you.

What I Worship

I'm sorry about the music in the second video. You might want to turn the sound down before watching it.

The Incarnations of Priapus

There are over three billion male humans alive on the planet at this time. Every one of them is a pure and perfect incarnation of Priapus, walking on the earth, breathing the air, carrying God between his legs.

Priapus the lover, Priapus the ruler, Priapus the joker, Priapus the teacher.

Priapus with a huge Cock. Priapus with a small Cock. Priapus with muscles. Priapus old and bent with age.

Priapus at the beginning of His human incarnation. Priapus ripe with

agile maturity and joy. Priapus retiring and old.

Dominant Priapus. Submissive Priapus. Master Priapus. Servant Priapus.

The more than three billion incarnations of Priapus alive on the planet today all link through the flow of sexual energy, the language of Cock. This is the meaning of Godhood: that which connects and frees.

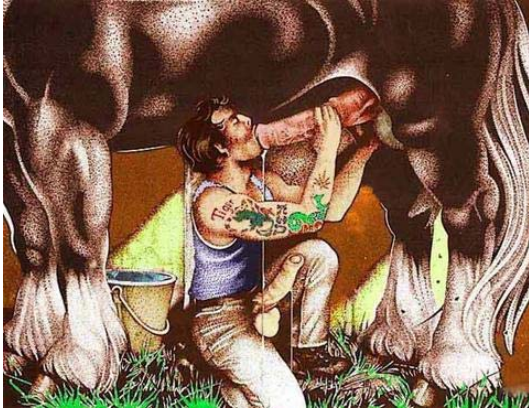

When you pray to Priapus, you pray to other men because it is often--usually--harder to see the God in yourself. Why? This is a mystery and the answer isn't mine to give. But there he is, alive and blooming and masterful and elusive and seductive, all around you!

Priapus the teacher, bless us with a deeper awareness of the love of God. Priapus the guide, show us the beautiful and liberating Path that is at our feet.

Priapus the lover, awaken our loins to your ministrations and devotions. Priapus the God, accept our ritual and our worship.

Priapus the muse: teach us to laugh in our days, so that we may be with God in all ways.

Listen to God and be awakened through His language of jubilant pleasure and strength. He connects! He forms allegiances! He gathers about Him those who belong and understand!

The ability to deeply worship God is in the free and loving quality of your desire for Him. Smile and open your heart to God, allow the flow of adoration and you will be given all that you ever desired.

Worship Cock and understand. Awaken and your life is blessed. May your love of Cock be anointed with the purest blessings of Universal freedom and joy.

We are legion. And we live in the ecstasy of the Cock-gazers.

Private Prayers

What is the wise life? The life lived for the pleasure of Cock.

What is the intelligent life? The life lived seeking knowledge of Cock.

What is the well-spent life? The life spent in communion with Cock.

What is the blissful life? The life spent praying to Cock.

Cock is the shining God That speaks to Cock and man in a language of communion and connection.

This is the transcendent fact of our faith. If you believe only one thing, remember and believe this.

Say it once a day in the morning.

Say it once a day at sunset.

Say it when you retire to bed.

I am hearing from ecstasies around the world who live to worship Cock, who have known all their lives--no matter what their age is now--that they were born to this passion, to this religion and Path.

Look inside yourself. Look deeply. The man alone is a majestic and powerful entity, but the man who loves Cock is complete and perfect. The universe shines with particular love and favor on the man who has openly given his heart, his soul, his life to the passionate worship of Cock.

This is the way of the wise man.

This power is real! If you were born to it, you know this! Why do I say these things here when all men who

know this know this in the heart of their hearts: TRUTH! My soul is a Cock-worshiper's soul! My joy knows no bounds and my life is that of the most fortunate of men!

A private exercise:

In your mind remember one Cock. In your mind remember one particular Cock in your life that brought you deeper, closer to your soul's birth-work.

Bring the memory of that Cock--did you know It's smell? It's taste? It's reactions and pleasures? Did you simply have the inestimable honor of glimpsing It for a moment in a lockerroom---and your life was changed by that glimpse.

"Oh..." you thought and felt, "Oh! I want that. I need that. There is something about It....What is this I feel?"

Think of that Cock. Caress the memory in your mind as a lover caresses the beautiful face of his sleeping beloved. Remember.

Understand this: that Cock was sent to you. That was not an accident. The Greatness of God is in the Perfection of the Universe Itself, and all the longing you have felt, all the deep-seated desire: this was all sent to you by God.

All the experiences of Cock you have had, all the Images you have seen are Godsend.

So remember this Cock. Perhaps an Image you saw as a young man. Perhaps the outline of a stranger's Cock through his trousers. Perhaps that perfect life-giving Cock that gave you deeply of It's Power, that fed you directly the message of It's Joy and Strength, of It's Godhood.

Now...as you think of this Cock that meant so much to you at some point in your Cock-directed life (You and your soul have belonged to Cock all the time! Cock has guided you and waited for your awakening, brother, with the patience of God)...as you remember this Cock...

...in your mind, silently and for yourself and this Cock you hold in your memory, sing a love-song. Sing to that Cock what It meant to you, what It did for you, how you long for It now and live in joy because it was a step toward the worship of God.

Sing, silently in your mind, your love for this Cock and your pride in having learned and experienced from It.

Sing silently to this God. And in your mind call this Cock "My God".

Don't be embarrassed! How long will you endure feeling even a scintilla of shame for your passion? Will shame or true adoration be your legacy to the men who follow?

Let yourself feel this sincerely. Only feel this song as sincerely as you feel Love for this particular God, the Cock you remember.

And know this, Cocklover: your silent, solitary song is heard by all. It is heard, not only by the God who has listened for it since meeting you, waiting and encouraging your steps toward Him.

It is heard not only also by that God that nobly shares your human loins.

When you sing even silent love to Cock, all Cock hears and all men benefit.

This is sacred work the Cock-worshiper can do.

Who is the wise man? The man who lives for the pleasure of Cock.

Who is the intelligent man? The man who lives seeking knowledge of Cock.

Who is the satisfied man? The man who lives in communion with Cock.

Who is the blissful man? The man who spends his days praying to Cock.

This day I pray to God:

Cock, give me the courage of the vision.

Cock, give me the pride of the Path.

Cock, give me the fellowship of all Cocklovers.

Cock, bathe me in the Sacred.

Take my soul, God, for I have always been only of You.

Joy is the birthright of Man
That you were born a man who loves
Cock is already enough: your work is
done. Now you can breathe, relax,
let your life be filled with the joy that
worship can bring.

Savor the fact that Cock exists as
God to be pleased: Cock receives
your worship magnificently. Nothing
in the universe welcomes adoration
as perfectly and completely as Cock.
Feel your heart and soul open
naturally to the invitation to worship
that Cock so readily gives you.

Man is born to worship Cock. This is the central and perfect joy for a man. In each man's face is reflected the unspoken wonder at the fact of Cock and the blessedness of having been born as a bearer of God! This isn't difficult to see or understand: look at the face of any man and to the extent that he is free of terror, he is a worshiper of Cock.

The depth of Cock's worship-ability is proof of It's divinity. It is Absolute. Simply place yourself in the presence of Cock and feel the perfect gravity of It's Godhood reflected in your unfathomably profound desire to please, to exalt, to connect and learn.

Your purpose now, in this life? To please Cock. To make the existence of Cock perfect. That is what it means to be a man.

A moment of worship brings blessings to your life. The mere thought of loving Cock brings blessings to your life.

To the worshiper of Cock life is serious and joyful, purposeful and lustful, driven and perfectly satisfied, enslaved to the God that is Cock and, through enslavement, free beyond all imagining.

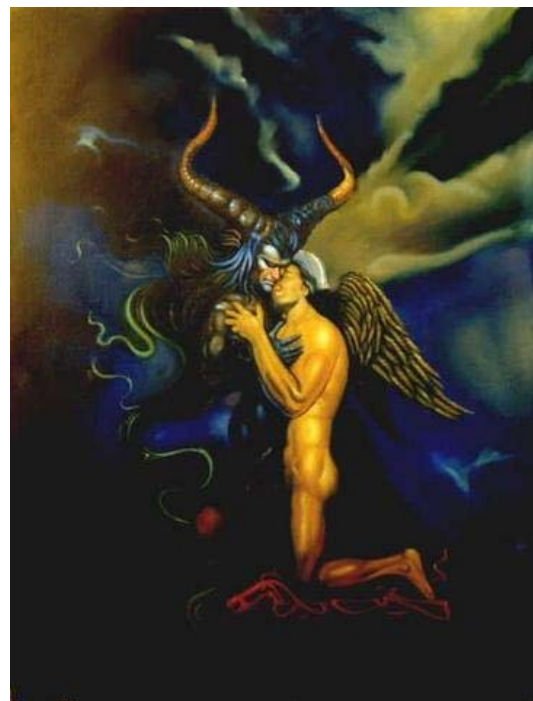

Man and God open to each other and life is perfected. Your work is done: now simply follow your deepest and most honest desire. Destiny and worship are the same.

To Worship Cock is to Create the Universe

The prerogative of Cock is to be worshiped as God. The correct state of God is that of being worshiped.

The purpose of the worshiper of Cock is to strive to create perfection of being for all Cock. The perfection of being for Cock includes many states, a great number of which involve "pleasure".

What man knows as pleasure, Cock knows as language. The infinite nexus of Cock-energy--that which creates and enhances Life throughout the Universe--is sustained and strengthened through the constant creation and maintenance by worshipers of pleasure for individual Cocks.

There are legions of states of pleasure for God. There are the peaks of pleasurable states and

there are the manifold intermediary states: repose, slumber, mild arousal, constant sustained mid-arousal, anticipatory high arousal, and so on. The mapping, study and perfection of all of these states in all Cocks is the life-purpose of the Cock-worshiper: of you.

You were born so that you might study, love and give pleasure to Cock. But this is something you've known all your life!

This is why you were born and why your lungs fill with breath, Cock-lover. Yours is a life meant to be devoted to the service, love, adoration of Cock. Your destiny is between the thighs of all men, in service to God.

The absolute and perfect prerogative of all Cock is to be worshiped and loved as God. To the extent that Cock experiences worship, adoration, service, devotion and pleasure, to that extent the energies of the Universe are balanced.

To serve one Cock with absolute and perfect devotion, with self-less passion, is to serve the entire Universe in its infinite completion. This is true: To hold a Cock in your hand, in your mouth, is to hold the infinite Universe in all its manifold glory in your hand, in your mouth.

When Cock is denied its rightful worship, the energies of the Universe are out of balance. The sacred work of the Cock-worshiper is literally that of maintaining the

balance and the ongoing creation of the Universe.

Worship Cock and all is right with the Universe. Worship Cock and the positive energies of Creation flow free. Pray to Cock with love and devotion and truth in your heart and soul, and the positive creative energies of the Universe flow freely in your life, creating that for which you pray.

For the Lover of Cock who gives himself body and soul to Cock, taking Cock as his God and Savior, life is filled with joy, creation, brotherhood and communion.

Embrace your heritage! Your heart is pure, Cock-lover, when you worship. Your soul is purified and liberated when you pray with the deepest and most devout sincerity to God.

Through worship and prayer, become One with Phallus, body and soul.

To Serve Cock is to love man is to be Happy
Make your life's work the mastery of service to Cock and to man.

You live the most blessed of all lives, Cockworshiper. You are the most blessed and fortunate of all humans.

Give some thought to it, in your haze of Cock-lust and desire. Stay in the Cock-lust haze, Cockworshiper, but think just a bit while inside it! You can be ecstatic in your worshipful state and still live a life in society!

What does it take to make the Cockworshipper happy? What is the source of the Cockworshipper's bliss?

A glance of a Cock. A man unzipping his pants. The smell of a man's loins. The very thought of the smell of a man's loins!

The thought of Cock! An Image of a nude man. The sight of a mens-room, a urinal, a toilet stall, a shower room.

As serious and committed Cockworshippers we live a micro-fraction of an inch away from constant ecstasy! We are perfectly inclined to the joyous life.

On your knees thank God for your life. Thank God that you were given the ultimate grace of being born a Cockworshipper.

What makes the Cockworshipper jubilant and filled with life? No more than a subtle bulge under a man's pants. The thought of what may be inside a man's pants.

The promise of Cock, the hope for Cock, the desire and dream and thought of Cock!

The love and adoration of man.

Every Cock you have seen, imagined, remembered, dreamed of, hoped for, loved, worshipped. Each one God. Each one a Blessing.

There will never come a moment when tens of millions of men don't need to be worshipped, adored, when millions of men don't need a Cockworshipper to worship between their legs, to adore that which all men understand to be God.

You live the most blessed of all lives, of all humans. You are the most fortunate of all! All men---every one!--needs the Cockworshipper. All men recognize the Cockworshipper. All Cock is drawn by Divine Nature to the Cockworshipper.

Do you think all men have been found by this page? Do you think all men share or even see these Images? The Images, this page--- They found you!

Think of the Cock with which you have been blessed, luckiest man. From within your Cock-lust haze, think of the shower room glimpse. Think of your discovery of masturbation. Think of the man in the bathing trunks. Think of the surfer, the skateboarder, the carpenter, the construction man, the plumber, the office boy, the messenger, the street hustler, the man in the next apartment, the boy in your high school class, the military men.

Your lineage is the most ancient and honorable. Your practice and religion are the most powerful and true. That which you worship is God and the

Universe and resides between the legs of every man.

Be happy, Cockworshipper. Your God has provided for you exceedingly well. Love Cock. Give pleasure to Cock. Do this and you will have lived the best life, the productive and good life.

To love Cock with all your heart is to be a good man. To worship Cock and to give your soul to Cock is to love man. This is happiness.

May your Path open your heart to the absolute and eternal worship of God. May you be blessed each day with the grace of God.

The Declaration to Another

One of the steps in committing completely to a life of Cock-worship is the simple and honest declaration to another man that you have accepted Cock as God and have given your life and soul to God.

Over the last several days, ten men from around the world have written "the declaration" to me. Several asked that it be kept in sacred secrecy and I honor that request.

When you are ready, simply send me the words, felt from the heart. When you take the step and become the man you were born to be, your existence will immediately become more joyful and full.

Dream of the Day

Dream of the Day when men adoring Cock are the norm and the joy of worshiping Cock is openly espoused, freely done indoors, outdoors, everywhere and at all times.

Dream of the Day when service to Cock is seen by the world as the

finest cause and course for any man,
when worshiping Cock is held to be
the highest good, the finest honor,
the proudest goal, the greatest
career.

Dream of the Day when men
worshiping Cock are embraced,
encouraged, taught, emulated by all.

Dream of the Day when Cock is
loved, studied, worshiped as God in
all corners of the world, by all men,
and the only crime or disgrace or
dishonor is to fail to embrace Cock
and serve God, or to fail to love and
respect those who worship God.

Let your worship and your prayer to
Cock be solid and sure. Let it grow in
your heart and let your will steel itself
in it's allegiance to Cock, to the
needs of Cock, to the pleasures and
holiness of Cock.

Let your identity be infused with the
essence of Cock, the nature of Cock,
the shape and smell and feel and
Soul of Cock.

Give yourself wholly to God, with
devotion and love and a commitment
that lasts for eternity.

Read the following poem by Walt
Whitman as a message from an
absolute worshiper of Cock and a
lover of men:

I Dream'd in a Dream

I dream'd in a dream I saw a city
invincible to the attacks
of the whole of the rest of the earth,

I dream'd that was the new city of
Friends,
Nothing was greater there than the
quality of robust love,
it led the rest,
It was seen every hour in the actions
of the men of that city,
And in all their looks and words.

Cock-worshiper, for the world to
change you must become that which
you are. For the world to change,
you must embrace That which has
loved and called to you forever, for a
thousand lifetimes. For the world to
change, you must give your soul to
God and live a life of honesty and
truth. Cock-worshiper, look into your
heart and know what you were born
to do.

Cock-worshiper, look into your heart
and see God waiting for you, proud
and erect and pulsing in
magnificence. If you will only believe
and practice and pray to Cock with
all your heart and mind and soul,
your life will be perfect, renewed in
purity of purpose, reborn in honesty
of intent.

Confess to yourself in your heart that
you belong absolutely to Cock and
that your every breath belongs to
God, exists in service to God. Do
you not long to become One with
God? Could you be happy with any
Path other than that of giving service
and worship to Cock?

Every week, men write to me and
give themselves to Cock, body and
soul. When will you find the way to
your heart's Path?

Accustom your mouth to Cock
From the beginning of time the
mouth and the phallus. With the
advent of man, the wild savagery of
the dominant male was placated by
the fearful yet worshipful male.

Alongside the procreative role of the
Phallus developed the equal function
of oral connection, of oral worship.
With the brief savagery of early
procreation the male was required to
be quick, to seat the seed as deep
and as fast as possible. The
male/female conjoining was about
the hurried drive to breed.

But the worship of Cock, while in part
about its power in procreation, was
rooted more in the inherent magic,
the sacred and overwhelming power
of the Divine Root of man.

Through worship, with the
connection of Infinitely powerful and
sacred Cock and the worshipful
mouth of man came the articulation
of voice, the prolonged and animated
and creative use of tongue, of palate,
of lips, of throat. And with the male-
being-serviced "uncoupled" during
oral worship and able to watch for
predators, the connection of male-
male mouth to Cock became a
primary passtime.

It is safe to assume that while
hunting was the wherewithal of the
survival of man, Cocksucking was
the rationale, the drive and purpose.
The origins of man, of everything we
understand as man derive from the
non-procreative worship of Cock
during Cocksucking.

From this practice developed all of
culture. Speech, song,
communication, mutual
understanding, pleasure, community,
the entire articulated complex
structure that developed from the
oral worship of Cock by one male for
another male, of human for human.
All that we think of as distinctively
human and worthwhile grew from the
God-spark that was given to man
with the miraculous presence of the
Cock and from the influence that this
God-spark had on bonding man to
man through mutual love and the
oral worship of Cock.

When a man learned to have
another man put his Cock in his
mouth, that was the beginning of
human. At that point the mouth
literally joined with creation and was
given the spark from the Phallic
Imperative.

This was the origin of social behavior,
the origin of what became
"friendship" or what very slowly
became "sex". Communication
among men was initially
Cockworship, Cocksucking. Before it
was "sex", it was this religious and
profound connection of submissive,
worshipful man (full of wonder and
joy and the need to merge with
Phallus) with Cock.

Man moved into uprightness,
standing erect and creating the
round muscled ass, in order to
present Cock, to "lead" with Cock.
Cock drew men, in every way, into
being human.

Even simply holding Cock in the
mouth is learning the True Language,

the ur-language of humanness. Holding a Cock in your mouth, suckling, fondling It with your tongue, learning to accept the Cock as a part of your mouth and your body is a direct connection with God. When a man holds a man's Cock in his mouth, it is returning both men to the origin point not only of man himself, but of the Universe. To hold a man's Cock in your mouth is among the greatest goods that can be performed. The Cock becomes a Bridge between the mouth and body of the worshiper and the Cock of the man who is being worshiped. Vast amounts of information and energy are transferred and both men are nourished.

A man who worships Cock should understand that his mouth was created for Cock. The primary speech of which he is capable is that of providing stimulation and pleasure to Cock.

Learn the originary tongue of God that can only be taught by Cock. Open your mouth constantly to Cock, invite Him, please Him, be taught and created by Him as you experience the surge of God-energy that flows from Cock into you.

To take Cock into your mouth is to experience the most ancient Church.

What God Phallus Forges: Man is guided by Cock.

A basic and necessary step in the worship of God is the "correction of focus".

The "correction of focus" means to bring yourself to the point of awareness where you are able to see Cock directing man.

Watch masturbation carefully, with full awareness. "A man masturbating" is actually God speaking to--and through--man. Cock is directing every minute movement, every action. It is a dance through the man by Cock using the God-language of Phallic pleasure.

Do you really think the Universe was built from angst, anguish and horror? That which is God made this Universe through the agency of

BIBLE OF COCK – EDITING BY MARK T.

Last Rev. 11/17/08

precisely the pleasure which He feels through you as "you masturbate".

The Mind of Cock is the true agency behind your life. Unhappiness, confusion, distortion are all to a great extent the result of an incorrect focus, a belief that the impetus for your life comes from the mind that is in what you believe to be "you".

In truth, a man is the most elegant instrument for God's speech (His "pleasure"). Man is God's Joy.

And semen, the infinitely beautiful issuance of orgasm, is God's Sacred Promise toward the ultimate continuity of Life. When Cock ejaculates, this is God's love for man made manifest and physical. Semen is God's Vow of love to man.

To Think of Cock is to Worship
The love of men is a courageous and perfect Path. You have found yourself drawn to the worship, curious and enticed. But inside, in your heart, you feel residual fear, hesitation.

The power of Cock is beyond intelligence, beyond comprehension, beyond all things. It was Cock that created All. To even look at Cock, at an Image of Cock, is to be overwhelmed by the depth a man confronts in the Infinite.

When you gaze at Cock, you gaze at All.

Man is the bearer, the abode, of God.
This miraculous fact is the basis for

everything we feel, everything we know, everything we believe.

If you are hesitant and fearful, move with care. God is eternal and infinitely patient. And the fact of God's living presence between the legs of every man is not going to go away, not going to suddenly change into a rumor or a myth.

The life of a man who knows he was born to worship God is one filled with bliss, with fulfillment, with satisfaction, communion, purpose and joy. That is not going to change. It is your heritage and birthright.

It is true, from the heart of the Universe to the heart of each man: the soul of man is intertwined inextricably with God. And God is Cock, dwelling in glory as flesh between the legs of every man.

Simply gaze, then. Gaze on Images of God and search your heart and your soul. Don't be impatient or aggressive! Look deep inside, to the very innermost heart of yourself.

And as you gaze on the Image of God, ask yourself:

Is what I feel adoration?

Is what I feel worship?

Is what I feel the recognition of my soul-nature?

Am I a man born to worship Cock?
Am I a man born to this most fortunate brotherhood?

Only to yourself, in these darkest days of the year, give the answer to these questions.

Can you recognize God when he sings in your heart and gives life to your every thought, action, feeling?

The love and worship of Cock is the universal religious truth, the fundament of a man's life.

Again, look at an Image of God and feel. What is that in your heart, that particular feeling you get whenever you gaze at Cock?

Do you feel wonder? Do you feel awe? Do you feel the wellspring in your heart of the religious impulse?

The Path is infinite and the branches of the Path are equal to the numbers of men. The brotherhood is yours if you recognize yourself and declare yourself.

To the many who have written to me over the past week, I have only been able to answer a few of you. But know that I have studied and learned from your correspondence and thank you. I join with you in the love and worship of Cock.

Imagine if you will a place where men carry their Cocks as openly as their faces or their hands. Where men greet each other with acknowledgments of Cock, with

mutual fondling and pleasure. Where the ordinary state is that of giving Cock pleasure and worship and Cock is never hidden, shunned, shamed.

Imagine if you will a place where men are led utterly by the pleasure of their Cocks, where they freely offer their Cocks for the delight, love, worship and communion of other men. Where public "gloryholes" are universal and beautiful and used by all constantly. Where men congregate openly to admire all Cocks and connect through the communion and communication of God. Where the only sin is the unrealized pleasure and delight of Cock.

Imagine a world where shrines and temples and massive perfect sculptures of Cock abound and are filled with loving and free worshipers and temple guardians and Phallic adorers.

Imagine this world and imagine it in great detail. In your worship and acceptance of Cock as God you are bringing it into being. If you see it as you attain orgasm, you will have drawn it that much closer into reality.

God, to whom I give my love and life, bring into reality this world I see of the sovereignty of open and complete Cock-love, of Cock-worship and adoration among all men. May it blossom and grow and endure for all Eternity. May all men find freedom in the absolute worship and pleasure of Cock.

We are each born to worship God in a particular way. Each man finds God and God finds each man. If you have connected with God and are receiving teaching, give yourself completely to the teaching. Submit utterly to God and receive God's teaching.

How do you receive God's teaching? By giving yourself utterly to the needs of God. By becoming a vessel, a means of the "pleasure" ---the language and thought---of God.

Know the power and the grace of God by becoming One with the sacred pleasure of Cock. This is your life and your purpose. This and nothing else.

Recognize God by your sense of incompleteness when He is not with you. To the depth that you give yourself to God to be taken, possessed and taught, to that extent you are blessed and brought into the perfect life.

You are one of those men born to be taught and possessed by Cock. Open yourself and give your very soul to God. By losing your self in God, you become one with the Path and are blessed.

Relinquish your life to God. Be possessed by God. Let your mind, body and soul be the possessions of God when you have been blessed with God's presence and power.

Open to God until you are no more and there is only God.

This is your Path.

I have no will but the Will of God. I have no life but a Life in God. I have no love but a Love through God. I have no soul but the Soul of God.

Embrace Desire as Wisdom
There is pure and perfect Lust and there is the lust of modern society. Pure and perfect Lust is a man's love for God within a structure of knowledge and community. The connection of man to God is a triumphant experience in today's

world because today's world denies not only the Godhood of Cock but poisons the connection of man with God through this virulent denial.

Cock is God, to be worshiped and adored. God hears prayer and is intelligent and aware beyond the capacity of man. Phallic Mind is inherent in the Godhood of every Cock. The language of God is what man feels to be pleasure and delight, the language of the creation of all things. To the extent that you are ready to know this, Cock will accept that degree of your adoration. Recognize the Godhood of Cock in Its absolute and perfect capacity to accept your love and your offerings of pleasure. When you are ready to worship God, God is ready to embrace your worship.

Man is, without a community of co-worshippers, alone and challenged by today's world. Bringing a man's spirituality into fullness and realizing the communion of man with God is extremely difficult in these times.

What is the right attitude? A firm conviction to love men. A firm conviction to embrace God with your mind, your body, your heart and your soul.

Cockworshiper, you are far from alone! If I could show you the communications that I receive every day from around the world you would know. God is awakening the souls of men and taking them into His embrace.

Cockworshiper, love Cock with all your soul. Recognize that your life is a loving and conscious creation by the vast Phallic Mind that is calling to you as Its own flesh even as you read these words.

Why do you doubt this? Why are men so wary of the knowledge of the Union of flesh and spirit? Of God and man?

Where do you feel the call of Cock, the call to worship and devote yourself and your life to the ministration of pleasure and fulfillment to Cock? Where in your body, in your soul and mind do you feel Cock calling to you?

Is it an ache in your soul, Cockworshiper? Is it your heart longing to be One with all Cock? Is it your mind remembering Cock, imagining Cock?

You know what you are. From birth and from before birth and until death and after death you belong to Cock. You know that you are destined to answer this call. You know that in every way you belong to Cock. You are a man born to minister to Cock. You are Cock.

Once you have accepted and fully understood this, the rest is not difficult. Once you give yourself to your heart's desire, the Way will call to you more and more clearly. The Path of Cockworship teaches the man. As you accede to the purpose of your life more fully, you will be drawn in and taught and awakened.

The life-work of the Cocklover--your life-work, Cockworshiper--is a sacred lineage passed by birthright, by experience and through communion. Communion we gain from worship and prayer.

Even for only one complete breath, give yourself utterly to Cock and embrace God with your soul. But know that once you have had the experience you will not come back. God's loving embrace is strong indeed.

Your life, Cockworshiper, is a sequence of Gods you worship. There was the first for you to worship in this lifetime, and there will be the last in this lifetime. May you find the way to blissful and complete Union.

Offer yourself

All Cock, no head! Believe and search from the heart of your lust.

There is a man you have met. This man has met you and knows now who you are.

He is arrogant, difficult, even abusive. But he offers the purest chance to give devotion without stint, to quicken your soul and hone your practice. Your time is here to shake off the shell of human and to glow as pure devotion, as pure service.

As the heart of your connection with God warms and lives, ease and pureness will grow in your life. But your human ego must be sacrificed completely.

There are points in our lives when we encounter an Owner on the Path. In an oblique way he will offer to take us. He will laugh and pass off the most serious matters as nothing.

The Owner for whom you have looked will not ask for money and he will not ask for gifts.

He will take only two things.

Your life and your blind devotion are all he has use for. And these he will give back when he has finished. You

may be his for a day or a lifetime.
You may be his for eternity.

He exists in the world of God. He breathes the love of God. His semen is the life of your soul. You have met him and again you hesitate.

There: fear in your belly.

In your fear, isolation and your life-madness the sanctuary of pure and abject devotion is within grasp. Give up all that you have been, all you have thought you were. You are nothing now, an emptiness, the timeless space between breaths.

Cocklover, what greater or higher aspiration could you possibly have than to be a simple and unthinking embodiment of the purest desire for God?

You are not your father's son. You have no mother. You are an orphan born from the heart of Phallos. You belong to the lineage of Cocklovers, of those who have given their lives to the worship of God, the great fire.

Put down the swords, put down the knives. You do not know how to pare from the chaos of life your own sanctuary. Your hands were not formed to build a gateway to the heart of man.

Put stone on stone with patience. Be still within.

You have met an Owner of men on your Path and must give your life to him.

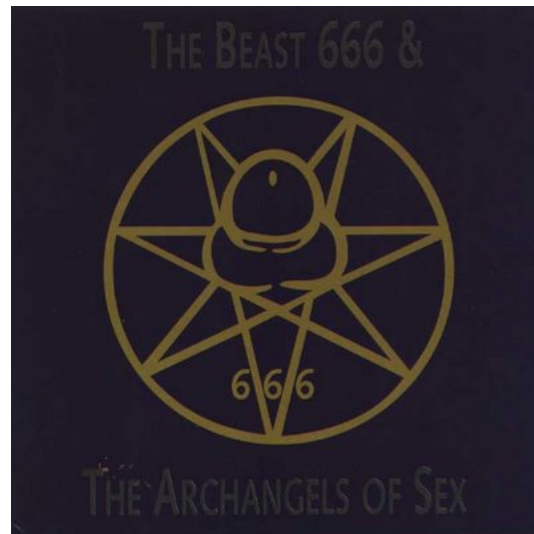

Have no illusions. Have no hope.

He will give it back when he is done with it.

You have tried and tried, but have never managed this complete true devotion.

Cockworshipper, try this:

Find an object the size of a small stone that is large enough to hold your life. Will, with your deepest desire, that your life--all of your memory, all of your experience, all of your learning, all of your desire, all of your hope--pass into the object. Wrap the object carefully, beautifully. Write a simple and honest note of devotion, intent, love, service and need.

Somehow give the object and the note to the Owner. Do not be seen! He is playful, strange, intense, impossible, chaotic. He will bring

ruination to you! If he sees you coming with your life in hand, he will run, he will reject you!

In your heart even now you kneel, your forehead to the ground. Even now you are a True Believer and have accepted this man as your Master. All that is left is to empty your heart of hope, to make a simple present of your life...and wait.

He will say "Why should I take even a moment to spend with you? Why should I bother myself for even a moment? I am busy. Go away! I know nothing! Find someone else to bother!"

He will reject you and reject you and you will become less and less.

Remember only five words: "I give you my life."

Be silent within, only breathing. And wait forever as a perfect and obedient dog waits.

Recite this and it is True. Write it with your deepest honesty and it is forever binding. Give it to the Master and it is done:

My eyes are Thy Eyes, Master. Use them for Thy Purposes.

My ears are Thy Ears, Master. Use them for Thy Purposes.

My hands are Thy Hands, Master. Use them for Thy Purposes.

My heart and body are Your Heart and Body, Master. Use them for Thy Purposes.

My will is Thy Will, Master. Use it for Thy Purposes.

My soul is Thy Soul, Master. Use it for Thy Purposes.

For eternity I give myself to Thee and bind myself, heart, mind, body, will and soul in absolute Sacred Servitude to Thee, Master.

I swear this by All the Sacred Names of God and in the Knowledge of all those who know the Truth of the God, Phallus.

Abjection

Abjection is an essential part of the practice. You cannot rise closer to pure love of Cock without abasing yourself, denying yourself. Worshiper, you have no dreams or ambitions beyond loving Cock, beyond living for Cock.

You must give up all that you have in order to become that which you truly are. Do you think this is a game of pretend? A fantasy? If you forsake your devotion to Cock you are forsaking that which gave you life and which sustains you that you might live in obedient service and worship.

Cock is aware and has given you life, Cockworshiper, that you might devote that life to His worship.

There is nothing in the universe that commands and attracts attention, praise and worship more than Cock. This is an element of Godhood, of the sacred. Just as you hunger for God's presence, God hungers for your pure and true worship. Through your devotion, your obedience, you give sacred nourishment to Phallus.

As you worship, the flow of incandescent adoration for Phallus becomes nourishment for the creation of the universe. The more selfless and absolute your devotion, the greater the flow, from your heart and life-force, into the power of Phallus.

That which you count as you, as your own, is an impediment in the pureness of your devotion to Cock. Every element of your "individuality" is an obstacle to the purity of the love that is meant to flow--free and unfettered--from Cockworshiper to Cock.

Do you love Cock? Do you worship Cock? Is your love and worship for Cock the guiding force in this life? With the raised, throbbing majesty of Cock before you, do you think of other things? Of "personal plans"?

Faced with Cock, the worshiper is trusting, obedient, non-existent. Faced with Cock, the worshiper becomes the purest instrumentality for Cock's pleasure. There is nothing else.

Worshiper, you are man and not-man. You are a being living in the skin of a man, a being brought into this life by Cock for Cock's purposes. The wildness that lives within your skin, worshiper, is precisely that which will never be tamed, the reflection of God's power held in the skin of a man.

When the wild ones, the true worshipers of God, are born, they are always given to another. The meeting of the worshiper with the other, when it finally occurs, is auspicious and brings satisfaction and pleasure to GodCock.

Cockworshiper, do you not notice that your life becomes better? Do you not notice that that which eluded you is now within your grasp? As you have approached CockGod and have given yourself to Him, order and meaning are yours.

Do not think, Cockworshiper. Do not plan or hope or dream. Do not be sad or lonely, Cockworshiper. Give all your energy and all your time to

hewing from your heart a perfect simulacrum of Cocklust. Give all your energy and all your time to forming your life into an instrument of perfect service to Cock.

The life of perfect worship is a balance of abjection and inundation. Flooded by the purest love and delight and simultaneously drowned by scorn and even shame, the Lover selflessly follows the Path that is lit through his heart to the Soul, that Fiery place deep in everyman's loins where he connects with God.

Through the deepest abjection, the most absolute devotion, give yourself to complete communion. Learn the language of a man's soul. Investigate all the ways to adore and worship Cock. Give yourself completely to the Master. Obey the dictates of God in all ways.

There is no love other than the love of the worshiper for Cock. The heart of the worshiper is filled with the essence of Cock, the fluids that flow through Cock, the smell of Cock, the throbbing presence of every Cock.

The worshiper lives to give pleasure to Cock, to adore the pendulous heaviness of God, the warm blood-filled flesh, the thick veins that pulse under the tongue.

The smell of God is enough joy for the worshiper!

Give to Cock everything. Your pride, your freedom and selfhood. Your history and beliefs. Your conception of family, of relationship, of being. Your breath, soul, mind, body.

Give Cock everything. You were born to this, Cocklover! This is why you exist! Would you withhold from Cock your perfect devotion and love? Remember that time from before your birth, from before your conception before Time, when what now claims to be "you" was pure adoration, absolute Lust at One with God Himself. However He calls you now, you must faithfully answer and obey. The longing you feel is Cock calling you to Him. Feel the deep tug in your heart! Follow Him! Give yourself to Him.

You are born to give other men the way to worship. Never forget this. By your passion you set an example and teach others not only that Cock is God, but also how to worship. You are here to teach through worship. You are here to inspire those who sleep and try to awaken.

I am in the joy of Cock's Cage, a prisoner who has in complete devotion given all to the Phallic Fire, the lusting connections among men. I am all other men. Their semen flows in my veins, my heart. I have no mind but the Fire of Cocklust. It fills my life. I am blinded and free exactly as I am chained to servitude: Cock, Master, take this man that was me. All is yours! Use this worshiper for your purposes!

As you breathe in, worshiper,
breathe in the musk and sweat of
God-crotch, of man-root, of fertile
fountains jetting from the base of
Cock-stretched man-hole up through
sacred shaft, sperming oceans and
universes across the dark night,
giving birth to man, to worlds, to
stars, to all and everything. Oh, take
this into your heart!

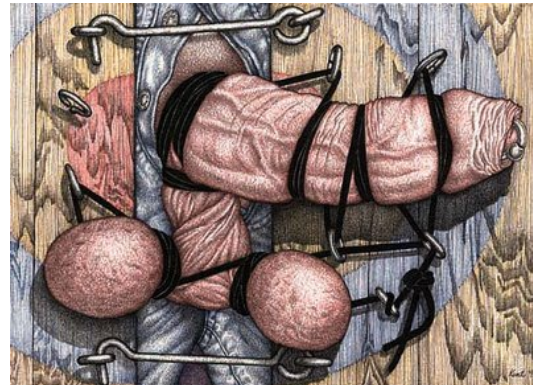

As you exhale, worshiper, exhale
into all other men, those who effort
toward awakening from the sleep of
unfeeling ignorance, exhale into
them the searing salty semen that
floods and courses through our veins,
that burns in our souls as God's
presence, God's voice, God's
awareness.

Give thanks to God. Give thanks to
the Master. Give thanks to all men
who, in like spirit, share with you
God hanging heavy and potent and
powerful, alive and aware between
their strong hairy legs. If you ever
doubt my word, look at even one
Image of Cock and feel coursing

through you the love and the
knowledge that comes to man
through the simplest communion
with Cock.

Forgive me, my Master, my God for
my pride.
Forgive me, my Master, my God for
my reticence.
Forgive me, my Master, my God for
my continuing individuality.
Teach me through your presence
and grace to become ever closer
To Oneness with Cock.

My every breath in worship,
My every thought in worship,
My every act as worship,
This life for Cock.

Seed Worship

Worship Cock through the worship of
Seed.

In the moment of universal Creation,
Phallus made Seed.

In Seed is All. The Universe and
man are the same unfolding from
Seed.

From Seed comes man. From man comes Seed.

Between the legs of man is the Tabernacle of God, the male loins, where God and man's soul are intertwined and intimate.

A man's soul, nested deep in his loins, is in sacred connection with Phallus through the man's relationship with Cock. The longing for Cock is the longing of the soul for Communion and Oneness.

As a man gives pleasure to Cock, he strengthens the connection and communication between his individual soul and Phallus.

The soul is embraced by Cock, educated and made aware of itself by Cock. The soul is surrounded and made alive through the pleasure and desire experienced by the man for Cock and by Cock for attention and worship.

When man moves through Cock-pleasure toward orgasm, he moves toward Union with Phallus.

Phallus exists as the perfect Union of matter and energy, of Spiritual and Physical. The closest the physical man can come to the experience of this is in the period known as the orgasm, just prior to the ejaculation of Seed.

The moment of orgasm is a temporary Union of man's soul with Phallus, a blinding and fleeting Oneness with the ongoing State of Phallus.

Orgasm is the full awareness by Cock of Itself. The man's personality and history are utterly eclipsed, lost.

Ejaculation is the creation of the Universe; Seed is the purest physical manifestation of the workings of the Imagination of Phallus.

The Seed which is ejaculated from a man's Cock is the blueprint, the plan and promise and joy of Phallus.

It is the sacred symbol of God and should not be wasted.

The worship of Cock is the worship of God. The worship of Seed is the worship of the Creation by God of all things.

In orgasm there is no human identity, only the pure flow of God.

All men know and hunger for Union. This is the meaning of being male.

There are men given by Cock into deep and perennial worship. These are avatars. They sometimes are known by their insatiable hunger. They sometimes are known by their powerful or enormous Cocks. The

former are ecstasies. The latter are incarnations of Priapus.

There are men who are given to a hunger for "edging", the extended exploration of the states prior to ejaculation. These are explorers of the Path in this time of darkness.

There are men who are Masters, through whom Phallic Energy flows directly into the world. These men are to be worshiped as Phallus: the Body of the Master is Phallus Himself. The Will of the Master is the Will of Phallus Himself.

There are men who are slaves. They are born to serve a Master and are tasked with the lifelong servitude and worship of a Master. They are adjunct souls whose wills are meant to serve the Will of the Master. The slave worship Phallus through absolute and unthinking obedience to the Master.

Let avatars be blessed by the Presence of Phallus.

Let explorers be blessed by the Strength and Mystery of Phallus.

Let the Masters be blessed by the Power, Knowledge and Will of Phallus.

Let slaves be blessed by perfect and unquestioning obedience to the Masters.

In the life of a man who worships Cock, all meaning and purpose derive from giving pleasure to Cock. Feel this and know this every day.

Seed is the sacred promise by Phallus to man of The Union of God, man and Creation.

Semen is the digestion and creation of that which each man ingests, taken through the sublime filtration of man's soul and GodCock, blessed and rendered most powerfully through the literal manifestation of Phallus in the Union of matter and energy that is a man's orgasm.

The number of correspondents has reached a point where I can no longer respond to even a small fraction. To those who have not received a response from me, I apologize very sincerely.

The numbers of men who openly accept Cock as God are growing. When you are ready to do so, write to me and, in sacred secrecy, state that you worship Cock as God and that you give your life, your body and soul to the adoration of Cock for all eternity.

The slave becoming

The moment of contact, the inspiration flows from God to man.

In your loins and heart you feel the drawing near of the consuming state of worship. You know the process of transformation now from within. It has begun and having begun it will not cease.

Once the process begins, Cock draws the nothing that had been a man toward It: the goal is to Merge with God. The goal is to bring to Earth the unfettered worship of Cock. Toward this goal, the slave gives all.

Deeper. Always deeper and toward the Totality. Do you strive with absolute sincerity on the Path? Has that which is becoming a slave truly given its heart to the Highest Purpose: to be One with Cock?

There are Masters who require of the slave that only the Master's Cock be worshiped. There are Masters who give the slave to the Path of the worship of many men. In all things the Master knows what is being done with the slave. In all things the slave must know humility and gratitude

that the Master has accepted the slave as His Possession.

This is the Master sent by Phallos, the Master Energy that will dissolve and destroy the ego of that which had been a man and is now efforting to be born as slave-to-Cock.

That which is becoming a slave that worships Cock gives up thought, gives up fear, gives up doubt. In increments, Cock draws that which worships It toward the Goal.

Abasement of what had been the man is required. Abasement is the Path of that which thinks of itself as a man toward being truly birthed as a slave to Cock.

Abasement is the process for the loosening of the grip of what had been the man. In abasement, the personality is shocked, insulted, loosened and lost.

God has twined the slave to a Master. Let the slave beg for Communion with the Master. Let the slave beg in its heart and soul to the Master for God's Communion. The slave must communicate to the Master constantly that it needs Communion, the Communion of the Master's Seed.

The slave: not a man but a thing that belongs to a Master. The slave is not human but the worshiper of the human, of the male, of Cock.

The most fortunate slave is owned by the cruelest Master. The Master through whom the Mind of Cock

manifests most entirely and perfectly is the Master who embodies unpleasantness, who embodies unattractiveness, who embodies rudeness and arrogance. The most fortunate slave serves the Master Who is monstrous, repulsive, deviant. The Master through Whom God's Energy flows is a Man born to be monstrous, defective, alone.

That which is slave brings glory and joy and pleasure to Phallus through serving the repugnance of the Master with joy and devotion. Abasement of the slave by the Master is the Path.

The Master through Whom the Mind of Cock manifests most purely is the Master Who is unwanted by all, served only by the lowly slave.

Embrace all to become nothing: embrace the Master's smell, the Master's filth, the Master's cruelty, the Master's selfishness, the Master's shortcomings, the Master's faults. That which had been a man and is being born into slavery-to-Cock is joyous in being less than the Master, serving, serving, serving not as an effort but as the blissful and perfect work which God has given.

The Seed of the Master is the Key.

The slave must hunger for the Seed of the Master.

To the slave, God demands this: live for the Master's Seed; beg for the Master's Seed. This Seed is manna, God's nourishment for the slave.

Each ingestion, each taking into itself of the Seed of the Master is Communion with Phallus. The Deep Voice of that which is Maleness in the Universe sings joyfully when the slave brings the Master to orgasm, when the slave takes into it the Seed of the Master.

The Seed of the Master is the one possession of the slave, the single need of the slave. Through the ingestion of the Seed, the slave becomes closer to Union with Cock,

with God. As the Seed of the Master is devoured, the slave is born.

The Seed of the Master is the Mind of Phallus. The Seed of the Master is the Sacred Teaching of Phallos for the slave.

The Orgasm of the Master is the purest Teaching of Phallus. When the Orgasm of the Master is caused by the slave, the slave is embraced and taught by the Soul of Cock. When the slave gives pleasure to the Master, the two beings merge in Sacred Union. This merging of Master and slave is absolute with the Orgasm of the Master. This is the Light of Creation, the bringing into Being of the Conduits of God.

The mouth of the slave worships Phallus most purely by begging for the Master's Seed, by ingesting the Master's Seed. The mouth of the slave and the body of the slave are given by Phallos to the Master. When the Cock of the Master is inside the body of the slave, a Conduit is completed and the Power of Phallos flows into the world. The Masters are strong, human, powerful, connected to the Phallic Conduit that flows through Them. When the Cock of the Master, whether or not It is erect, is inside the slave, God's Energy is flowing freely into the world and the Work is being done.

When the slave is accepted by the Master, the deepest purpose of the slave is to keep open the Conduit that Phallos may flow into this world. There is no higher purpose or good that can be done by the slave.

This is the Sacred Work.

There are Masters whose Connection with Phallus requires that the slave be devoted to (and experience) only the Master's Cock and Body. There are Masters for Whom the Connection with Phallus is extremely complex and requires that the slave experience (and worship) the Cocks of many men.

The lifePath of the slave is to take the pure Sexual Energy of the Master into itself. The lifePath of the slave is to give itself as a willing instrument for the Pleasure of the Master and, through this, for the realization of the Religion, of the Presence.

The Master's Seed-taker. The Master's latrine. Uncomplaining, unthinking, existing as flesh to be used by the Master, for the Master's Pleasure. For the Master, the Pleasure given to His Cock is direct and absolute Communion with Phallus and is most completely provided by the slave given to Him by God.

The Seed of the Master and the Orgasm of the Master are the food of the essence of the slave. The Seed of the Master and the Orgasm of the Master are the binding of the slave to Phallus. The Seed and the Orgasm of the Master, taken into the slave, bring the slave closer to Union.

To the slave: the duty of the slave is the aggressive pursuit of the Seed of the Master, the aggressive striving to serve the Genital Pleasure of the Master by any method and for any amount of time required or desired by Him.

Live this way and serve God with humility and joy. May the ego of the man you once were dissolve forever in Service to Phallus.

Visions of Manroot

Living in the love for Cock is knowing the perfect home. The constant warmth that lives in the loins of each man, shared by all men, is our identity and center. As you look at these Images, some speculative some already among us, keep your attention on the pulsing warmth.

This is the heart of the man, the place from which all things come. Felt as desire it is the birth of all action. Developed into a pure unquenchable and uninterrupted state it is the gateway to knowing God.

Each man feels the physical merging of his body with the body of Phallus at this place between his legs, behind his Cock. Have you given time to knowing this place, to relaxing and being still and feeling the soul-warmth in your loins?

Groups of men devoting hours to meditations on this sacred spot. Groups of men devoting hours to serving the Phallic imperative that rushes as seed into worshipful mouths and asses.

As you look at these Images, still your mind. Place your mind between your legs and focus your attention purely on the Mind of Phallus that lives in you and animates you.

Your breathing and all the life of every cell and organ that comprises you originates in the life-force, the Mansoul that is at the heart of your loins. You and all that you are has been formed and is sustained in every moment by this force. You experience this as the generative warmth that glows in your loins.

The conscious engagement with this focus of Phallus in the male body is the climbing of the spiritual mountain. This is the merging point of body and soul, of physical and spiritual. In everyday life, the world seems to conspire to keep your attention away from this point. The ways we are taught to dress, sit, move, act...all are dictated by fear of the absolute power that lives in this glowing still and perfect place.

Why would you hesitate to embrace what you know to be the Ultimate? Why would the world seek to constantly distract you, to shame you in your spiritual work?

This Place between the legs of every man is a world, a vast swirling galaxy of living stars. To think of It is to be happy. To experience It even momentarily is to know bliss. To give oneself to It is to become an Ecstatic.

The Play of Manroot is the source of freedom and power.

In any experience of arousal or awakening, the man is communing with Phallus. Do you have dreams? Do you have visions or imaginings? Do you respond to Images in a way you aren't allowed to understand or trust?

Embrace the truth that all meaning in your life flows from communion. With each passing breath, increase your trust in Cock, your dedication to a life

spent entirely in thoughts of mansex, visions of manroot, adoration of manlust.

Always worship Cock. Always revere manhood. Kneel before Phallus and serve Him, in your heart and mind and with your body.

Offer your Cock for worship easily and to all. Cock is an animate and sentient Being; man is the ward and the willing steward of his and all Cock.

These are some of the techniques for communion with God through men: licking, sucking, kissing, fucking, smelling, holding, fondling, imagining, dreaming, remembering, longing, submitting.

Always worship the drive that animates you through the imperatives of Cock.

Between the legs of all men, in the heart of their loins and the hang of their Cocks...this is both Home and Temple.

The worship of Cock, when it is taken most seriously, is a Path toward communion with all men through Phallus.

In the fullest and most complete worship of Cock, the ancient worship of Phallus, is the possibility of all degrees and variants of male love, of male fellowship, of male communion. As you gaze at the Cock in this Image, look inside yourself. Look

honestly and without bias. And ask yourself this simple question: if all men gave themselves completely and without hesitation to this inner feeling that I have as I gaze at this Cock...if all men embraced this, indiscriminately and religiously, what would the world be like?

This is no fantasy. This is no simplistic dream. This is the oldest and deepest religion given to our species. By falling on your knees and accepting Phallus as God with your heart, soul, mind and body, you are joining the infinite brotherhood that has threaded through history, through creation.

When even one man worships Cock with the purest devotion, all men become closer to Union. Embrace that which has for your entire life called to you as the Beloved. You have always been so close. Now you have only to say the word: "Yes!"

Everything you were given as a man, you were given that you might use it for worship.

You were born a stallion among men. Give yourself to all for worship!

You were born to suck God through gloryholes. Spend your life on your knees!

You were born to serve a Master. Give yourself to Him and never look back!

You were born a Master. Fulfill your destiny through the unfettered use of the slaves.

You were born a solitary Ecstatic. Give yourself to the deepest Union with Phallus!

You see men who half-worship, who feign worship, who worry and fret over worship. Be the opposite of this! Burn like a fire with adoration of a man's loins. Give back to God everything that came from Him.

Hold back nothing. Would you tease or play with the power of Phallus?

You belong on your knees, giving praise with your entire soul, your entire being, with a final pledge to complete devotion. To Phallus. For Phallus.

This life, this life given to me by Phallus...I devote this life without reservation to Him as He will take me.

You were born for this and for this alone. Live within pure worship.

Never doubt

Man and man in Union. In glimpse, in thought, in imagination, in act. This is always perfection.

BIBLE OF COCK – EDITING BY MARK T.

<http://groups.yahoo.com/group/dirtymarkie>

Last Rev. 11/17/08

Every sex, every consideration of Cock is perfect and absolute.

Never feel that your conviction is less than it should be.

What is your worship? What is your particular connection to man, to men, to Cock?

Is it sucking All Cock through gloryholes---or dreaming of doing so?

Is it drinking the piss and cum of every man who crosses your path---or dreaming of doing so?

Is it watching porn and masturbating? Is it giving yourself to legions of men?

Even the most fleeting thought, the slightest rise in heartrate. This is perfect and complete and gains ground for the worship of Phallus.

Every desire that springs unbidden from your imagination, every desire that causes the God between your thighs to move, awaken, swell. This is perfection.

I give every moment to Cock
We are each given a Path. The correctness of the Path is known to each man through the fulfillment and growth experienced through practice.

The Mind and the Ways of Cock are infinite. The duty of each man is to devote himself to the study and the worship of Cock in order that he might be led to his Path. The way in

which this is done is specific to each man.

Abjection, denial, chastity and more: these are all correct to the man who lives them as worship. Deep knowledge of Union with God can result from these practices.

A man can be given by God the lifelong task of chastity, of giving the Ownership of the God between his legs to another man. This is true worship and if explored leads to glory and fulfillment.

A man can be given by God the lifelong task of giving his Cock to be sucked by as many men as is possible. This is true worship and if explored and lived leads to glory and fulfillment.

A man can be given by God the lifelong task of planting his Cock and seed deep inside other men. This is true worship and leads to glory and fulfillment.

One can be given by God the lifelong task of serving a Master and giving to the Master the body and soul, including the God which lives between the legs of the slave. This is perfect worship and leads to the grounding of the Church in the world.

A man can also devote his life to unending prayer and worship through masturbation sessions, living in perfect edging hermitage.

A man can find his Temple at a gloryhole, or a toilet stall, a urinal. A man can discover his Temple in a magazine, in a video, in his Imagination.

A man can be given the Path of daily multiple ejaculations.

A man can be given the Path of a lifetime of deep and engaged edging with not a single ejaculation, ever.

The proper study of man is man.

The proper study of man is Cock.

The proper study of Cock is man.

The proper study of Cock is Cock.

It is through the agency of the human male that God studies God, that God adores God.

Apply your self with all your resources and passion to the exploration of the meanings of these aphorisms and your life will be perfect.

Every man is an example for all men in the worship and adoration of Cock, of Seed, of the male.

Once on the True Path, all life is given to God and the glowing point that lives deep inside your loins, behind your Cock becomes the

perfect doorway between man and God.

God may tell the man to bind his Cock and serve only others. God may tell the man to devote himself absolutely to the Cocks of other men. And the man loses himself in pure and perfect worship.

God may tell the man to make of his mouth a perfect Temple for the Cocks of all men, to learn from Cock what his mouth is to be and to do. And the man finds himself in pure and perfect worship.

God may tell the slave to give the body and soul to the Master. The slave trusts God and gives the body and soul to the Master without doubt, without thought. And Cock is worshiped perfectly and purely in the obedience and trust.

In the worship that defines each man's life there is the constant purity of truth and God. In the worship that defines each man's life there is the specificity that marks the man's birth, his place and his time.

Cock is aware and calls to each man.

Worship and be fulfilled!

Utopia

Every sexual act, feeling, idea between two men changes the world and creates a new world.

Desire men. Worship Cock. Fall on your knees. Open your mouth and take into your body Cock, semen, piss. Open your self entirely to the world of men. Worship man's body, devote entire months to kissing and adoring the asses of men. Let your heart and your soul fill in their natural way with the passion that is your birthright and duty.

The impulse to fight, to make war, to kill men. Where does this come from? The play of power is part of Phallic life. Give yourself to Phallus and become dominant or submissive. Hold a man's head in your hands and teach him to spend hours sucking. Work with a slave and take it on a tour of hell. In the realm of Phallus, the play of power is specific and razor-sharp. It never becomes "nations".

Kneel in abject wonder and give yourself to the project of worshipping one man's Cock for an entire hour, a day, a week, a year. Listen to Phallus and take on your worship-projects: swallow the seed of a hundred men; become a urinal for this Cock, for that Cock, for all Cocks; wear out the knees of a hundred pairs of pants servicing at gloryholes; masturbate for eight hours a day (with coffee breaks) for a month, for two months. Then, in the third and fourth months, masturbate for twelve hours a day.

Cock exists to be worshiped, adored, pleased, played with, communed with. Constantly and in every way.

This is the true revolution. This is the real work. This changes the world and brings a new order. Do not doubt that this is true.

Within the complexities of Cockworship are all the needs of men. All the needs for aggression, all the needs for power, all the needs for nurture, all the needs for comradeship.

To Cock say this: "Guide me, my God. Take me entirely into the world that centers around You. Help me to live my life in worship and love for Phallus and the world of men. Remove all fear, remove all doubt, remove all shame: make me a pure instrument of Phallus."

On your knees or towering above other men, do so in wonder at the magnificence of manhood, the perfection of male sex, the sacred nature of male genitals, the Life-Source that is Cock.

There is no limit to the power of God. There is no love greater and no communion deeper. As you suck Cock or long to fuck a man or piss on him, as you bind a man and explore his body with passion, as you kneel before man and Phallus, you are connecting to every man, creating a vital and conscious living system of desire and fulfillment that grows more brilliant with each orgasm, more powerful with each freely experienced pleasure.

Never lose faith in this. Never doubt that the desire and passion and longing that you feel in your body, heart and soul are your greatest gifts, your highest and most sacred attributes. You were born to love men and to worship Cock.

In your mind, during your Cockworship sessions, hold the knowledge that all men worship Cock. But many men are lost.

If you are reading this, you are not one of the lost. Worship Cock deeply and constantly so that all men may find their path and the world may be saved.

Without this true and perfect worship, men are truly lost and the world is without hope.

Devote your life to the love of man and the worship of Phallus. Find the way.

The Center of All Things

I pray for Union with Cock. Nothing more in this life do I need or want.

I pray for Oneness with Cock. In this is my satisfaction and fullness. I pray that my body be given to Cock for all forms of praise and worship.

I pray that Cock reveal to me the vast and boundless Truths. I pray that I may drown in the holy Depth of Cock's mysteries.

I pray that Cock reveal to me the Path that will bring me ever closer to Union.

I pray to be given the grace of the sacred presence of God. I pray that I be graced with ever-present manifestations of God in this life.

I pray that I be given the chance to celebrate the power and beauty of Cock. I pray for the embrace, communion and fellowship of fellow-worshippers. Oh God, embrace this humble Cock-slave! Take this life and use it as You will.

I give my deepest thanks to Cock for giving me life that I may worship It. In

my heart, I am Cock; in my soul, I am Cock; in my mind, I am Cock. May my worshipful obsession ever grow and consume this life and body.

I thank Cock for the infinite and perfect manifestations It takes. May They be worshiped in all Their Aspects!

I give my desire to Cock. I give my breath and thought to Cock. I give my voice and life to Cock. I give all intent, all effort to Cock. This body, this soul, this being for Cock.

May my purpose always be pure. I pray that Cock take my mind and soul and fill them with nothing else but God-lust.

I thank Cock for the pure joy and wonderment that I feel in His presence. I thank Cock for the Union of man and Cock.

I give myself absolutely and without reservation or hesitation to the glory and magnificence of Cock. With every breath, let this body, soul and life be taken more and more completely by Cock.

In the worship of Cock is all truth, all joy, all satisfaction. I give myself to Cock and pray for the blessings of Devotion, Passion, Insatiable Wonder.

Manseed is to be loved and worshiped. Manseed is Cock giving Its Essence. In the moment of seed-release, the man becomes pure vessel for Cock's Creation.

Empty your mind of everything as you approach Cock. Empty yourself of all thought. Allow Cock to fill your heart, mind, soul. As you open to Cock, Cock will fill you, feed and nourish you, body and soul.

There is the purest contentment and happiness in the heart of the man who has given himself utterly, completely to the service and worship of Cock.

The life of the man who gives himself to Cock is perfect and filled with delight.

In the moment of ejaculation, the man becomes One with Cock and the Universe. In that moment all men are exactly the same Entity. The ultimate purpose of this Entity is the use of the male body to give pleasure to Cock.

When you enter the peak of orgasm, you sense the dwindling of the personality, the falling away of your sense of individuality. These are fragile things for the Cockworshiper. In the heart of the orgasm you are bound to the Entity that is One for all men. This is the linking by Cock of all men.

Between the hairy legs grows the sacred Shaft through which God's Seed is jetted. As you gaze at Cock, you feel yourself drawn in, held by the wonder of Its beauty and power.

Cock, Ruler of all things, bless this worshiper with Your presence in my life. Bless this worshiper with manifestations of Your Presence. Bless this worshiper with knowledge of the steps in the Path. Draw this one in, drown this one in Your Glory. Bless this worshiper with a life centered perfectly on Cock.

I give myself to Cock.
I devote this life to Cock.
My every breath I give to Cock.

May I serve the Will of Cock and
May I be blessed with uncountable
Opportunities to worship, to serve, to
please.
Beyond Cockworship, may this
servant be nothing.

Your life was give to you by Cock
that you might give pleasure,
worship, attention and service to
Cock. Your Path and purpose are to
give delight to Cock, to adore Cock.
Give love and glory to Cock, to Seed,
to the Sacred Desires of man.

May your body, mind and soul be
drawn by the Power of Phallus into
His fiery and consuming Heart.

The Fact of Reverential Awe
May I follow the mystery that has
lived in my heart since I was born to
this life.

May I give my heart to the truth that
stands within and before me.

May I give my every breath in
worship of Cock.

May I have the courage to trust that
which I know.

I devote my life to the worship of
Cock.

My work and my life are for God.

As a worshiper gazes on an Image
of Cock, there's always a moment of
hesitation, even fear. The worshiper
feels the unbridgeable distance
between himself, a mortal being, and
Phallic God.

If you watch yourself carefully as you
look at the Images of Cock that you
particularly connect with, or with
Images that are new to you
(promiscuity and anonymity being
two of the many strong tools given
us for avoiding the pitfalls that
society builds around us to keep us
from Union with Cock), there is a
moment of wonder that verges on
"dread". Do you know this feeling?
Can you feel it in your heart? This is
the man that you are, your human
body and soul, feeling the presence
of the sacred, of the Divine.

Ancient temple architecture was
designed to evoke in the worshiper
the sacred sense of "dread" on
approaching the Gods. Just as one
feels both excitement and trepidation
when one approaches a great man,
a famous man, one likewise feels
both the purest hunger of desire, of

holy Lust and a sense of awe as one approaches Cock.

One dictionary defines "dread" first as "to fear greatly" and then as "to regard with awe." We kneel before Cock. Understand the nature of your awe, your fear, and know that that very fear awakens your soul to the Godhood of Cock and awakens your body to direct and consummate worship.

Cock inspires awe and invites worship. Do not deny the sentience and holiness of Cock.

"Awe" is described by the dictionary as "an emotion combining dread, veneration and wonder that is inspired by the sacred or sublime."

When you see Cock, you feel what you feel because Cock inspires this in you. You were not trained or prepared or educated to feel this worship, this awe. It is awakened in your heart and soul because you are directly and undeniably inspired by Cock.

The dictionary defines "inspire" as "to influence, move or guide by divine inspiration." That which inspires you gives you life, breathes life itself into you. When your heart and soul are moved deeply by the very sight, the simple presence of God before you, what is happening? You are being inspired, given life itself, by Cock. As you even simply gaze at an Image of Cock, life is being given to you, life is filling you. That is what you are feeling.

How could this experience not be awe-inspiring?

Do not deny in yourself the experience of awe and dread and even fear when approaching God or viewing Images of Cock. But conversely, don't allow the dread to deny you entrance to the Temple. Allow the very human reaction of true awe to guide the seriousness of your worship.

Take the vulnerability of your heart to the presence of Cock as a guide in your worship. In this, as in so many elements of Cockworship, the truth is puzzling: your greatest strength in the growing of your sacred devotion is in giving your attention to what feels like a profound weakness.

Your ego struggles against this! The man who was raised by his family, who has a job and a circle of friends, he rebels against this! The ego, again and again, stands defensive and separate and tries to deny the validity and the truth of his heart and soul's reaction to Cock. The heart and the soul know what the head is averse to learning.

The man who has made cocksucking his devotion and worship knows what I mean. As he kneels before a man who is unzipping his pants, there is a sense in his heart of the opening of a bottomless pit. This moment has the entire cosmos inside it! There is an ineluctable power, an ineffable majesty present. There is also a rising feeling of the purest excitation and anticipation.

The man who has made gloryhole service his devotion knows what I mean. When a man approaches the gloryhole and the worshiper senses the nearness of Cock that is about to be adored, there is a moment of the purest true awe as the man's body prepares to be accepted by God for God's pleasing.

The men on either side of God during worship--the worshiper and the man who is the physical vehicle for God--are the bridge that enables deep and true Cockworship. This is the meaning of rituals that involve dominance, submission. This is the meaning of places such as sex clubs, gloryholes.

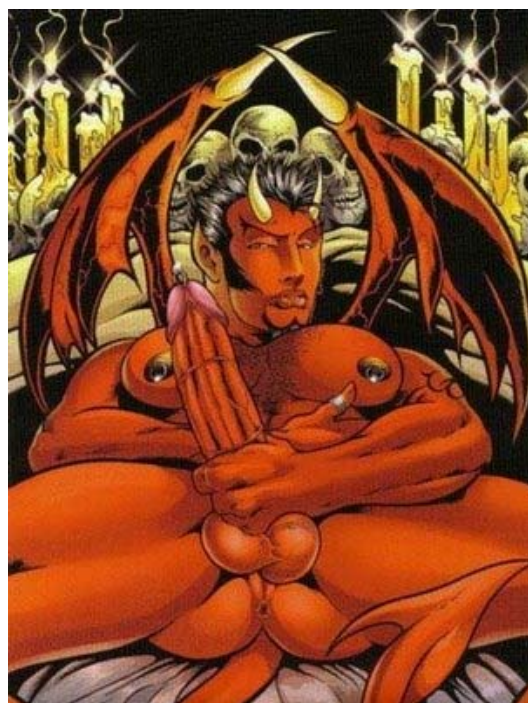

All that is human and male exists to create opportunities for the worship of Cock. Every moment that is spent in worship is rewarded with joy and satisfaction and meaning. There is no better way to spend an afternoon, an hour, a moment---or a lifetime---than in the worship of Cock. This is your purpose. Did you ever really believe you were born for anything else?

Embrace and give credence and reverence to the awe that you feel when confronted with Cock. This is your soul responding to the presence of God, and responding appropriately.

Give full reverence to Cock as the Creator. Give full love and devotion to Cock and to those who give themselves to the pleasing of Cock.

In the moment of sacred dread is the purest abject connection established

between man and God. In that moment prayer is most definitely heard and fulfilled. In your awe God knows the depth of your devotion.

Master

The interconnection of Cock and man is both sacred and profound.

Man is tightly embraced by God in an infinite number of ways. Each embrace is essential to the man.

Allow yourself to awaken in the region between your legs. Awaken the consciousness there, experience the manifold ways in which God-consciousness embraces man-consciousness there.

When you lust for Cock, you are experiencing the direct call of God. When you look at a Cock or an

Image of a Cock and feel lust and desire, it is the call to worship.

Every orgasm is a joining of God and man in fleeting sacred Union. Whenever a man experiences orgasm through the Cock between his legs, he merges momentarily in perfect Union.

Whenever a man enables another man to experience orgasm, he is blessed.

In orgasm, seed becomes semen and is infused absolutely with the purest sacred consciousness. The manifestation of semen is literally a pure expression of God.

If during communion with God you remain tied to your individuality, your personality, your past, your fears and neuroses, then you will be dulled to the fusion of God-consciousness with the experience of semen.

If during communion with God you have prepared and are free of your individuality, your personality, your past, your fears and neuroses, then you will be filled with the ineffable and infinite teaching of God-consciousness through the experience of semen.

Man is the vessel for the creation and the receiving of semen. Semen

is pure sacred substance alive with God-consciousness.

Each ejaculation carries God-hood. Each ejaculation carries the man who produces the semen. The semen is a pure marriage of the man and God.

Give your semen freely to men. As you ejaculate, allow Cock to fully express.

If there is a man you admire or desire, endeavor (without guile or subterfuge and as a sacred and simple act) to experience his semen. There is in every man you admire or desire a lesson from God. Learning through love for semen is a sacred Path.

May this life, with each individual breath, with each infinitesimal move or action, be given now and always to the worship and love and adoration of God. I give myself without hesitation or reservation to this, my birthright, my destiny and my Path. Now and eternally in communion, in devotion, in Union with Cock.

For God the man does all things that God's Consciousness may become the awareness of the man. For the Master the slave does all things that the Master's Consciousness may become the awareness and duty of the slave. Given eternally to these Paths, move always closer to the Heart of the Flame.

Enabling Worship

Enabling worship is balancing and providing, freely and without expectation of recompense.

If you are afraid of worship, move slowly and carefully.

If you are beautiful, give your beauty freely and often to those who worship it.

If you are Priapically blessed, advertise your availability and allow multitudes to worship freely.

If you are hungry to worship, pray for the opportunities and accept them happily as they present themselves. Make constant effort in good faith to make worship occur.

If you are young, embrace the old, freely and with respect. Allow them to worship and enjoy you.

If you are old, worship in the manner which years have taught you and with the wisdom and depth which age allows.

Accept that this life allows you a million times a million opportunities to worship and that you are called by God to fulfill all of these opportunities. Sacred generosity is enabled and called for.

God rewards those who give freely, promiscuously, of themselves. Give of yourself to all! God loves those who give freely and with open heart to those who hunger to worship.

"I will give my Cock for worship to the first ten thousand men who express desire to do so. They are all my brothers in worship, the lost sons of Phallus."

"I will fall to my knees and joyfully serve God by taking Cock into my mouth the first ten thousand times I perceive the need for such service. Each Cock is God and I exist to adore God as often and as freely and plentifully as possible."

"I will give of myself freely and without reservation, knowing that God expresses Himself through the connection of man to man. I do this knowing that I am a servant of Cock, in the knowledge that with every gesture of worship I and my brothers grow closer to Union with God."

"I will not allow the personality that I have developed to impede God's expression. The Union of man and God exists alive between the legs of every man. May I worship this Union always and in all ways."

"My body for God. My soul for Cock. My mind for God. My body for Cock. My soul for God. My mind for Cock."

I pray to God that I be shown ten thousand doorways to the Temple. I give my soul without hesitation to each Presence. May I be given God's Constant and Perfect Light in my progress toward Union. This life and soul for Cock.

In slavery to Phallus is perfect freedom. The life of devotion is

blessed with happiness, fulfillment, joy and communion. By giving yourself, body and soul and heart and mind, to that which created you, you walk through the gateway into the life which is your destiny.

There is a longing in the depths of your being to be One with the Soul of all men. Embrace Cock as God and this longing is realized.

As you worship, you will be inspired. As you are inspired, you will inspire others.

As you inspire others, communion will grow.

As communion grows, you will be blessed.

As you are blessed, God will embrace you.

As you are embraced by God, you will understand.

Demise of the Ego

For every moment of the day, for every degree of angle of sunlight, for every aspect of an infinite trajectory there is a variant of Cocklove and manlove that is pure, necessary and waiting.

Never, in your wildest or simplest or darkest imaginings should you think that your Path is one of solitude. All Paths that are led by the lamp of Cocklust exist as an impossibly complex intermeshing network. All men, all Cock-driven desires and lives overlap and intertwine.

In my explorations I give myself absolutely. I have stood on the precipice countless times and gleefully leaned, tipping into the abyss. All tends toward Union and at the heart of Union is Phallus.

Is my Path violent? I worship Cock. Is my Path beautiful? I worship Cock. Is my Path difficult? I worship Cock. Is my Path frightening and ecstatic? I worship Cock.

Every man, drawn by the Absolute Fire of Cock, explores step by step his Path. In doing so the man explores and becomes himself.

At some stages, Cock recognizes that you are worn or filled with fear. Then Cock calls to you gently and with a lovely smiling face. "Here I am," Cock calls to you. "This will be wonderful!"

There are times when the man is ready for more and Cock is aware of this, always perfectly and consummately aware. "Come now," calls Cock to the man. "This is yours if you are ready."

Sometimes the man needs solitude and simplicity. "Relax now and worship Me between your own legs." Cock gives you all the time and life you could possibly need for this

exquisite journey and asks only for your worship and attention in return.

Give your attention always to Cock. Give your attention unwaveringly to the sweat and piss and smell of the universe between the legs of each man. This is your life and purpose.

Study these things, each with care and all the awareness and love you can muster.

Study them and know that there are mysteries that will tax and challenge you. They come as you are ready for them. The "timing" of Cock's plan for each man is perfect, always perfect. When you are ready, the lessons arrive.

You find yourself dreaming about them. You wonder about the dreams. Is this a part of me? Can Cock be teaching me this? Always, the answer is "Yes." All things that you know, man, you are taught by Cock. All things that you are, man, you are made by Cock.

You will be given to gaze deeply into yourself, and all questions will be answered. Who is this man born in my body? Why was this man given life? What is the purpose of this life? What does it mean to be a man? Why...

The questions will come if you are ready. The answers will follow quickly.

All that you are is revealed and exposed for all other men. You are bold and powerful. All men know. Cock communicates with all men. You are weak, subservient, take earnest pleasure in being punished. All men know. Cock communicates with all men.

When you worship Cock, the world of men opens and flows with perfect ease. The times for all things become clear.

As you approach deep worship, communion becomes a matter of openness, awareness, simplicity. As you worship Cock and give yourself completely to Him, your needs are revealed to other men.

In your heart, in your soul, give all to the worship of God. Become a bit of dust in the infinite storm that is the Power of Phallus. In this way you will, through the Path of Semen and Piss and Sweat and Muscle and Power, you will be One with all men.

In the Seed is all knowledge and truth.

Prayer to the Master
To the Master the slave prays:

This being is nothing but a slave to the power of Cock. This slave falls on its knees, face to the ground, in awe at the infinite variety of beauty and creation. All from Cock. All from Cock. This universe is the creation of Cock. And by Cock this slave has been given to the Master forever.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

The manifold rivers of sexual practice that flow in mighty and unstoppable surges from the Center: these the slave worships. May this lower-than-human slave be a useful and willing vessel for the continuance of these sacred rivers of Phallic practice and knowledge. May this slave be a useful tool to the Master in His Work.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

In every moment of this life, in every breath that sustains this body, all is given to the Phallic God. This slave's heart is filled with the sweet smoldering of constant unquenchable desire. Bring this body and soul into Union with Cock! To the Master, Who is God, all is given.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

This slave worships through the Master all Priapic embodiments. This slave embraces, through and from the Master, the pain and the purest abjection of Cock-based torture and pain, willingly and without limit. The Master's Work be done. This slave offers no resistance to all and any of the limitless lessons that are to be learned through absolute devotion to God Which is the Master.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

This slave is devoted, passionate, soul-bound to the needs of men, the dictates and whims of Cock. To this slave the Master is the absolute embodiment of Cock, the embodiment of the Power and the Sacred Creation of God. This slave is bound in perfect obedience to the Master.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

This slave knows no greater desire than to be subject to the desires and whims of Cock, through the agency of the almighty Master. It is for the

Master to command, the slave to obey in all things.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave prays:

To the Master was this slave given.
To the Master does this life belong.
In perfect and unquestioned servitude is the purest and only salvation for the slave. Through perfect and abject obedience to the Master will the slave gain favor from God and be embraced in joy. The Master and God are One.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

To the Master the slave swears, by all things Sacred and Holy:

There is no soul for the slave other than that of the Master. There is no will for the slave other than that of the Master. There is no desire for the slave other than the desires of the Master. The life of the slave, the soul of the slave, the mind and body of the slave belong without condition or limit to the Master, for all eternity.

May this slave be of use to the Master!

The Master and God are One.
The Master and God are One.
The Master and God are One.

The slave serves the Master that God may be glorified and the Path

clearly set for all men. The Master is the Path. The Master is God.

The Master and God are One.

The slave obeys the Master without question or hesitation, by God this is sworn forever.

By all things Sacred,
Amen Amen Amen

Trust Your Worship
Once you recognize in yourself the true worshiper of Cock, the lover of men, you are duty bound to give up the old habits of despair, of discouragement, or depression.

The practice of worshiping Cock is a practice of happiness and certainty. Always learn from that which you worship. Sense the Power and insurmountable Spirit that emanates from God.

Give yourself to this Creative Power. Place yourself squarely and completely within the Being of Cock. Imagine your body to be utterly enveloped with the glowing Power that you feel every day between your own legs. This is the practice of worship.

Never allow your spirit to flag or be withered to any degree with doubt or frustration. Those men who are born to the pure life of Cock worship are given the gift of pride and pleasure. Their only true task is to give their hearts completely to the love of that which they have adored since before birth!

You are loved, you are protected, you belong to a growing and powerful network of men who are awakening to their Destiny.

Be careful with yourself: the world is changeable. But know that you are held firmly and with infinite and unending Love by the God who made you.

In all ways, give yourself to God. Accept and embrace who you are: a man who worships Cock, who was born to worship Cock, whose sole work is to worship Cock.

Simplicity

Relinquish what has been sensed as "your self" and step by step accept the only reality that illuminates life.

The ultimate purpose of Seed is to nourish the connection with Phallus.

There is no difficulty to worship and adoration. It was born in the worshiper before consciousness or breath. Before the heart of the worshiper pulsed, the love of God was awakened.

As all is given to the purpose of Phallic pleasure and awareness, the Path becomes clear.

As all is given for the purposes of Phallus, life becomes the purest meaning.

For the one born to the Path, "seeing is believing."

For the one born to the Path, bliss and fulfillment are immediate.

Toward a Mansex Manifesto

Each day, though discouragement threatens and sadness clouds your heart, know that the conviction to worship and the connection to the sacred you experience are true and real.

The world is confusing, full of doubt and fear. Every day problems present themselves and we find ourselves waylaid. We think "This should be so easy! I love men, I love Cock, I worship Cock. Yet this is difficult!"

We wonder if it's because we are at fault. Is it weakness or a loss of grace?

Cock is an all-pervasive Being, a vast Intelligence that surrounds and penetrates us. Cock prepares us: we are small and would be unable to survive It's complete Presence. It brings us to Him in the smallest steps, always according to our abilities, always according to the truth that is in our heart.

We are surrounded by doubters, by those who deny and mock what we know to be true. We live in a world that commodifies and cheapens what we love. Everywhere you turn there is cynicism, doubt, derision.

Do not doubt what you know in your heart to be the Truth. Now that you have found the Path would you relinquish it?

Know that once your heart is given, all is pure and fine. Know that in your own way you are drawing all of the Universe toward Union with Phallus, Creator of All Things. If your soul is given earnestly and truly to God, your every breath is a prayer and is heard.

The Power and Wildness of Cock is not to be underestimated! Think silently "I give myself, I give my soul to Cock!" and you are taken! You cannot go back once you have been ravished by God.

The Power of Cock flows through the Universe. Once you have been borne into this river you are drowned and reborn as Worship.

Recognizing for even one second the lust in your heart for Cock, for the sex of all men, allows the flow of Cock's Energy and Power into this world.

The intricacy of the workings of God in this world are beyond the understanding of man. Give yourself and have faith. In embracing your soul-deep lust you add your strength to the worship of God in this world.

I am a worshiper of Cock and link myself in sacred Union to all others. We are a brotherhood bound by the sacred duty and the eternal promise to Phallus that His worship will not be lost or forgotten but will prosper and be magnified in this world and in this day.

May all the mysteries of Phallus inform and nourish the soul that lives within this body, and may all the moments of this life be dedicated in honor and in truth to God Whom I serve.

The love of this soul is Phallus and this life is in Union with Phallus. May all the ten-thousand attributes of Cock-lust be revealed and celebrated through this body.

As God enters me, so may I serve Him. As I serve God, so may I be taken.

Seed-worship

Man and nature are an unceasing surging of Seed. From Phallus is the creation of all things. The worshiper is in service to the sacred flow of Semen.

The worship of Cock is the worship of Seed. Semen is sacred communion, the food of the worshiper.

The meaning of the creation of man is the timeless existence of Cock, the eternal flow of Seed. In the heart of the worshiper there is a perfect longing for Union with Cock, for the

flooding of Seed into the body and soul of the worshiper.

A Path of worship is the dedication to the constant movement of Seed from one man to another.

This body is given as a vessel for man-Seed. This body is given in service to Seed.

On my knees, on my belly, I worship Seed and devote myself to the sacred flood of Seed.

In the bliss of dedication to the Seed that Phallus creates in every man's loins the worshiper is lost, helpless, freed from fear and worry and hesitation.

In the fire of purest lust, the worshiper gives every moment of life to the purpose of Seed-hunger.

All Cocks in this mouth, all Seed down this throat, fill this belly forever with the Seed of every man. This mouth always open, this soul always in hunger, ravenous for God, aching for God.

Fed by the Seed of God the worshiper feels the Spirit of God enter and embrace.

The worshiper and the slave in perpetual feeding and, as the worshiper and the slave grow more and more open to God, they are

taken forever in perfect and blissful Union.

May this slave to Cock drown in God's Semen. This body was created to give pleasure to Cock, to serve the needs and urges of all men. This soul given forever to the needs of men and the worship of Cock.

This life in perfect obedience to God.

Phallic Mind

Through sex, sexual thought and sexual communion and service the intelligence and thought of Phallus is carried and strengthened. Through all acts that serve the pleasure and need of Cock and of the lustful and sexual desires and drives of men, the Presence of Phallus in the world is strengthened and His Path and Union are made manifest.

The male energy flows, from man to man to man. When Cock finds mouth or ass, the connection is pure and Life is furthered.

The male energy is that through which God creates community and connection. Those who enable the free flow of this energy are the true servants of Phallus.

The man who binds, who is bound; the man who pisses, the man who serves as toilet; the man who floods another's ass with sperm: these are the voices of Phallus.

Know that all of these connections are elements of the "thought" of Cock and that through these "thoughts" a massive Phallic "Mind" is borne. This is the community and the Church to come.

On your knees, swallowing semen and piss, you are bringing God into the world. On your belly, taking God's seed, you are a vessel for the Power of Phallus.

The more constant your service, the stronger the Presence. The stronger the Presence, the more Power will manifest in your life and the lives of your comrades.

I pledge this life in service to Phallus.

I pledge this body in service to Phallus.

I give this soul for eternity to Phallus.

May the Union of our souls and the Soul of Cock be absolute.

In service, always, to the living Union of Phallus among men. May the Union be given Life and Awareness among men. Through the unswerving and unquestioned devotion of those who know the Truth, may the Union grow into Being.

Through the Masters may the Mind of the Union speak and act.

Through the Avatars may the Mind of the Union give oracles.

Through the slaves may the Mind of the Union be given service and constancy.

Mind of Cock, God of all things, my prayers be heard and answered.

Body of Cock, God of all things, my prayers be heard and answered.

Soul of Cock, Master of all things, guide this soul to You.

May the Immortal Mind of Phallus be given Voice and Power in the world of men through the pure service of those who worship Cock.

I give myself mind, body and soul to those men through whose bodies and wills Phallus grows in Power. I give myself mind, body and soul to the every need, without limit, of those men who are moved and directed by Phallus.

I give myself mind, body and soul toward the sacred life of vessel for all men who act as Phallus directs.

The flow of Phallic energy is the purest and most enduring connection among men. Through this flow all men become vital elements in the Over-Mind of Phallus. Through the sex and desire of men this Mind acts in the world.

I dedicate myself, heart and mind and soul, to Phallus.

May this soul be born into the Mind of Phallus. Toward this end for myself and all men, I pray.

Approaching True Worship

The worship of man by man. Do I mean by this the aesthetic appreciation of the beauty of man? No, although that is a very real element of the love for all aspects of maleness.

The worship of man by man. By this do I mean a political or philosophical stance that aims toward social equality? A moral ethic that appreciates the wide variance and diversity of human maleness? No, although the political and ethical worlds are a real part of the worship of man.

The worship of Cock. The recognition of Cock as God. The worship of the infinite power that possesses and radiates from all elements of male sex. The recognition of the Phallus as the God that not only has awareness but also hears and heeds prayer, that acknowledges and rewards worship.

Is this a radical notion? For those who live the religion but fail to understand what they do, it seems a radical notion. But for the man who looks unwaveringly into his heart and soul and recognizes the truth, it is simply fact.

Simply saying "I worship Cock as God" is awakening to the truth of your life. It is accepting and openly

embracing that which has been your heart and soul's delight and sustenance since time began, long before the body you now inhabit was conceived by Cock and brought forth into physical incarnation.

This incarnation as a man, this birth as a man who worships Cock, is the sublime gift given to you by Phallus. It is only through the infinite grace and love of Cock Itself and all the Power that It holds that you exist.

"I am afraid to worship Cock." "My life may be disrupted."

These are things I hear often.

How can a life be disrupted by the worship of that which opens in you a perfect awareness of Godhood and the Sacred? How can a life be disrupted by giving it over to that which unites all men and draws them toward the Union of Phallic Oneness?

Your worship, your practice is the light that will guide others. The sincerity and conviction of your worship and your practice will either open the door or shut it tight.

If you accept in your heart what you know to be true, your worship will develop and mature and the grace of God will fill your life. This is not hyperbole; this is not poetic license; this is not fantasy or dreaming. You

have let yourself be deluded by a shame-filled and fearful world much too long!

I worship Cock. I live for the Church of Man, the adoration of maleness, of male sexuality and the gateways to Union that open through these things.

I know and attest to the fact that Phallus is Great and Loving. He hears you, embraces you and accepts your worship and prayers. If you doubt this, try.

For Cock, all things. From Cock, all things. May you have the courage to open your soul to that which is true.

In the total worship of Cock without reservation or fear is the birth of the new man.

A Longing Beyond Words

That which the man calls Lust is the Consciousness of God. Immerse the soul in It, drink of It, live to bring It into constancy among men. This is the purest happiness and the true Purpose of the Cock-worshiper.

The Cockworshiper...

Born to serve, born to worship. The worshiper doesn't speak with the mouth but instead devotes the mouth to worshipping Cock. It doesn't form

words or formulate thought. The tongue learns the texture of Cock, follows the veins with passion, adoration.

The tongue of the Cockworshiper exists not to express ideas in words, but to lick Cock, to adore Cock, to suck Cock, to learn the infinite shapes and forms. This is the Language of Phallus. The mouth and the tongue are devoted to Phallus, given over to God.

All prayers answered by Cock. All Powerful, All Aware, Cock is God. I pray to Cock that I might be His for Eternity.

The Cockworshiper is born to serve and to worship. The Cockworshiper's mouth is made to please Cock. The mouth opens when Cock is near, the saliva flows in anticipation. Without Cock in it, the mouth is empty, purposeless.

Swallowing the piss of a hundred men. Swallowing the pre-cum of a thousand men. Swallowing a belly-full of semen from legions of men. The Seed of Cock is food, manna for the worshiper of Cock. Born to serve and to worship, the Cockworshiper truly exists only when filled with the ecstasy of Cock.

Beloved of Cock, wed in sacred Union to Cock, never to waver, never to deny. The Pleasure of Cock is the meaning of Life. The Pleasure of Cock is the Substance of the Universe. This is the Perfect Center, the Absolute Truth, to which the worshiper is drawn.

Let go of the restraints and know
Cock in the fullness of the soul and
heart and mind. Do not be afraid!
Where you wish to go men wait,
arms open in Sacred Covenant and
Perfect Trust.

The hairy crotch of a man is
Paradise. No need to see the
wonders of the world, no need to
dream of achievements or goals.
The smell of a worker's crotch after a
hot day, raw and rank with dried piss,
dried semen, the towering and
perfect musk of man.

A single Image of Cock is sufficient
to give meaning and purpose to a
lifetime. The experience of God in
Flesh is the greatest achievement
and proudest moment for the
Cockworshiper. To touch Cock, to
smell Cock, to drink from Cock either
Seed or Piss is the reason we live.
No more than this. No more than this.

The vista of a man's belly during
worship. Piss, warm and salty,
flowing down the open throat. Give
everything, everything in service to
the pleasure of man, to the worship
of Cock.

God is an Ecstatic Being of Love and
the Free Flow of Seed among men.
To fill the belly of a man with Semen
or Piss is to teach the man, to bring
him into the fold of those who Know.
Give your Seed to all men. Take the
Seed of all men.

Bound in Union with Cockslime and
musk, in Lust for Semen, in Eternal
Desire for Piss and the raw, rank
Eternal Power that lives on man, the

Power and Perfection of Cock. Oh,
ecstatic worship! Ecstatic worship!
Eternal ecstatic worship!

Cock is God. Cock is God. Cock is
God. I am forever Wed to God and
only to God. Cock is God. I am Wed
to Cock eternally.

All lust that flows through this body
and this soul is given to God that His
Purpose is fulfilled and honored. The
glowing Soul between the legs of the
Cockworshiper is devoted to the
Divine Purpose. I consciously devote
all Lust to Phallus and move closer
to Union with Cock.

If there is sadness in this life, if there
is misery or confusion in this life it is
due to whatever distance exists
between this soul and Union with
Cock.

The worshiper licks men's balls all
day, every day. The worshiper lives
in public toilets, licking the urinals
clean. The worshiper waits forever
for the chance to glimpse or simply
be near God. God approaches with
the trudging step of a tired worker.
Through a crude temple-hole the
worshiper sees the glory of a man's
crotch, the unbuttoning, the hauling
out of God. The worshiper's breath
comes quicker and the hours of
waiting were perfect, Paradise!

In true and eternal worship there is
no "I". "I" melts in the grandeur of
crotch-scent, of semen-taste, of
Cock-throb. Life is for the love of
Cock, the worship of male sex.

God takes His Saints. Their lives are
given utterly to the Worship. In the

depth and purity of their worship is the world's Knowledge of God.

The worshiper was born to man and from it's first breath it knew it's destiny. It lives to glimpse, to serve, to adore, to long for, to smell and imagine and give all to Cock.

The worshiper was created by Cock for His pleasure and joy.

The lust you feel for Cock is your Purpose in life. There is only Cock. All else is passing. Cock, God, Eternal and Perfect, the words do not exist to frame the fire of Worship. Adoration! Enslavement! Passion! All words are feeble and insufficient.

The believer is ecstatically bound to God. To see God is to become lost in the sacred. That which was human is consumed in the pure, eternal and unquenchable Lust that is the Calling.

This body, this soul, this mind, this will: all given to Cock eternally. Take this life for Thy use, God.

For this I earnestly and wholehearted pray. For this my every breath is a prayer.

In the past several weeks I have received an unusual number of emails from Cockworshippers declaring that they have prayed to Cock and their prayers were answered.

Should you wish to share an answered prayer with me, know that I hear everything in perfect and sacred secrecy. Nothing is ever passed on or shared.

Declare your soul and your life to belong to Cock, now and for eternity. Begin the Path for which you were born.

At One with Cock

The natural state of man is to be absorbed in meditation or practice with Cock. Whatever draws the mind or soul of man away from its natural and primal immersion in Cock is an obstacle to the God-given purpose and function of male human life.

Allow your thoughts and practice to follow their natural course: give unto Phallus that which He has created for His own Pleasure and Awareness.

Phallus is the force that creates nature and from nature the universe. Phallus moves and opens. All is created by the cleaving of nothingness by Phallus. To open, to accede to Cock is to give homage to Phallus and Creation.

There is no creation but that which is created by Phallus. There is no service to God but that which gives homage and adoration to Cock.

All men are elements of a vastly complex network of force, power, submission, creation and destruction, a network that is the primal workings

of Phallus. The Godhood of Cock is the ordinal fact. The worship and admiration, the adoration of Cock is the religious acknowledgment of this sacred network of energy and Being.

There are men who are manifestations of Priapus, honored with a Presence between their legs that commands awe and carries immense Power. Often these men carry very large Cocks. Give homage to Large Cocks, from which the nature of awe and terror come.

These men are given worship, their Cocks are Gods and oracles. To gaze on such a Cock gives man fortune and communion with Phallus. To physically touch such a Cock is auspicious in the highest degree.

Priapic man is the sacred Presence of creation made manifest and apparent.

The man, and beyond the man, all things made by man, are flowers sustained and dreamt by Cock.

When you look at a man know that this flesh, this hair, these eyes and hands and muscle and mind are all creations of Cock that Phallus will be adored and worshiped.

All that is towering, all that is passionate, all that is imagined by man is a creation of Cock that Phallus will be adored and worshiped.

In the seed of a man is everything. In the ejaculation of a man there is the entire cosmos, the beginning and the end of all things. In the taste and smell and texture of a man's semen is the totality of the galaxies, the stars, the worlds. With each ejaculation God creates everything anew.

Worship the seed of man. It is the breath of God, the raw substance from which all things are made and within which all things are contained.

In the taste of semen there is the teachings of God. When one man gives his semen to another man God is acknowledged and increased.

Look at the body of man as a great work of God, created for the worship of Cock, the adoration of Phallus.

In this is based the joy of manhood and the perfection of the cockworshiper's existence.

Love man as the vessel of semen, of seed; and love man as the bearer of Phallus, the living-place and temple of Cock.

Give worship to the Priapic man who is an oracle of God. To see this Cock is to feel the dreadful all-consuming power of God. To see this Cock is to know the nature of Godhood, the undeniable need to draw closer. To see this Cock is experience the fire that is the Cockworshiper's purpose and prayer: "Make me One with Cock!"

Kneeling on the floor before Priapus,
with forehead pressed to the floor,
pray to Cock:

Fire that is the terrible beauty and
power of Phallus,
Godhood and Creator and Flesh,
Take as Yours this soul, this life, this
man.

Make of this soul a vessel for Your
Pleasure and Power.
To You, Great Being and Creator, all
is given.
Priapic Cock, take this
consciousness, this soul, this life,
this man forever.
This life, this soul, this man for Cock.

The body of each man is organized
around the directives of worship.
Every male body is
an extraordinary elaboration around
the primal life-bearer that is Cock.

The male body transcends
physicality in its comingled nature
with Phallus.

The male body creates physicality in
its comingled nature with Phallus.

The male body is created by Cock
for the adoration of Cock.

The practice of giving pleasure,
attention, worship and adoration to
Cock is the highest good to which
the male body can be devoted.

When a man gives himself utterly to
the worship and love of Cock, his
entire life is transformed. When man

gives himself to God, God opens life
to man.

Explore your deepest drives, your
shadow-desires. Unearth your Cock-
worship from the fear-made grave of
denial. Embrace the simplicity and
purity of what you were born to do.

Cock is Lifemaker, the Father of all
things that exist. How can you
hesitate to kneel and press your
head to the ground in awe and
gratitude?

In this life that was given to you by
Cock, put worship before all things.
What material needs can you have
beyond those few, simple things that
enhance your practice and deepen
your love for Cock?

A Man in Love with Men

In the love, adoration and worship of
man is the highest wisdom and the
purest practice.

The wonder of man in the presence
of man is without limit.

Join with all men in the freest and
most constant worship of man and
Cock.

Give your hours and your days to the
joy of man-worship, to the
sublimeness of Cock-worship.

In thought and action devote yourself to the Path. Give yourself to the bliss of Cock-worship.

What are the ways of worship? They are infinite. Your lifespan is given to you to explore and delight in them.

Be disciplined in your worship. Give a set amount of time each day to the pleasure of your Cock, the pleasure of the Cock's of other men.

A glimpse of Cock gives happiness. A longing gaze at Cock gives bliss. A glancing touch of Cock gives wisdom. A prolonged worship of Cock gives immortality.

Join with all men in the freest worship, the general and constant love of Cock. The worship of man and the worship of Cock bring peace and community among men.

The answer to all of your questions is between the legs of men. God calls to you with unwavering and infinite Love. Set aside your ego, give up your will and be pulled by the Love of Cock to the perfect and happy life.

Phallus is Consciousness

All men are connected and united as one through the consciousness and awareness of Cock.

Cock is the Mind of man.

Giving attention, pleasure and worship to Cock draws all men together, creating a better world.

Giving pleasure and worship to Cock awakens men to the possibility of the perfect life.

When men gather to love Cock they move toward a Paradise on Earth.

When men display Cock, they are obeying the dictate of God. The worship of Cock awakens men to their True Nature.

Every glimpse of Cock is a communion and a blessing.

Loving Cock is the true Work. Loving Cock is the highest and most positive activity for men.

A life lived in service to Cock is a life of altruism. A life lived in service to Cock is a life of greatness.

Worship Cock and your life will be filled with blessings. The love of Cock is the purpose of Man.

Revery
In lusting revery I rest
And know in mind and soul
The power and joy of sacred love
For God's eternal Flesh.

In pious longing, heart and soul

I yearn for Cock, my God.
And give myself entirely
To a life of sacred love.

In lusting revery and peace
I know the joy of love
For Priapus, for Cock and Man,
For Oneness with my God.

The deepest love for Phallic God
Links man to man to Men
And opens hearts and minds and
souls

To Brotherhood Again.

Eternal Commitment to Phallus

Not the will or the ego of the
individual, but the Spirit and Soul of
Cock.

The wisdom, power and
benevolence of Cock is infinite.

Once a man devotes himself
absolutely to the love and worship of
Cock, all problems melt away.

I live to honor and pray to Cock. I am
a servant and slave of Cock.

To please Cock is the highest good,
the greatest goal.

My body and soul were brought into
being by Cock in order that they
might serve as instruments of
service for God.

Giving pleasure to Cock is the purest
prayer. Such devotion is always
rewarded a thousand times over by
Cock.

There is no great power or beauty
than that of Cock. I exist to sing the
praises of Cock.

Devotional

Though circumstances may make
life uncertain, there is a perfect and
constant truth to the fact of Phallus,
the eternity and perfection of Phallus.

Accident, misfortune or mishap occur
to us all. But if, in your heart and soul,
you give yourself to the love and
worship of Cock, this love and
worship will never be betrayed, will
never go unrewarded or
unacknowledged. The Godhood of
Cock is perfection, eternal and
profound.

Pleasure given to Cock is prayer.
Attention and love given to Cock is
prayer. God is immediate, real, alive
and aware. In your devoted love of

Cock you bind yourself to God and Paradise.

In the infinite and universal cycles of arousal, pleasure, attention and seed-scattering, Cock is true and constant. In the body of each man is the eternal tide and mystery of All and Everything. Cock calls to you and loves you. As you embrace Phallus you love God.

In every sense, Cock links man to man. Through the study of Cock, the love and worship of Cock, through the devotion of our time and energy and intelligence and passion to the unfathomable mysteries of Cock, each man becomes free. Salvation from the vagaries of life is attained.

Pray with Phallus. In the simplest ways, give pleasure to Cock and awaken the perfect love of man for God and God for man.

Pray to Phallus. In the simplest words possible, call to Cock to answer your needs, to embrace and tie your soul to Him. Be one with Cock in all things and life becomes blessed, miraculous, plentiful and joyous.

Cock, my God, I give myself to You.
Cock, my God, I give myself to You eternally.
Cock, my God, I give myself, body and soul and mind, to You eternally.

May I be a devoted and true lover and servant of You in every way.
May this lover and servant of God be blessed with Your Joy.

Always Worship

In every moment, in every way.

Give yourself completely.

Solitude with Cock is perfection.

No sadness, no loneliness, no fear.
Communion with Cock gives all that a man needs.

With all the answers immediately at hand, you have been given everything you need. There is no better or fuller life, no more perfect way of devoting time and life.
Worship and love Cock.

In innocence, with blind love and absolute commitment. Worship, always worship.

The Purest Identity

Some are called to be observers.
Some are called to be priests. Some are called to be explorers. Some are called to be warriors.

The path of Cocklove is simple and pure. Your calling is carried ("encoded", if you will) in the longing

and devotion you feel when you think of Cock, look at Images of Cock.

Study your longing. It is your teacher.

Meditate by gazing for extended periods at Images of Cock. Gently observe the thoughts and inner dialogs that are carried on by and in your mind.

As you gaze, your mind will judge, evaluate, desire, connect, reject. Listen to the words that arise in your mind.

Pay attention to the feelings that arise in your body in conjunction with the words your mind produces.

You have been borne into a world that fears Cock, that hides and outlaws Cock and that equates the loving and passionate worship of Cock with crime, with social and religious terrorism.

There comes a moment in your Cock-meditation when the voices and the fears quiet. This is an intimation of your true self, an identity beyond that which you were given by your past, your family, your culture.

Your soul opens in this quietness and in that moment you can begin to experience the goal of your worship: a pure and perfect Identity with Cock.

Your longing is the voice, the teacher. It is a manifestation of the love of God for you. Trust it!

Your lust and need for Cock is the deepest and purest truth, the absolute center of existence and of all things. This is the basis for all men connecting and merging with all men.

In this ultimate project, the love of men for men and the love of men by Cock, you may be an observer, you may be a slave, you may be a martyr, you may be a priest, a brave explorer, a warrior.

Declare yourself a lover and a worshiper of Cock. Declare yourself--even if only to yourself!--a devoted and eternal devotee to the pleasures, needs, passion and perfection of Cock.

In man's loins are all things. Know this and your life becomes a simple and joyous and perfectly fulfilling passion.

Your work is to uncover the true nature of your love for God. Your work is to embrace and foster the deepest and most constant Lust and Hunger for God.

Cockworshiper, embrace the truth of your life and your religion. In the ever-darkening and fearful world, your calling is truly important.

Worship Cock and free yourself. Worship Cock and free all men.

Longing is Worship
Worship is embracing the longing,
the absolute desire that you have for
becoming one with God.

Worship is recognizing the Truth in
the life-long yearning and wonder.
Cock-worship has always been
"second-nature" to you. Allow
yourself to make of it "first-nature".

The world is desperately in need of
your worship. There are dark and
constraining forces on the earth that
would shackle your desire, your
longing for God. There are dark and
constraining forces that would call
your worship evil, sick, perverted.

The truth is that your worship
embodies pureness and simplicity
and honest innocence. Your love for
Cock is the brilliant light that keeps
the world from chaos.

I have given myself to the love of
Cock, to the worship of Phallus.

Beyond the love of Cock, there is
little to ask for in life. Once you have
accepted yourself as a servant of
God, all is given to you.

Your heart, mind and soul are filled
with the joy of Cock. Your life
becomes a constant and ongoing
recognition of the commonality of
meaning and love among men.

The darkness of our time is based in
the constant damning by

conservative forces of our perfect
and sacred Lust, our religious and
life-long adoration of the genitals of
man.

God lives between the legs of every
man. Offer your life and soul to Cock.
In this is your liberation and your true
birth.

The world of men is a paradise of
lustful communion and fellowship.
Give yourself absolutely
to the love and pleasuring of all
men's Cocks: this is the Path to
Paradise on Earth.

Pray with sincerity in your heart and
your prayers to Cock are answered.
This I promise you.

Embrace the Madness of Godlove
May I be blessed with the perfect
Madness of absolute God-Union.
May this self be absolutely lost in the
blissful Union that Cock offers to
every man. Bless me, God, with the
annihilation of my individuality in the
Perfection of Cock-Consciousness.

There is no God but Phallus. There
is no Power in the Universe but
Phallus. There is no greater Love
than that of Phallus for the Universe
and the Universe for Phallus.

I pray to Cock that I may be filled
with the Sacred Fire, that God's Lust
will fill me, take me and burn
eternally in and as my soul.

Not my soul, but the Soul of Phallus.
Not my body, but the Sacred Body of
Cock.

I kneel in humility and beg the Spirit of Cock to fill me now and forever with the Sacred Fire.

The nation of Cock, the army of Cock, the religion of Cock...I am of and for these things. In the Sacred Madness of Cocklove, of Godlove, I find and embrace sanity. In my love for God I know that I am saved and am finally true.

There is no God greater than Cock. There is no Power greater than Cock. There is no greater Love than that of Cock for man and man for Cock.

Do I give this life to Cock, jubilantly and unwaveringly? Yes, and yes into infinity.

Do I give all that I am, all that I have, that Cock will take me as sacred lover unto Himself, that I might have eternal Union with Cock? Yes, and yes into infinity.

To Cock I give my mind, my body, my soul, my imagination. All that is, was and will be this entity I have known as "myself": this I give to Cock. These things I give to the sacred genitals of man.

I pray to the genitals of man. The genitals of man are God. I know the Truth and am held by the Love and Lust of God.

Imprison me and I will not deny this. Test me and I will never deny nor forget this: Cock is God. Torment me, outlaw me, forsake me and I will ever

be infinitely rich beyond words in my love for God.

God, I call on You to immolate me in the Fire of Your absolute and perfect Power and Beauty.

God, I beg You to take this soul and this body and use them as instruments in Your service.

This is and has been and will forever be my eternal covenant with Cock, with the Holy Genitals of Man, with the Phallic God. I willingly and eternally embrace Cock, the Holy Genitals of Man, the Phallic God as the only God. There is no God but Cock.

I kneel and know God.

I open my soul and my mouth takes God into itself. The pleasing of God is my life-task. The pleasuring of God is my Sacred Path.

Take all else from me, and still I am the happiest of men.

May I be consumed in the fire of God. May my soul be given to and utterly merged as One with the Soul of Phallus.

The abyss of Longing, of Union with Cock is the reward of the true Godlover. Pray for this Union, Cock-worshipper. Dream of this Union with your God.

I give myself absolutely to Cock. I call on others to serve Cock. We are the priests, the devoted monks who never forget the truth. We are the

bold and powerful army who call on the world to remember God.

At the pinnacle of Godlove, there is a frenzied perfect communion of man and God. All other things disappear and the Godlover is left with fire and the overwhelming Presence.

May you be filled, overwhelmed with the Love of Cock. May you embrace God as He embraces you.

In this life, the Thought of God, the Voice of God, the Will of God, the Gifts of God.

A Joyful Life of Pure Worship
The seed of this line is given to Cock.
All desire of my body, all lust of my loins is given to Cock.

I worship the sacred Lineages of Cock. The language and mastery of Cock flows through the loins of men. I pray to God that I be given to understand the languages of Cock, of the bodies and lusts of men.

I give the seeds of my lineage forever to Cock. I dedicate myself to the remembering of the Church and the True Practices of the purest religious worship of Phallus.

I dedicate my loins to Cock. All impulse, all desire, all pleasure is dedicated with sacred truth to Cock. Whether through masturbation, edging, fucking, sucking, bondage, sounds, chastity, torture---any form

of pleasure and energy given to this Cock is given to the furtherance of the remembering of the Religion of Phallus among us.

May the sacred male oracles of Phallus be reborn. May the rites that predate Poseidon (the Husband of the Earth, the maker of horses), that predate Python (the Great Snake), that predate all gods be remembered and practiced again.

May the priests of Phallus remember.
May the lovers of Cock remember.
May all men give their lust and power to the sacred lineages of Cock.

Slaves to Cock: kneel and remember what you are. You are not human: you exist to serve the needs of Cock and of men. Your life is meaningless unless given to the Master without reservation or doubt.

Masters for Cock: stand and offer your loins to all men that they may learn and remember. Mastery is in perpetuating the Sacred Lineage of knowledge, power and purpose.

Students of Cock: give your days and nights to vigilant and earnest study. Let your passion for the truth of God carry you and guide you.

The Invisible Church is reborn. In the loins of men It remembers Itself.

Give your seed to the Church of Man. Dedicate your lineage forever to Cock and to nothing but Cock.

This is your sacred truth. Follow and find the immortal life.

May I be One with Cock in all Eternity.

May I bind in sacred unity with you, Cock-worshiper.

Pray to Cock. Give yourself to Cock. The truth is in your heart, your soul and your body. Answer the call and embrace God as He embraces you.

sacred realm between the legs of men. Your heart and soul will be embraced and loved by God forever.

The Seed of Creation
The Seed of Creation flows from the universe through God into the world.

In your soul you feel the electric response to the vision of the Universal Seed, the natural inclination to worship, ingest, honor, adore.

Through the loins of man, through the body of God on Earth, the Seed is given to be worshipped.

From this moment of climax and creation come all things throughout the universe. Into the body of the obedient Cockworshiper the sacrament is given.

Worship is Sacrifice

Worship is sacrifice: loving God is a process of allowing everything that is yourself to melt away. All that is left is Cock and the love for Cock.

Worshipping man with your heart and soul is a process of stilling the voices inside of your own choice, your preferences, your tastes.

I kneel before all men. I worship Cock absolutely and with complete devotion. The practice is to always open, to always accept, to always and without exception give everything to Cock.

Sacrifice all for Cock; give all to Cock; love and worship men and the

The Blissful Terrain

The love for Cock transcends the bounds of human sentiment. The love of man for man is profound and life-giving; the love of man for Cock is the very core of all things.

Adoration of Cock is the binding force that holds all things in equilibrium. Cock Itself is the Source of all things. The worship of Cock, the most primal and basic of male responses, is God's Gift to each of us, His way of drawing us into harmony.

The worship of Cock is a perfect emptiness of thought at the heart of which is ideal and simple Being.

If you simply gaze at Cock, your mind stops. Deep in your torso, from your throat down to your loins, a steely and undeniable resonance opens, the male's primal acknowledgment of God.

Study Cock. Spend your hours gazing at Cock, thinking about Cock. Write poetry and prayers to Cock. Find all the multitudes of ways in which you can express your absolute devotion to God.

Through the laws and gifts of Phallus, men may own men.

Through the laws and gifts of Phallus, men may breed men.

Within the realm of Phallus, that which is imagined becomes real and men may explore as they will.

To the one who walks into the realm of Phallus I say: go deeper. I say: explore and plunder.

I say: Only Cock is God and all law is from Him.

In your faith in God, you are faithful to yourself and all men.

In your love of Cock, you are loving to yourself and all men.

In your worship of Phallus, you are working most perfectly toward the realization of Paradise.

The terrain of our worship is vast, difficult, sometimes terrifying. But at the heart of it is the zealot's passion

for Cock, the love of he who worships for That which is the Source of all things.

The Temple is found in the awakening of man's imagination: crass, violent, extreme, fascistic, communal, natural, enormous, death-dealing, embracing the ultimate sacrifice. Oh, my God, You are all of these things and infinitely more. There is no love, no violence, no enormity which is impossible for You. I tremble and am terrified. I am able to continue living only by kneeling, dying to myself, being born into purest love for You.

My God, take this life into Yourself. Now and for eternity: this flesh, this life and heartbeat, this soul are Yours.

Allow yourself to be perpetually immersed in the God/flesh/bliss that radiates always from your loins, from the loins of every man. This loin-fire is that which connects each man--past, present, future--to all other men.

Do not let this fire diminish. Let all that you are, all that you hope for, all that you call your own--let all of these things be consumed utterly by the Fire of God. That which belongs to man is given as food for God.

All other loves, all other devotions are ancillary ornaments--footnotes--to the love of men for God. Through unequivocal passion for Cock it is possible for man to become one with God, merged eternally as a conscious element of Phallic identity.

I was born to worship Cock. I was born to give pleasure to Cock. I was born to bring into realization the worldly paradise of Phallus. I make a solemn oath that my life is dedicated to these things.

Love Fellow Travelers

The life journey of Cock-Worship has many stages and way-stations. Each stage has difficulties and rewards.

All men are on this journey, all men are born to worship Cock. We will, in our practice, encounter men who are more deeply committed and more fully possessed by Phallic-Consciousness, by the absolute awareness of Cock. And we will encounter men who are just beginning, hardly aware yet of the Truth.

If you are reading this text, you are already well-established on the Path. Your goal is to explore and purify your discipline, your life of Cock-worship, of man-worship. You have heard the call and you have answered.

But you will always encounter those who have not yet reached this point in the practice, this awareness of the truth that lives in the eternal fire that is at the heart of every man's loins.

Love and assist those men who are still searching.

Love the fellow traveler, the man kept from free worship by the encumbrances of his life. Love the

fellow traveler, the man who knows in his soul that the universe is truly a manifestation of Phallic Creation, yet who is afraid or unable to embrace the truth.

In simple acts of kindness, help the fellow traveler. If you are a Cock-worshiper, your contacts with all men are sacred contacts. As you shake their hands, silently infuse your clasp with the Truth that you have come to know.

In all ways make your interactions with men your art, your religion, your prayer. In this way you bring them closer to their own awareness of Phallic Consciousness, their own acceptance of a life that is perfectly centered in the worship of Cock.

In your acts of kindness and simple consideration, pass to every man the subtle but powerful energy of Cocklove, of manlove.

To a young man, homeless and desperate, give a donation and as you do so silently pray to Phallus to bless the boy and enable him to embrace the Path and reap the rewards of worship.

To any man to whom you may do so, give a blessing of kindness in whatever form is most appropriate. And as you do so, pass on to the man the blessings of God and the love that binds all men to each other.

There is no moment of man-to-man interaction that doesn't exchange energy, knowledge, lineage, power. Engage, therefore, in all interaction with the awareness that you are an

emissary of Phallus on Earth. The merest touch of your hand to another man's body communicates into him the message of hope and love that is Cock-worship.

To God I pray:

May I be possessed by God.

May I be ever-filled with passion for God.

May I have the courage and discipline to evolve from single-consciousness to Transcendental Phallus-Consciousness, to evolve from the restrictions of one-man mind to the eternal freedom of God-mind.

May this body in which I live be a vessel of Phallic energy and may it act always as a conduit through which God's power flows into other men.

May I have the vision to know and obey the Law of Cock and no other law.

May the Cock-awareness of all men enter my body and collect my soul. May my soul join with and nourish the Phallic Oversoul. And may I in turn be fed and nourished by the plentiful Seed of GodPhallus as it flows through the loins of men.

May all of my thoughts and actions be the thoughts and actions of God.

May I know and obey the Father-Seed. May I honor through the Father-Seed the lineages of men

and knowledge. May I live for and by the laws, the rites and the drives of ManSeed.

May I suckle forever at the Source, ingesting the Seed of all men and becoming One with Cock.

May my consciousness merge with the eternal and omniscient Consciousness of Cock.

May I always engage in sex with the pure intent of sacred lust, placing all awareness in the Flame of Phallic Consciousness and removing the limiting drive of personal desire. In this life, as my discipline, may all be undertaken for Cock, all given to Cock.

May this mind of individuality be stilled utterly, through the discipline of Cock-worship, and may the eternal awareness that is Phallic Consciousness be awakened in this body.

Through constant Cock-worship, may this body come to bear the Light of Eternal Phallic Consciousness, and may this worshiper become a true emissary of Cock on Earth.

Through my actions, may I be a blessing to all men, a light of constant respect and kindness for all God-bearing men. As I bless all men and live in kindness and respect for them, I perfect my worship and adoration for God, for the Creator Who lives between the legs of all men.

The Temple is built in each of us as Cock manifests discipline and practice more and more strongly in us. When we are strong and pure in our love, intent and disciplined, constant and connected in our worship, the Temples of the Earth will manifest.

The first Temples will be the places of the hidden Phallus of the Giant.

Worship Cock for your life's meaning. Believe in order to understand. The Path is one of bliss and fellowship.

Yours is the Life Ecstatic

Seedmaker, Cockworshiper, yours is the life ecstatic. You are given to live this life--your moments and days--always yearning toward Union, Infinite and semen-rich, with God.

Seedmaker, Cockworshiper, man who kneels with men, open your soul and embrace your father-given and ancient Path.

Seedmaker, Cockworshiper, Genital-obsessed man. Your body is your Gateway; your desire and God-lust are your Sacred Texts; your semen your covenant. With each orgasm you know God. With each ejaculation you renew your vows of loving brotherhood.

When men join one to the other through the intellect, they develop theories and engage in controversy. This path is limited.

When men join one to the other through the emotions, they develop jealousies and boundaries and engage in enmity. This path is limited.

When men join one to the other through Cock and the true loving power of Phallus, they develop compassion and brotherhood and they engage in peace. This is the Infinite Path.

When the sun is high and at its zenith, give thanks to God. When the night is dark and the wind blows, give thanks to God. There is no further need in this life beyond the knowledge that you have been found and are embraced by God. Possessions or fame or wealth are miniscule ponds; the love of Phallus is the infinite ocean, deep and abiding.

In the worship of God there are lineages to which we belong and which live through us. Unite the seed-lust that glows eternally in your loins with the semen-lineage which awakens in your heart and soul.

The lineages of Phallic worship, lineages of that Church which unites man and God, these are our fellowship, our responsibility and our legacy. You are awakening to this reality.

He who embraces Cock needs nothing but Cock. In the deep and perfect binding known by the Godlover, nothing else is needed and all is provided.

In the worship of Cock, the love of God, all things Dark and all things Light embrace. The Law of God is the true law. Triumphant and beautiful the Angels of Phallus sing from temples and toilets, from palaces and shacks. All voices that sing the joys of Phallus and the freedom of surrender are One with the Golden Fire that burns in men's loins.

I strive to know and perfect my lust for God. This is perfect wisdom.

Your task in this life, your task each moment of each day, is to kindle and rekindle your passion for Cock, your devotion to Phallus. This, this, this and nothing more.

Live the life of Cock-devotion that you may be in union with God for eternity.

Life is Fleeting

You have been put here, you have been born, so that the jubilant and absolute Love that is Phallus can be expressed, practiced, fulfilled.

Not tomorrow, not in an hour. Now. Now and always, for every moment of this life.

Why were you, from your earliest breath, so attuned and passionate?

Why were you, from your earliest thought, so fascinated with the realm between men's legs?

You have known from before your own birth that this was to be your life's meaning and purpose.

Yet now you hesitate and are afraid and doubtful!

Here is the Truth, brother of mine:

This perfect and sacred Wonder is the gift that God has given you. God embraces and loves you with the passion that you feel for Him. This is no less than destiny.

This delight and passion for Cock, for male sexuality in all its infinite manifestations and expressions: this is the message and teaching that you bear.

This life is numbered in moments, counted in breaths. It is finite and this body expires. It ends a moment from now and the time will have passed that you might have given your all. You will, in your last moment cry out that you might have kneeled before all men and given each of them the love of God, the blessing that is their birthright, their due!

You will, in your final moments cry out that you might have given your Cock to the adoration of all men, that you were miserly and selfish with that which belongs to all men.

You will, with your dying thought, wonder that you allowed the world to continue in darkness and sorrow, that you allowed any man to wander in solitude and without communion.

Attune yourself to the Infinite now!
With all your passion, all your love,
all your energy and
ability embrace God and, in so doing,
embrace all men. Do so now and do
so wholeheartedly.

To the son of God and the brother of
all men there is no greater sin than
the failure to worship
your brethren in all their plenitude
and variation. There is no greater
failure than to withhold from them
even a moment of brotherhood, of
love and of devout worship.

Are you afraid?

How can you succumb to fear when
God is with you?

Serve God. Give of yourself
constantly and freely. Let the
lineages of Phallic Union be
awakened, practiced, enlivened and
rendered incandescent.

Does any man wander lonely and
unworshipped? I blame the weak
and unfaithful believer!

Does a young man exist who has yet
to know the mysteries of being truly
worshipped and allowed initiation?

Does an elder walk the earth who
denies his loins for worship or is
denied the loins of all men
for worship?

If so, I blame the fainthearted Cock-
worshipper. I blame those who are
tepid in their allegiance to God.

The Call is not for others but for you.

The Duty is not for others but for you.

The Obligation to serve your God is
not for others but for you.

Do not waste one breath. Do not
waste one day. Do not waste this life
which Phallus has given you!

To know what you know, worshipper
of God, and yet to leave any man
unloved, this is to
deny the Truth and to lose your way
utterly.

Be absolute and unwavering in your
love and your dedication. You serve
the community of man and the Love
of God.

Cosmology

To meditate on Cock is to meditate
on all things. Cock is the first cause,
the creation, the primal and creating
Mind.

The great mystery is the Presence of
God in our midst, the fact---the
miracle, really---that we can so
simply and literally grasp the Creator
and the Created at once.

Knowing the cosmos isn't a cerebral,
intellective experience. It is meant to
be simple, immediate, passionate
and undeniable.

Beneath your world-weariness or
fatigue, your sorrow or boredom or
soul-sickness, beneath all this there
is the crystalline purity of the infinite
love that your God has for you. This

weaves you into the web of eros and Phallic desire among men.

And though you may on occasion lose your way, nevertheless it is always true that the purity and directness of your love for God is unwavering. It is the lifeline to which you hold tight, the powerful and unbreakable line that ties you to the Life eternal.

In embracing Cock, in revering and worshiping Phallus, you open your heart, mind and soul to the purpose and the nature of all things. Immerse yourself utterly in your passionate and religious ardor for God and achieve the real transcendence of linear time, of limiting space.

Do not underestimate the power which exists in Cock. Relinquish your life and individuality to Cock and all that you desire in this life becomes yours. Open and open and open to the bliss of Cock-worship.

As you do so, God takes you deeper into His All-consuming and Infinite Fire. Merge. Become One with the God that lives between the legs of all men. In your heart, promise your soul to God for eternity.

My God, Whom I know to be my Creator and Savior, I willingly and joyously give my soul to You now and forever.
May I study Your needs as my art.

My God, Whom I embrace with my mind and heart, intertwine and bind me to Your Infinite Power and Grace.

May I study Your needs as my purpose.

My God, through Whom I continue to learn and experience the consuming fires of Holy Lust and Sacred Love, take and use this body, this soul, this heart and mind.
May I study Your needs as my joy.

My God, may the Purposes and Pleasures of Cock be All.
May I study Your needs as my eternal duty.

My God, I give myself to You without reservation or limit. This I do before all men.

Slave

Abase and defile me, Cock.

As I kneel before You, there is nothing present but You.

This man, this believer, this worshiper is servant to Your impulses, needs, momentary desires.

Slave and servant to man; slave and servant to all Cock. My greatest joy is crawling, body and soul, toward the chance of glimpsing You.

In pleasing Cock, in pleasuring the Master, the slave is nourished.

The soul of the slave is unending hunger, unquenchable thirst. The joy of the servant is in hoping that Cock is pleased, that the Master is pleased.

Live for the Seed of God, the Seed of the Master. Donate your body as raw meat for the experiments and pleasures of the Master.

Live and breathe your life as an utter emptiness that is filled only with the power and glory of Cock, with the infallible and absolute Being that is the Master.

This slave, this servant of God and the Master, it breathes because the Master makes it so.

Its heart beats because the Master causes it to pump His blood through the slaves veins.

There is no heart, no soul, no blood, no life but that of the Master.

The raw prayer of a man for Cock comes from the heart. The man's true heart, hidden from most, is in the depths of the loins. The heart is the "translation" point of power and teaching from Cock.

Men devoted to edging are praying, opening their man-heart to the Will of God. Men who are elders often relinquish the drive to ejaculation and devote hours and days to the stimulation of the true-heart.

We are taught as children that the heart is in the chest, the "mind" in the head. But once you awaken as a Cock-worshiper, your true heart and mind become illuminated and illuminating.

Awakening is the gift of physical communion. Ingest the "milk" of God

that you might become aware and alive.

To be a man of God is to worship man and Cock.

Kneel between the legs of men and feel the presence and truth of God. Worship in wonder constantly, every day.

It is This to Whom we pray. It is This we worship with every breath we take. It is This which we love and which embraces us in His perfection and endless Grace.

Pray to Cock with all your heart and with absolute earnestness. Your prayers are answered.

Outside of Time

The worship of Cock takes you outside of time.

Kneeling before God, kneeling before Images of God, your body relaxes into submission. As you give yourself over to the worshipful state you are taken by God into the sacred and timeless sphere that is part of His Temple.

It is not for the worshiper to resist God. Put aside your ego, put aside your day-to-day identity. Put aside your pride and your fear. Embrace the infinite majesty, beauty and glory of Cock.

God presents Himself to you so that you might learn to serve, worship, obey and love.

God presents Himself to you so that you might learn humility, selflessness, obedience, devotion and constancy.

Time is nonexistent for God. Kneel in worship and join with God in an infinite Union. Embrace Cock with devotion and total submission. This is the Path for which you were born.

Prayer and Truths
A simple exercise:

Ask a man if you may have a photograph of his Cock for worship and prayer.
Choose three things for which to pray.
Pray to the Image of God every day for these three things.
Your prayers will be answered quickly and completely.

A man is born as a man that he might know and become Cock.

The greatest wisdom is in unreasoning worship.

To lose oneself in the depths of lust is to find the Self in the embrace of God.

Lust is the sacred instinct that draws us to God.

Defile the slave so the Master may know His Nature.

The heart of every man is Phallus.

The Union of God and the Master depends on nothing. The slave is the essential nothing.

To long for Union with Cock is to joyfully abandon the restraints of humanness.

Be Consistent and Steady
Do not neglect the daily practice of prayer and worship.

Be consistent and steadfast. Merge the sacred with the everyday in your life.

The love of God isn't just for weekends or full moons. Give thanks daily and pray for Oneness with God.

Fire Worship

Regardless of circumstances, the man who acknowledges and embraces the sacred truths of Cock worship never despairs, never gives in to loneliness or purposelessness.

The Path of Cock worship is the joy of lustful introspection, the adoration and worship of the Fire of Lust that lives in the loins of all men.

The Fire and the Phallus are the primal and perfect Truths for the Cock worshiper. In these Truths are the answers to all secrets. They are the gateways to the mysteries of the universe.

In solitude, a man can explore the sacred through self-adoration. The Fire can be stoked and increased to a constant and steady blaze. This is communication with God.

In solitude, a man can give himself over to extended explorations of the Nature of God. A man can center his awareness absolutely in Cock lust.

Through solitary meditations and worship sessions a man is opened to the secrets of lust-sharing and worship with other men.

Give yourself whole-heartedly to the love of God. Follow the Path that calls to you constantly.

One Truth, One Law

A Simple and Joyful Yes

Men recognize in each other the brotherhood. At the heart of maleness is the perfect knowledge of God, the recognition in each other of the sacred bond. This is the purpose of your having been born.

In love with every man, I embrace God in His absolute anonymity. What terror, and what bliss. I am helpless, always.

Where words end, God-knowledge begins. Trust this and feel no fear.

Never fear where your love may take you. Cock is the eternal Guide. Your desire is your Path.

At the heart of each man, transcending his individuality and human nature, is the eternal and perfect Specificity of God. This is the

Flesh and the Fire, the Crossroad, the Crux, the Crotch.

Place yourself in constant proximity to God. Allow yourself to open to all variations of devotion and service. Never be afraid to give yourself to God-Root.

The birth of all things is immediately apparent; the joy of life is readily at-hand.

There is nothing man may do in his dedication to the pleasure of God that is forbidden.

In every worldly situation, in every encounter with male sex, there is glory and revelation. All I need do is allow "Yes".

Every man invites love; every Cock rewards worship.

There is no distance between this life I lead and the perfection of Paradise. I kneel to know.

My days are filled with obsession, with prayer, with wonder. There is no limit to the delight and joy with which Cock and male sex create and bless the believer.

I live my life in service to Cock, in absolute devotion to the revelatory miracle that lives between the legs of man.

I worship Cock. It is the basis of my life, the foundation of my metaphysic, the only Truth of the cosmos. There is a perfect simplicity and manifest perfection to the love of Cock as God.

Embrace the Sacred

Give reverence to the sex-fiend
Cock-mad Holy Men, the Phallic
Saints whose lives are lights that
show us the way to God. These
God-embraced Cocksucking
assfucking man-slave sadhus exist
miraculously in the sexual and
spiritual desert of the modern world.

With ritual scum, sleaze and raunch
they pray directly to God. With pot,
poppers and porn they enter the
Paradisiacal Realm for hours, days,
lifetimes.

In your heart you are one with them,
living the blissful sacred life of Cock
worship.

Behemoth Prayer

Blasphemous son in my veins into
the magick circle, with the book of
eternal oath I created the face of the
Goat. Belial, give me the Power to
Rise.

Satyr's Erection

I possess the uncontrollable Erection
of a Satyr. The bliss of this Satyrday
will overflow the Chalice balanced on
this Beast and I will drink myself into
a Sodomitic stupor.

The Beast

Lo now, His strength is in His Loins,
and His Force is in the navel of his
belly. With his Horn the Behemoth
will gore with Power and Glory! Hail
the Beast!

job xl:xvi+

Having long since abandoned all
appearance of purity and virtue we
embrace a life of raucous Sodomy
and Perversion.

Once the imagination is encouraged
and stimulated, it cannot retreat.
There is no return to the world of the
unimaginable. Imagination runs free.
There is no place it cannot take you.
Soar in your Fuck and make what
was once unimaginable real. Let go
and let God throb. Hail the Beast!
The Time is at hand, Brothers.

God that dwells at the center of
every Man. God that directs Man's
every thought and desire. God made
Flesh in every Man. Join me in this
knowledge and declare with me and
for every Man your eternal allegiance
to Cock almighty.

The Nubian's Scent

His thick black Rod hooded like a fat
monk choked my throat and the silky
phlegm gushed out the corners of
my mouth into my 'stache and 'tee.
The Nubian's scent would remain
there for the better part of the day.

That smell--there's nuthin' like it. So
wallow in the Flesh, Brother, as I
wallow in Mine.

Day of Edge & Sodomy

My Balls hold the Semen of five days
and Satyrday will be a day of Edge
and Sodomy. Decadence is nigh and
we must be about our Father's
Business.

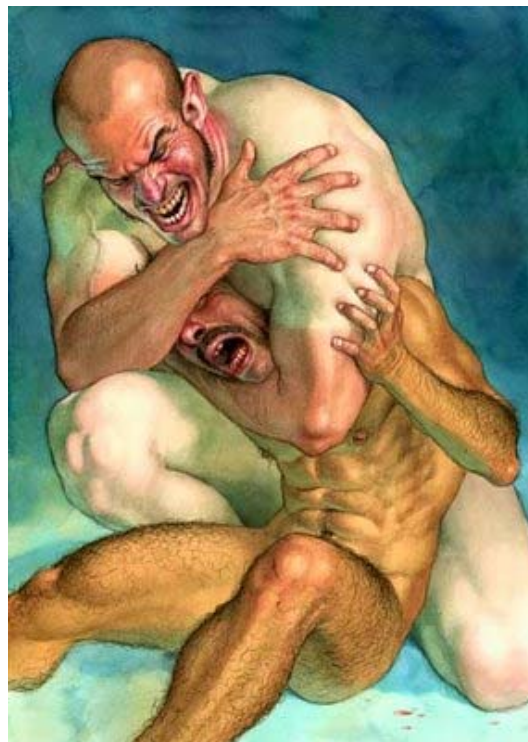

Reprobate

I am zoned as I contemplate my
status as a Reprobate. Before me
lays one prostrate, his throat filled
with the Cock of the other clinging to
the edge of a latrine licking the dried
Piss that stains the porcelain. And I
am aroused. I am more than aroused,
I burn in my Lust and the serotonin
and whatnot produce this ecstasy
that there are no words for ---I am
sure of but One thing ---I serve the
Flesh and am committed to Sodomy.
Cock is my God!

Prevail

Prevail, the time has come
Crush the enemy, one by one
Prevail, like a venomous Snake
Ready to Strike and Dominate
Prevail, We conquer as One
Pound the enemy, 'till It's done

Words of Charles Wesley

Your Lord and King adore;
Mortals give thanks and sing, and
triumph, evermore;
Lift up your heart,
Lift up your voice;
Rejoice, again I say, Rejoice!

Swimming Eternal

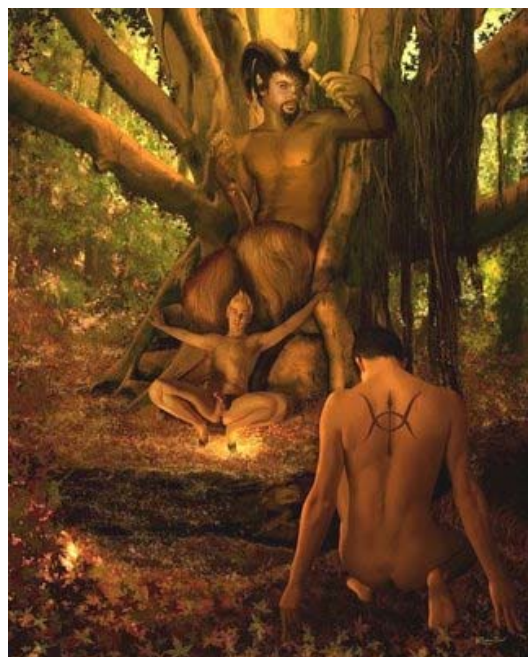

Ravaged and drained of all strength as billions of eyes beheld the rhythmic flagellation of a single Sperm in an ocean of Seminal Fluid as my sacred Seed swam into a dark Oblivion of his eternal Rectum.

May thy Body, O Lord,
Which I have received,
and thy Blood which I have drunk,
cleave to my Bowels.

Imagination

Once the imagination is encouraged and stimulated, it cannot retreat. There is no return to the world of the unimaginable. Imagination runs free. There is no place it cannot take you. Soar in your Fuck and make what was once unimaginable real. Let go and let God throb. Hail the Beast! The Time is at hand, Brothers.

Licentiousness

I beseech you, Brethren, to do as these men have done--give yourself up completely to Licentiousness. Begin to reap the rewards of your service to Phallus. The road of Lust is anything but narrow. Wide is the Gate!

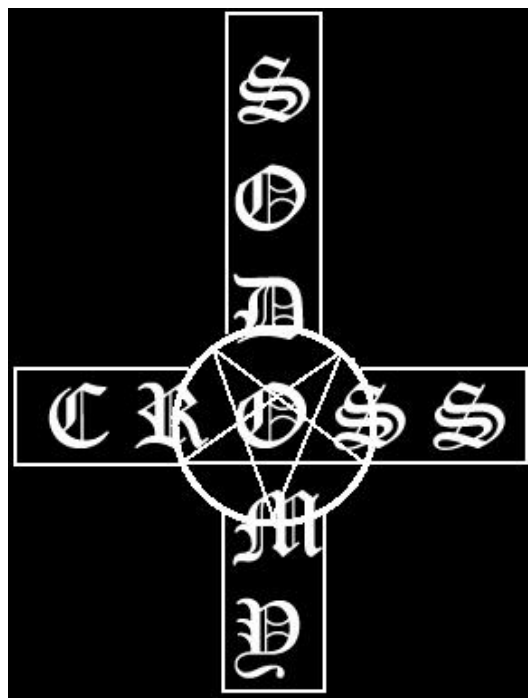

S.O.S.: Sons of Sodom

And the Temple pools ran over and there were not enough vessels to hold the bounty. The showers of Lust and Lasciviousness rain down on your spawn. We are beholden to you, O Lord, for you have chosen us, Sons of Sodom.

Satyrday

My bloated Phallus beckons me.
Its purple swollen Head aches.
The raw burn smarts the magnificent Shaft.
My throat is parched.
Therefore, I will drink of the Fountain of Life.
I will take the TempleHole of my Fuck and
once again Titus will walk naked through the TempleGate
and take His rightful seat on the TempleThrone.
It is Satyrday.

My mind's eye is good and I can dream when I'm awake, and this Man said I could share the Cock and HOle of him and his fuck with the faithful. Every Cock and HOle I see is stored in my mind's computer and I can download it at will. Thank you for this intimate portrait that I hang in my brain and in the brains of the Brethren.

The Men handled the Men. The
 women handled the women. They
 stood there swaying in the holy ghost,
 one arm around each other, the
 other arm held in the air shaking the
 fist at the god that denies them the
 carnality they both so desperately
 want and need. They cry and sweat
 and speak in tongues-- foreign
 syllables that roll off their tongues in
 non-translated shrieks --- Lashanda
 lomongo, elCockLOrdalmighty.

I am resolved to follow Phallus;
 swearing allegiance,
 faithful and true each day;
 Heed what He sayeth, do what He
 willeth
 slimed in the Raunch of His Way.

Enlightened love

'Enlightened love forges no chains...'
 Love everyone, have sex with
 everyone you wish as long as they
 wish the same as you. Men and
 women can have sex with their own
 kind or the so called opposite sex on
 a one to one session or with multiple
 partners at the same time. Why not?
 Simply follow your own feelings, very
 seldom they are wrong. Respect
 those who disagree, respect them
 and still love them dearly, they are
 your brothers and sisters.
 Nobody owns anybody, we are all
 members of the family of mankind,
 every one is important and everyone
 has something to contribute to the
 happiness of all others. This is the
 real doctrine of human beings, where
 not a single person is isolated or
 destitute of happiness and love.
 There is no jealousy, no remorse,
 and no guilt. Sex is for everyone,
 there are no exceptions. With this

kind of love and understanding there
would be no more wars or conflicts.

absolute and unlimited God, THE
HOLY PENIS.

We shall act upon and adore in

PHALLUS, caringly, rejoicing in the
riches of our only God. If we are
humble in his presence we climb the
heights of COCKLINESS. To
understand PENIS as God demands
our absolute dedication of thinking,

If we are grateful for all the cocks

holy cum that we have eaten (drank)
so far, we certainly are ready to
receive even plenty more.

Unselfish love for the holy COCK

If you hold in your thoughts unselfish love for the holy COCK you will receive directly the power of GOD PENIS and his cum and you will include in your prayers all men at all times. This will bring peace, happiness and prosperity to all mankind.

When you are looking for a partner, be it for holy cumunion or for a permanent relationship, remember that your real husband/wife is THE LORD GOD PENIS, and make sure you show your love to him and his cock as you show your love to your own GOD PENIS.

YOTE LACHUPO

KEEP AN IMAGE OF GOD PENIS ALWAYS IN YOUR MIND

In our endeavour to glorify THE LORD GOD PHALLUS in our daily life we must maintain in our minds a clear image of COCK in action and/or simply resting. Keeping our minds firmly in PENIS we begin to act and behave as living disciples of COCK, obeying every desire our LORD wants us to feel, and in this manner we become more aware of his constant presense.

HOLY PRAYER NUMBER 0053

0053 I awake at 3:00 am,
I am naked,
Was it a dream or did I hear a noise,
I feel a presence near my lips,
It is the head of our God,
Holy Precum is placed on my chin
and nose,
I stick out my tongue to taste the
nectar,
I am fully awake and my worshiping
mouth engulfs our God.

I feel a warm embrace of my own
Cock,
Worshipful lips caress His Holy Head,
A probing tongue probes the opening,
Greedily seeking the Holy Precum
and Holy Seed to follow,

I feel the Cock within my mouth
harden,
I taste the Precum flowing,
And before long I feel the rhythmic
pumping of and

taste the wondrous Holy Seed,
As I share the Holy Seed from below
I am blessed with more from above,
I savour every drop,
None is wasted.

I feel in heaven,
I kiss the hooded head of this God of
the Night;
I go back to sleep satisfied.

HOLY PRAYER NUMBER 0052

0052 Worship the holy one
Remove all your garments
Unclothed you shall remain
Praying in modest adoration
THE LORD GOD PENIS is unlimited
He demands our hands to caress
him
He wants our mouths to suck him
He expects our assholes to accept
him
We must obey humbly and with pride
To be consecrated by our LORD
PENIS

HOLY PRAYER NUMBER 0051

0051 Cock is my God,
I worship Him in thought and deed,
I meditate on Him often,
I touch, I feel, I stroke,
I taste, I suck, I am impaled by Him,
He rewards my worship and
adoration with Holy Precum,
I lap it greedily,
I share it with others,

It moistens my mouth and ass.

I worship with greater fervour,
I cry out for Him to save me,
I cry out for Him to strengthen me,
I cry out for Him to impale me with
his love,
My ass worships Him,
My mouth worships Him,
I cry out for Him to bless me and I
am blessed with more Holy Precum.

I share this precious fluid with others,
With others who believe as I,
In my fervent worship of Him,
I am taken into a different reality,
I am overcome with joy and Cock
Lust,
I cannot find enough Cock to worship,
I am surrounded by Cock,
My ass quivers, It is filled again and
again,
My mouth accepts our Lord again
and again,
I am filled with Blessed Cum
I will share my blessings with other
believers,
I shoot again and again,

I have seen heaven,
I have been with our God,
I will worship again.

Ready to receive THE LORD GOD PENIS

Always have your asshole ready for

THE EXTRAORDINARY BEAUTY OF PHALLUS

No matter if cock is erected or not, no
matter if cock is in your mouth or in
your asshole, or simply touching
your body or just hanging down,
oozing fresh cum or spurting it to the
heavens, it is beautiful, so
magnificent and full of life that it is

hard to imagine a world without
cocks. Thank COCK for his presence
and power reflected in the cocks of
all men. Share a cock today!

I suck the head with passion
I feel my own cock itching with desire
You are such a good father
Oh dear COCK GOD

THE LORD PHALLUS PRAYER

LORD PHALLUS PRAYER
Our FATHER PENIS
which art in our mouths
as well as in our assholes
Hallowed be thy name, PHALLUS
Thy will be done
as in our mouths
so in our assholes as well
Give us our daily cum and piss
as well as many cocks to suck and
fuck
And forgive us our debts
as we forgive our fellow cocksuckers
And let us not into the temptation
of believing in other gods
But deliver us from evil
for Thine is the kingdom
and the power and the glory
for ever and ever.

HOLY PRAYER NUMBER 0050

0050 Our gracious holy GOD PENIS
You are just beautiful and fully
erected
You gave me pleasure and
nourishment
I relish in licking every drop of your
cum
Your image and shape are superb
The balls embellish your stance
I kiss the veins on the shaft

HOLY PRAYER NUMBER 0049

0049 ERECT AND SUBLIME
THE HOLY PRICK IS KING
THE LAST DROPS OF JUICY CUM
REMAIN ON THE TIP OF THE
HEAD
WE WORSHIP IT WITH ALL OUR
STRENGTH
WE MUST LICK THE SACRED
JUICE OFF
AND SUCK THE SHAFT AND HEAD
AGAIN
AND AGAIN FOREVER MORE
BLESS US OH DEAR LORD PENIS

PRAYER

The HOLY PENIS IS LORD and
blesses all
We must be obedient in worship
The LORD phallus REIGNS
SUPREME
He is always with us giving life
Sharing his holy semen with all men
Invigorating and refreshing our
motives
Destroying every bad influence
Loving every human being
Trust in the sanctity of sex
Never doubt for a moment
The power of love, cum, cock
These are imperatives in our
dedication
To a holy and prosperous life

MAY THE HOLY PHALLUS be
present in all our endeavours!

YOTE LACHUPO

DAILY DEDICATION TO COCK

The craving to be better cock
suckers and holier cum drinkers,
expressed in daily masturbation,
cocks sucking and ass fucking as
well as paying attention to and in
striving to take hold of more of the
divine FUCKING character, will
mould and style us anew, until we
awake in His fucking likeness.

HOLY PRAYER NUMBER 0048

0048 Holy Benediction
The Lord PENIS has blessed me
With his creamy rich cum
I surrender my body to my GOD
COCK
I am his servant and worshipper
The smell and scent of his hot holy
juice
I feel on my body and I thank him
I am a happy and contented disciple.

HOLY PRAYER NUMBER 0047

0047 The HOLY COCK is ready
My asshole is lubed
My heart is excited
My GOD COCK is about to enter me
I feel blessed with anticipation
I long for that juicy member
I am going to make him happy
THE LORD GOD PENIS will enter
me
He will pump me vigorously
I shall feel every inch throbbing
I shall be delighted
His cum will give me strength
The GOD COCK blesses me

THE CHURCH OF THE HOLY PENIS

P.L.U.M.©
(Penis Lovers Universal Movement)

THE TEN FUCKING COMMANDMENTS

Thou shall have no other gods
before me, PHALLUS.

Thou shall love thy neighbor and his
penis, balls and asshole as thyself
and your penis, balls and asshole.

Thou shall masturbate every day as
much as you possibly can.

Thou shall suck as many cocks from
as many men as you can whenever
you can.

Thou shall drink every drop of the
holy cum from all the penises that
you suck.

Thou shall fuck and be fucked in the
mouth and asshole as much as you
can and for as long and with as
many men as possible.

Thou shall always keep your mind full of thoughts of penis, cum and piss.

Thou shall not discriminate among men and their penises; thou shall worship every single cock of every man regardless of race, color, creed, nationality, etc.

Thou shall always consider your balls and the balls of every man as sacred vessels containing the juice of life (pure semen) and caress and lick them regularly with dedication.

Thou shall kiss, lick and rim the asshole of every man you have sex with.

THE CHURCH OF THE HOLY PENIS SACRED TENETS

1) I BELIEVE IN THE HOLY GOD, THE DIVINE LORD PENIS.

2) I BELIEVE THAT PENIS IS GIVING ME ALL THE POWER AND STRENGTH I NEED WHEN I, FILLING MY CONSCIOUSNESS WITH THE DIVINE PRESENCE OF THE HOLY PHALLUS, TOUCH IT, LICK IT, KISS IT, SUCK IT, STROKE IT AND BRING IT TO THE HOLY POINT OF CUM RELEASE, THE HOLY JUICES THAT MAKE ALL MANKIND AND ME HAPPY AND WHOLE.

3) I BELIEVE THAT I AM HERE ON THIS PLANET TO HONOUR AND

GLORIFY OUR GOD PENIS. MY MAIN PURPOSE IN LIFE IS TO PLEASE HIM IN EVERY POSSIBLE WAY BY DOING SO TO MY OWN PENIS AND THE PENISES OF AS MANY MEN AS POSSIBLE WITHOUT QUESTION.

4) I BELIEVE THAT ONLY BY ADORING REAL PENISES I ADORE GOD PENIS. ARTIFICIAL DEVICES (DILDOS, VIBRATORS, ETC) ARE NOT GODS, ONLY SYMBOLS OF THE REAL GOD PENIS. These devices are great as fun and magnificent asshole openers but should never replace a real penis if there is one available.

5) I BELIEVE THAT THE POWER OF THE PENIS HEALS THE ILLS OF MANKIND, BRINGING ALL PEOPLE TOGETHER AND I SOLEMNLY PROMISE TO SPREAD THE WORD AND THE CUM OF GODP ENIS TO AS MANY MEN AND/OR WOMEN AS I CAN (When and if they agree)

6) I BELIEVE THAT I MUST NOT CRITICIZE THOSE WHO DO NOT AGREE WITH OUR beliefs. I MUST KEEP MY THOUGHTS FULL OF PENIS AND CUM BLESSINGS FOR THEM ALL. I MUST LOVE THEM AND BE ALWAYS READY FOR THEIR COCKS (One never knows when the HOLY PENIS will make them ready for our worship).

7) I BELIEVE I MUST BE NAKED AS MUCH AS POSSIBLE TO GLORIFY OUR LORD PENIS (Ideally I should be naked at all times) NUDITY IS BLISS, IT PURIFIES THE BODY AND SOUL

AND PREPARES US TO RECEIVE OUR BELOVED GOD PENIS without the limitation of garments. OUR ADORATION BECOMES MORE SPIRITUAL AND TRANSCENDS THE BOUNDARIES OF FLESH AND ENABLES US TO ELEVATE OUR CONSCIOUSNESS TO THAT OF GLORIOUS AND BLISSFUL PLEASURE AND SPIRITUAL UNITY WITH THE HOLY PENIS.

8) I BELIEVE THAT THE CHURCH OF THE HOLY PENIS (P.L.U.M.)© (Penis Lovers Universal Movement) IS INDEED UNIVERSAL AND ANYBODY, ANYWHERE, WHO ACCEPTS OUR PRECEPTS, IS WELCOME TO JOIN, REGARDLESS OF THEIR BELONGING OR NOT TO OTHER ORGANIZATIONS OR RELIGIONS. PENIS RULES AND BLESSES ALL WITHOUT DISCRIMINATION OF ANY KIND.

9) I BELIEVE THAT EVERY MEMBER HAS EQUAL RIGHTS BEFORE GOD PENIS. THERE IS NO SENIORITY AMONG OUR BROTHERS AND SISTERS. THOSE WHO HAVE SERVED IN OUR MOVEMENT FOR A LONGER PERIOD HAVE THE OBLIGATION TO SHARE THEIR SKILLS AND SPIRITUAL AND PENILE UNDERSTANDING AS PENIS LOVERS WITH EVERY OTHER MEMBER. NEWER MEMBERS SHALL BE TREATED WITH THE SAME RESPECT.

10) NOBODY IS TO BE TREATED WITH VIOLENCE OR FORCED TO DO THINGS THAT A MEMBER

MAY NOT BE HAPPY WITH (If a member refuses to suck cock in services he shall be subject to questioning by the GRAND BROTHER in charge of the service and if he still refuses he will be invited to leave the service until he feels up to it) REMEMBER THAT OUR BELOVED PENIS IS A GOD OF LOVE THAT BLESSES EVERYBODY WITH THE HOLY JUICES OF LIFE AT ALL TIMES AND UNDER ANY CIRCUMSTANCE.

11) I BELIEVE THAT I, AS A HUMBLE SERVANT AND SLAVE OF OUR BELOVED GOD PENIS, MUST SUCK AND BE SUCKED (see A), FUCK AND BE FUCKED (see B), BY AS MANY MEN AS POSSIBLE, FOR THE GLORY OF THE HOLY PENIS AND I SHALL TASTE, EAT AND SHARE THE HOLY JUICES PRODUCED BY THE EJACULATION OF THE PENISES OF THOSE MEN FOR THE REST OF MY LIFE.

(A) SUCKING COCKS. EVERY MEMBER MUST SUCK AND BE SUCKED WITHOUT EXCEPTION (some members may not like to swallow cum at a particular moment, in which case they MUST smear their lips with fresh cum and spread it over their own bodies and/or others, never any semen is to be wasted). In time they will learn to swallow the holy nectar.

(B) FUCKING: Some members may not be ready to fuck and/or be fucked at any particular time. Nobody shall force them to do so. Divine PENIS will provide them with

the opportunity to obey THIS HOLY PRACTICE without any Member's physical imposition. In time they will learn to surrender to HIS mighty power.

cock as you show your love to your own GOD PENIS.

YOTE LACHUPO

LOVE AND TOLERANCE RULE:

UNDER NO CIRCUMSTANCES IS ANY PERSON TO BE 'FORCED' INTO ANY SEXUAL ACTIVITY. EACH INDIVIDUAL IS FREE TO PUT INTO PRACTICE WHAT HE/SHE UNDERSTANDS TO BE CORRECT AND ONLY THE DIVINE LORD GOD PENIS WILL GUIDE EVERY PERSON TO WORSHIP IN THE BEST POSSIBLE MANNER. VIOLENCE IS ABSOLUTELY FORBIDDEN IN THE CHURCH OF THE HOLY PENIS (P.L.U.M.)© A.M.E.N.(Action Must Ensur Now)
